Man In The Land:

No Man's Land Elizabeth D. Samet, 2014-11-04 As the post 9 11 wars wind down a literature professor at West Point explores what it means for soldiers and our country to be caught between war and peace In her critically acclaimed award winning book *Soldier's Heart* Elizabeth D Samet grappled with the experience of teaching literature at the United States Military Academy at West Point Now with *No Man's Land* Samet contends that we are entering a new moment a no man's land between war and peace Major military deployments are winding down but soldiers are wrestling with the aftermath of war and the trials of returning home while also facing the prospect of low intensity conflicts for years to come Drawing on a range of experiences from a visit to a ward of wounded combat veterans to correspondence with former cadets from a conference on Edith Wharton and wartime experience to teaching literature and film to future officers Samet illuminates an ambiguous passage through no man's land that has left deep but difficult to read traces on our national psyche our culture our politics and most especially an entire generation of military professionals In *No Man's Land* Elizabeth D Samet offers a moving urgent examination of what it means to negotiate the tensions between war and peace between over there and over here between life on the front and life at home She takes the reader on a vivid tour of this new landscape marked as much by the scars of war as by the ordinary upheavals of homecoming to capture the essence of our current historical moment

No Man's Land Paul Swift, 2002 Set on Tyneside during the World War I this moving play sets up dramatic conflicts of issue and personality Women fight for the right to work and to vote and men fight in and in opposition to the war to end all wars It involves a cast of 17 plus extras

No Man's Land Simon Tolkien, 2017-01-24 Inspired by the real life experiences of his grandfather J R R Tolkien during World War I Simon Tolkien delivers a perfectly rendered novel rife with class tension period detail and stirring action ranging from the sharply divided society of northern England to the trenches of the Somme Adam Raine is a boy cursed by misfortune His impoverished childhood in turn of the century London comes to a sudden and tragic end when his mother is killed in a workers protest march His father Daniel is barely able to cope with the loss But a job offer in the coal mining town of Scarsdale presents one last chance so father and son head north The relocation is hard on Adam the local boys prove difficult to befriend and he never quite fits in Meanwhile tensions between the miners and their employer Sir John Scarsdale escalate and finally explode with terrible consequences In the aftermath Adam's fate shifts once again and he finds himself drawn into the opulent Scarsdale family home where he makes an enemy of Sir John's son Brice who subjects Adam to a succession of petty cruelties for daring to step above his station However Adam finds consolation in the company of Miriam the local parson's beautiful daughter with whom he falls in love When they become engaged and Adam wins a scholarship to Oxford he starts to feel that his life is finally coming together until the outbreak of war threatens to tear everything apart From the slums of London to the riches of an Edwardian country house from the hot dark seams of a

