Counter melodies Ernestine Whitman,2025-07-30 Offering a uniquely musical perspective on the MeToo experience this is the story of a talented and fiercely determined musician a young woman with everything to gain and ultimately nothing left to lose who finds a way through despite multiple betrayals by the men in her life Jealous of her brilliant older sister Ernestine longs for her father s approval as a little girl but is never good enough When she discovers a talent for the flute she meets a charismatic teacher who gives her the encouragement she craves and becomes her surrogate father After winning several competitions she dreams of being a professional musician but her stern father ridicules the idea and forces her to attend Emory University as a math major like her sister Ernestine doesn t give up on her musical dreams however and halfway through college she wins the second flute chair in the Atlanta Symphony There she sits beside her former teacher the principal flute At first she loves working with him but after one successful season he turns on her and does everything in his power to get her fired Devastated by her idol s merciless harassment she s driven into a spiral of suicidal depression As she tries to recover her vulnerability is exploited again and again by the very men she turns to for help A harrowing account of one woman s battle with twentieth century misogyny Counter melodies follows Ernestine as through the darkness she clings to her love for the flute and her unshakable dream of making it in the cutthroat world of classical music *Seventy-eight duets for flute and clarinet: Easy-medium (Nos. 1 to 55)* Himie Voxman,1960 *Catalogue of Printed Music in the Library of the Royal College of Music, London* Royal College of Music (Great Britain),William Barclay Squire,1909 **Student**
