Lynx Twins Grow Up:

Lynx Twins Grow Up Stephanie Smith, 2002 Two lynx kittens learn to care for themselves and avoid danger in their forest home

Breaking the Engagement W. Coleman Parker, 1910

Princess of Blood Tom Lloyd, 2017-07-27 There s a new Card in the Mercenary Deck one Lynx isn t sure if he s happy to see or not The assassin Toil now wears the Princess of Blood on her jacket and even Lynx would admit she s a woman cloaked in chaos and bloodshed Their new mission is to escort a dignitary to the pious and ancient city of Jarrazir beneath which lies a fabled labyrinth Having barely survived their last underground adventure the mercenaries aren t keen for another but Toil has other plans Under threat of siege and horrors rising from the labyrinth even the Mercenary Deck may have to accept that Jarrazir s prohibition laws aren t their biggest problem

Twins and Recursion in Digital, Literary and Visual Cultures Edward King, 2022-04-07 The tale of twins being reunited after a long separation is a trope that has been endlessly repeated and reworked across different cultures and throughout history with each moment adapting the twin plot to address its current cultural tensions In this study Edward King demonstrates how twins are a means of exploring the social implications of hyper connectivity and the compromising relationship between humans and digital information their environment and their genetics As King demonstrates twins tell us about the changing forms of connectivity and power in contemporary culture and what new conceptions of the human they present us with Taking account of a broad range of literary cultural and scientific practices Entwined Being probes discussions surrounding twins such as The way in which they appear in behavioral genetics as a way of identifying inherited predispositions to social media How their faces interrupt biometric interfaces such as facial recognition software and undermine advances in neo liberal surveillance systems How they represent the uncanny and the weird in the horror genre and how this questions ideologies of communications media and the connectivity it enables Their association with telepathy and cybernetics in science fiction Their construction as models for entangled being in ecological thought Drawing upon the literary and filmic works of Ken Follet Edgar Allan Poe H P Lovecraft Bruce Chatwin Shelley Jackson Brian de Palma Peter Greenway and David Cronenberg as well as science fiction literature and the television series Orphan Black King illuminates how twins are employed across a range of disciplines to envision a critical re conception of the human in times of digital integration and ecological crisis

Bigotry and Intolerance Kathlyn Gay, 2013-03-14 While many people appreciate cultural social political and religious diversity there are others who feel compelled to express their intolerance for others through cruel words and actions Their behavior often stems from ignorance and insecurity and they demonstrate their prejudices by belittling others who are different from them These narrow minded individuals attack others based on any number of reasons including religious beliefs sexual orientation cultural background social standing or physical appearance In *Bigotry and Intolerance The Ultimate Teen Guide* Kathlyn Gay looks at the various reasons why people of all age levels and backgrounds feel the need to disparage others This book also offers help to teens who are the object of fear and hatred by

showing them how to combat such behavior Topics covered in this book include the meaning of bigotry and intolerance types of bigotry from religious bigotry to homophobia the difference between bigotry and racism what it feels like to be the target of bigotry how to cope with discrimination individuals and groups that advocate tolerance and appreciation of cultural diversity Aimed at young adults who are interested in fighting bigotry and intolerance this book will help teens who suffer from the small mindedness of others It might also help those who are less tolerant find some common ground with those who are different from them and lead to a better understanding of how diversity makes for a richer more interesting world Featuring commentary from several young adults **Bigotry and Intolerance The Ultimate Teen Guide** will be welcomed by those who want to turn the tide of prejudice and fear in their schools and in their communities

The Call of the Weird Louis Theroux, 2025-05-01 No it doesn't get much weirder than this Thor Templar Lord Commander of the Earth Protectorate who claims to have killed ten aliens Or April the Neo Nazi bringing up her twin daughters Lamb and Lynx who have just formed a white power folk group for kids called Prussian Blue and her youngest daughter Dresden For a decade now Louis Theroux has been making programs about offbeat characters on the fringes of U S society Now he revisits the people who have most intrigued him to try to discover what motivates them and why they believe the things they believe From his Las Vegas base where else Theroux calls on these assorted dreamers schemers and outlaws and in the process finds out a little about the workings of his own mind What does it mean after all to be weird or to be yourself Do we choose our beliefs or do our beliefs choose us And is there something particularly weird about Americans America prepare yourself for a hilarious look in the mirror that has already taken the rest of the English speaking world by storm Paul Theroux's son writes with just as clear an eye for character and place as his father And he's funny Theroux's final analysis of American weirdness is true and new