Yorkshire coal mine to the exposed terrors of the trenches in France Adam's journey from boy to man is set against the backdrop of a society violently entering the modern world **No Man's Land** James Axler,2012-11-01 Dark Evolution There's little to remember about life before the Big Nuke but there's plenty to scavenge in the tainted wreckage of the postapocalyptic frontier The barbaric code of survival of the fittest meanest or dirtiest makes for hard living and easy death But Ryan Cawdor and his friends have stayed alive by holding on to their humanity playing fair and chilling only when they've got no choice Grim Passage A civil war raging in the Des Moines River valley forces Ryan and his companions to take sides or die Because somewhere in the middle of the generations old conflict is a lost redoubt But Snake Eye the deadliest gunslinger in Deathlands stands between them and the way out And the mutie contract chiller won't step aside until he has Ryan's head In Deathlands there's nothing but rock and a hard place **No Man's Land** H. C. ("Snapper") McNeile,2019-05-09 Excerpt During the first few days of November 1914 Messines was lost in silence during the first few days of June 1917 Messines was regained and the noise of its capture was heard in London And during the two and a half years between these two events the game over the water has been going on It hasn't changed very much in the time that game to the player To those who look on doubtless the difference is enormous Now they speak easily of millions where before they thought diffidently of thousands But to the individual well Messines is lost or Messines is won and he is the performer It is of those performers that I write of the hole and corner work of the little thumb nail sketches which go to make up the big battle panels so ably depicted over the matutinal bacon and eggs And as one privileged to assist at times in that hole and corner work I offer these pages as a small tribute to those who have done so far more than I to the men who have borne the burden of the days the months the years to the men who have saved the world to the Infantrymen **No Man's Land** Wendy Moore,2020-04-28 The absorbing and powerful Wall Street Journal story of two pioneering suffragette doctors who shattered social expectations and transformed modern medicine during World War I A month after war broke out in 1914 doctors Flora Murray and Louisa Garrett Anderson set out for Paris where they opened a hospital in a luxury hotel and treated hundreds of casualties plucked from France's battlefields Although prior to the war and the Spanish flu female doctors were restricted to treating women and children Flora and Louisa's work was so successful that the British Army asked them to set up a hospital in the heart of London Nicknamed the Suffragettes Hospital Endell Street soon became known for its lifesaving treatments In *No Man's Land* Wendy Moore illuminates this turbulent moment of global war and pandemic when women were for the first time allowed to operate on men Their fortitude and brilliance serve as powerful reminders of what women can achieve against all odds *No Man's Land* Logan C. Jones,2014-06-02 *No Man's Land* is a book of poems of searching longing and belonging overlaid by the ancient struggle with home family and God These poems are often confessional persistent and speak to the interior journey of our lives They acknowledge the paradox of this journey which often leaves us empty handed and with more questions than answers yet they still offer praise and gratitude however faint **No Man's Land** Jason

coin the term trap of collectivism to warn those demanding nationalization or other forms of non private ownership today it is rather easy even with the best intentions to walk into this trap but it may take long decades to break out from it Padres in No Man's Land Duff Crerar,1995-03-02 Tracing the growth of the Canadian Chaplain Service from its chaotic and controversy ridden early days to its maturation as an efficient field force Duff Crerar highlights both the role of the Service on the battlefield and the personal experiences of the chaplains Refuting the widely held view that chaplains serving overseas were cloistered from front line realities Crerar describes the padres experiences in camps hospitals and on the battlefield He examines how they maintained their faith in the face of death and destruction and explores the bonds forged between chaplains and troops Padres in No Man's Land concludes in the postwar era with the decline of the chaplains hopes for spiritual renewal upon their return to Canada their dreams dashed not by the war but by the subsequent peace The Painters of Belfast's No Man's Land Stephen Groves,2019-01-16 2018 RUNNER UP OF THE BODLEY HEAD FINANCIAL TIMES ESSAY PRIZE A timely exploration of art on the boundary of Northern Ireland's fragile peace Stephen Groves follows a famed Protestant artist and his Catholic accomplice as they paint the walls of Belfast's no man's land Through their lives we see a glimpse of the deep social issues which plague Northern Ireland today Epidemics of drugs and suicide the symptoms of internalised trauma Is peace simply the absence of violence **No Man's Land: The war of the words** Sandra M. No Man's Land H. C. McNeile,2024-09-14 Mufti by H C McNeile offers a gripping narrative set in the aftermath of World War I encapsulating the disillusionment and search for purpose faced by returning soldiers The protagonist Captain Robert Kent grapples with a profound identity crisis after the war reflecting a universal struggle for meaning in a rapidly changing world His journey embodies a shift from military life to civilian existence portraying themes of resilience and redemption Present day parallels include the reintegration challenges faced by veterans and the broader issue of adapting to life after traumatic events The novel s exploration of societal expectations versus personal desires resonates with contemporary debates about mental health and the pressure to conform in modern society Kent s interactions with a diverse cast of characters highlight the

fragmented post war society underscoring the importance of empathy and community in healing McNeile's depiction of camaraderie and the impact of war on mental well being aligns with current awareness around PTSD and the necessity of support systems This narrative encourages modern readers to reflect on the enduring effects of conflict and the ongoing struggle for veterans to find their place in society By juxtaposing wartime valor with peacetime challenges Mufti maintains its relevance inviting readers to consider how historical contexts inform current societal issues The book's rich character development and emotional depth provide a timeless commentary on the human condition offering insights into contemporary conversations about identity resilience and the search for purpose in times of profound change
