Marlene Dumas Suspect:

Marlene Dumas. Suspect. Ediz. italiana e inglese Marlene Dumas, Gianni Romano, 2003 Dumas cultivated a unique position within the world of figurative painting beginning with expressive drawings of human figures powerful figurative works that explore themes of gender identity sexual and ethnic violence and oppression In the paintings there is always clear interplay between image and spectator her models give the impression of observing rather than being observed Suspect the title of this exhibition and catalog is just as wonderfully ambiguous the show undermines preconceived notions about victims and executioners while adding to the pool of doubt the idea that these images themselves might be suspect The catalog features Dumas recent works as well as a series created specifically for her exhibition The book includes a long interview with the artist and a collection of her writings

Being Jade McGleughlin, 2024-09-19 In a series of overlapping clinical essays sometimes highly personal sometimes bristling
 with theory sometimes employing experimental writing Jade McGleughlin upends the ways we tell a psychoanalytic story
 Tracing the evolution of her thinking the collection grapples with the problem of engaging patients when verbal
 representation fails To do this McGleughlin takes us inside some of her richest most surprising encounters with patients who
 have suffered severe trauma leading to a breach in the experience of self McGleughlin imagines how to meet patients in the
 breach She then brings us along requiring the analyst's intense personal struggle to find and share the patient's experiences
 of liminality of terror of non existence to tolerate the vertigo of deep engagement with the other Rather than leading with
 authority and the illusion of an autonomous self McGleughlin offers storytelling that mirrors the work her enactive writing
 dares to replicate the unsettling experience of the breach and invites readers to experience not only seeing but being seen