Literary Review England **Modern American Extremism and Domestic Terrorism** Barry J. Balleck, 2018-06-01 Highlighting a breadth of American individuals and groups that engaged in extremist behavior across history this book provides a succinct concise overview of extremist behavior in the past and examines today's increasingly common incidences of hate and extremism Since the election of Barack Obama in 2008 extremist and hate groups have seen a resurgence on the American political landscape Members of these subgroups within the American population have become concerned that the America that they have always known is fading into oblivion with a majority of individuals in these groups holding fiercely anti immigration views and adhering to the belief that the United States should not admit large numbers of any group that is not white Christian or predominantly European Others believe that the principles and precepts of the U S Constitution have gone by the wayside and that drastic measures are required to protect the underlying tenets that were the essential elements of the Constitution and many of their nation's founding principles How did these individuals come to feel this way is it possible to bring these impassioned extremists back into the fold and if so how This book provides comprehensive illuminating and sometimes disturbing insights into the individuals groups and events that have illustrated extremist behavior in post World

War II America Ranging from the anti communist rhetoric and activities of the John Birch Society to the radical socialist ideals of the Black Panthers to the goals of a pure America articulated by white nationalists this book documents the various extremist elements that shaped the second half of the 20th century as well as the first two decades of the 21st century Readers will grasp how events in the histories of individuals and groups as well as perceived injustices have lead to the incidences of hate and extremism in American society The encyclopedic entries of the book are specifically written to accessible to readers without specific knowledge of extremism political science or sociology **Reichsrock** Kirsten Dyck,2016-10-03 From rap to folk to punk music has often sought to shape its listeners political views uniting them as a global community and inspiring them to take action Yet the rallying potential of music can also be harnessed for sinister ends As this groundbreaking new book reveals white power music has served as a key recruiting tool for neo Nazi and racist hate groups worldwide Reichsrock shines a light on the international white power music industry the fandoms it has spawned and the virulently racist beliefs it perpetuates Kirsten Dyck not only investigates how white power bands and their fans have used the internet to spread their message globally but also considers how distinctly local white power scenes have emerged in Western Europe Eastern Europe Latin America the United States and many other sites While exploring how white power bands draw from a common well of nationalist racist and neo Nazi ideologies the book thus also illuminates how white power musicians adapt their music to different locations many of which have their own terms for defining whiteness and racial otherness Closely tracking the online presence of white power musicians and their fans Dyck analyzes the virtual forums and media they use to articulate their hateful rhetoric This book also demonstrates how this fandom has sparked spectacular violence in the real world from bombings to mass shootings Reichsrock thus sounds an urgent message about a global menace *Unruly* Becca Mann, In the rigid world of Ignis your Pair isn t just your match it s your duty Identical twins Charlotte and Zandra Galvin have spent their lives walking opposite paths Charlotte the golden girl and Highest Pointer of their regimented society is guaranteed a prestigious Pairing genetically matched to ensure humanity s survival Zandra free spirited and restless faces a far grimmer fate a forced assignment to a stranger or worse a one way trip to Unruly the dangerous island where society s outcasts are abandoned But when the pressure of perfection becomes unbearable Charlotte does the unthinkable she switches places with Zandra without her consent fleeing to Unruly in a desperate bid for freedom Now trapped in a world she was raised to fear Charlotte must navigate brutal trials shifting alliances and secrets she s been too afraid to face even within herself Back in Ignis Zandra is thrust into Charlotte s pristine life where she must deceive the very architects of the Pairing system outwit the powerful elite and survive suitors who will stop at nothing to claim her As both twins struggle to uphold the lie the truth inches dangerously close to exposure And if they re discovered they won t just lose their futures they ll be imprisoned on Unruly forever Unruly is a gripping tale of identity love and the price of freedom because sometimes the only way to win is by breaking every rule Agency in Mental Disorder Matt King,Joshua May,2022

This volume seeks to provide a starting point for deeper and broader philosophical analyses of mental illness. It addresses various questions about the relationship between agency and mental disorder.
