**The British Council and Anglo-Greek Literary Interactions, 1945-1955** Peter Mackridge, David Ricks, 2018-04-17 In the immediate aftermath of the Second World War and with British political influence over Greece soon to be ceded to the United States there was a considerable degree of cultural interaction between Greek and British literati Sponsored or assisted by the British Council this interaction was notable for its diversity and quality alike Indeed the British Council in Greece made a more significant contribution to local culture in that period than at any other time and perhaps in any other country Many of the participants among them Patrick Leigh Fermor Steven Runciman and Louis MacNeice are well known while others deserve to be better known than they are today But what has been less fully discussed and what the volume sets out to do is to explore the two way relations between Greek and British literary production in which the British Council played a particularly important role until the outbreak of armed conflict in Cyprus in 1955 which rendered further contacts of this kind difficult Close attention is paid to the variety of ways marked by personal affinities and allegiances but also by political tensions in which the British Council functioned as an agent of interaction in a climate where a complex blend of traditional Anglophilia or Philhellenism found itself encountering a new post war and Cold War environment What is distinctive about the volume beyond the inclusion of much recent archival research is its attention to the British Council as part of the story of Greek letters and not just as a place in which various British men and women of letters worked The British Council found itself sometimes more through improvisation and personal affinities than through careful planning at the heart of some key developments notably in terms of important periodical publications which had a lasting influence on Greek letters Though in the cultural forum that influence was arguably to be less pervasive than that of France with its more ambitious cultural outreach or than that of the USA in later decades the role of the British Council in Greece in this crucial period of Greek and indeed European post war history continues to make a rich case study in cultural politics This volume thus fills a gap in the rich bibliography on Anglo Greek relations and contributes to a wider scholarly and

public discussion about cultural politics

**Elephant's Back** Lawrence Durrell, 2015-08-16 Rare and previously unpublished essays and letters showcasing Durrell's wit, elegance, philosophy, joie de vivre, and flaming intelligence. The Irish Times: "The proverb says that whoever sees the world from the back of an elephant learns the secrets of the jungle and becomes a seer. I had to be content to become a poet." Lawrence Durrell, best known for his novels and travel writing, defied easy classification within twentieth-century Modernism. His anti-authoritarian tendencies put him at odds with many contemporaries, aesthetically and politically. However, thanks to a compelling recontextualization by editor James Gifford, these thirty-eight previously unpublished and out-of-print essays and letters reveal that Durrell's maturation as an artist was rich, complex, and subtle. Durrell fans will treasure this selection of rare nonfiction, while scholars of Durrell, Modernist literature, anti-authoritarian artists, and the Personalist movement will also appreciate Gifford's fine editorial work. Gifford's scholarly command of the archives shows, especially his working intimacy with the unpublished, archived words of Durrell's editors, publishers, and collaborators. I have no doubt that this collection will serve as a starting point for any number of new critical ventures into the life and writing of Lawrence Durrell. Charles Sligh, University of Tennessee at Chattanooga. *Lawrence Durrell's Woven Web of Guesses (Durrell Studies 2)*

Richard Pine, 2021-02-23 This volume presents a number of original essays on aspects of Lawrence Durrell which have not previously been discussed. Durrell, 1912-1990, was the ground-breaking author of *The Alexandria Quartet*, *Tunc Nunquam*, *The Revolt of Aphrodite*, and *The Avignon Quintet*, and of many plays, volumes of poetry, and essays. This volume, by one of the world's foremost experts on Durrell's life and work, explores his early literary connections with Henry Miller, Anaïs Nin, Alfred Perlès, and David Gascoyne in topics such as surrealism and psychology. It features new insights into Durrell's approach to popular literature, Greek politics, and sexual orientation, and establishes Durrell's mental states from an examination of his private notebooks. It presents a composite portrait of a writer obsessed with the themes of identity, creativity, sexuality, and freedom. *Lawrence Durrell*, Ian S. MacNiven, 2020-08-11 The prize-winning biography of the celebrated author of *The Alexandria Quartet* and *The Avignon Quintet*, an elegant and meticulous treat. Kirkus Reviews, A New York Times Notable Book. Born in colonial India in 1912, Lawrence Durrell established his literary reputation as a citizen of the Mediterranean. After attending school in England, Durrell escaped the country he dubbed "Pudding Island" for the Greek island of Corfu, only to make another escape this time from Nazi invasion to Egypt. His experiences in wartime Alexandria led to a quartet of novels, beginning with *Justine*, that are collectively considered some of the great masterpieces of postwar fiction. Durrell's peripatetic life, which eventually took him to the South of France, fed his work with the richness and drama of his various adoptive homes. A man of protean talents, Durrell is celebrated for his fiction and poetry, as well as his highly regarded translations, essays, and travel literature. In researching this authorized biography, Ian S. MacNiven traveled over a period of twenty years from India to California, interviewing hundreds of individuals and visiting all but one of the many places Durrell lived. The result is an intimate portrait of a literary titan that was awarded a prize by the French city of Antibes for the year's best study on
