The Staging of Witchcraft and a "Spectacle of Strangeness" Shokhan Rasool Ahmed,2014-10-09 The Staging of Witchcraft and a Spectacle of Strangeness Witchcraft at Court and the Globe presents a new interest in Continental texts on witchcraft coincided with technological advances in the English stage which made a variety of dramatic effects possible in the private playhouses such as flying witches and the appearance of spirits and deities in Elizabethan plays This book also evaluates how the technology of the Blackfriars playhouse facilitated the appearance of spirits devils witches magicians deities and dragons on stage The study investigates the visual spectacle of witchcraft scenes which intersect with the genre of the plays and it also presents to what extent changing theatrical tastes affect the way that supernatural characters are shown on stage Christopher Marlowe Doctor Faustus Jitendra Kumar Sharma,1985 The Tragical History of Dr. Faustus Christopher Marlowe,1995 **Christopher Marlowe, an Annotated Bibliography of Criticism Since 1950** Kenneth Friedenreich,1979 No descriptive material is available for this title *Doctor Faustus* Christopher Marlowe,1982

Christopher Marlowe Malcolm Miles Kelsall,1981 *Marlowe* Avraham Oz,2003-10-21 Christopher Marlowe is known not only as Shakespeare's most notable contemporary playwright but also as one of the most intriguing figures of the English Renaissance The mystery of his death in a fray at the age of 29 has inspired writers around the world and his fiery career is no less intriguing This New Casebook offers a wide ranging selection of essays on Marlowe's major plays Articles from the last two decades by leading critics of English early modern drama provide a variety of fresh controversial and enlightening critical perspectives on five of Marlowe's plays Tamburlaine the Great Parts One and Two The Jew of Malta Doctor Faustus and Edward II *The Sin of Knowledge* Theodore Ziolkowski,2021-01-12 Adam Prometheus and Faust their stories were central to the formation of Western consciousness and continue to be timely cautionary tales in an age driven by information and technology Here Theodore Ziolkowski explores how each myth represents a response on the part of ancient Hebrew ancient Greek and sixteenth century Christian culture to the problem of knowledge particularly humankind's powerful perennial and sometimes unethical desire for it This book exposes for the first time the similarities underlying these myths as well as their origins in earlier trickster legends and considers when and why they emerged in their respective societies It then examines the variations through which the themes have been adapted by modern writers to express their own

awareness of the sin of knowledge Each myth is shown to capture the anxiety of a society when faced with new knowledge that challenges traditional values Ziolkowski's examples of recent appropriations of the myths are especially provocative From Voltaire to the present the Fall of Adam has provided an image for the emergence from childhood innocence into the consciousness of maturity Prometheus as the challenger of authority and the initiator of technological evil yielded an ambivalent model for the socialist imagination of the German Democratic Republic And finally an America unsettled by its responsibility for the atomic bomb and worrying that in its postwar prosperity it had betrayed its values recognized in Faust the disturbing image of its soul

Shakespeare, the Goddess, and Modernity John O'Meara, 2012-02-17 O'Meara's work is the perfect supplement to Ted Hughes' Shakespeare and the Goddess of Complete Being shedding further illumination into those areas where Hughes' penetrating lens finally appears to dim This work shines utterly clear light on the path of understanding we may re-win with regard to myth forcing the reader to face the incredible starkness of the prospect we face and the lack of options ever closing in and also giving the reader the necessary clues to follow particularly Barfield Shakespeare and Rudolf Steiner Richard Ramsbotham author of Who Wrote Bacon William Shakespeare Francis Bacon and James I Very interesting stuff Particularly where you parallel the break through the tragic dead end to the transcendental redemptive solution that I follow from Macbeth through Lear to the last plays with the Steinerian view of the same progress Ted Hughes on Othello's Sacrifice Letter to John O'Meara 21 November 1996 in the Ted Hughes Archives Emory University Atlanta Georgia This volume brings together virtually all of the published shorter critical work of John O'Meara gathered from over 30 years of production What emerges is an extensive uniquely challenging interpretation of the evolution of for the most part English literary history from Shakespeare's time to our own excellent Shakespearean explorations The idea of Lutheran depravity without Lutheran grace or Lutheran Calvinist justification is very strong and original Anthony Gash author of The Substance of Shadows Shakespeare's Dialogue with Plato O'Meara sets out to demonstrate the essential fact that full encounter with human depravity was a necessary step in the attaining of true otherworldly Imagination Eric Philips Oxford on The New School of the Imagination from the Sektion für Schöne Wissenschaften the Goetheanum Newsletter Issue No 3 Winter Spring 2008 2009

Shakespeare's Muse John O'Meara, 2007 Recent interest in who Shakespeare's Muse may have been prompts one to come forth to dispel the drastically simplistic notions that have been brought forward In this essay John O'Meara suggests where our concern with Shakespeare should actually lie or what form of Muse we can suppose it was that commanded his development the way it did Shakespeare was fated for a certain experience from which he could not extricate himself even if he had wished to Highlighted is his struggle with Martin Luther's injunction to imagine human depravity to the fullest with which O'Meara compares the route travelled by Christopher Marlowe The challenge was laid down to Shakespeare to imagine the worst of human tragedy which finally focuses for him in the precipitated death of the loved one But it testifies to the enduring power of Shakespeare's Muse that She has borne this death with him I find myself

very much in sympathy with your general approach Stanley Wells general editor of The Oxford Shakespeare and formerly Director of The Shakespeare Institute Stratford Upon Avon England Faultlines Alan Sinfield,1992-09-28 A coherent and compelling politics of reading Sinfield is intervening in a cultural debate not merely about the meaning of the texts he considers but about the very nature of literary study itself Though his reading of central Renaissance texts such as Sidney's Defence Marlowe's Tamburlaine Shakespeare's Othello and Donne's lyrics are wonderfully agile and alert the true stakes of his argument are the protocols of the institutions in which we read and study literature David Scott Kastan author of Shakespeare and the Shapes of Time This is an important and urgently needed contribution to the field of culture criticism both in the U K and in the U S A Until fairly recently culture criticism on both sides of the Atlantic has been dominated by the cultural apparatus of the New Right Sinfield's energetic and courageous intervention helps to break the silence of dissident communities and it is therefore a welcome rejoinder to the neo conservative chorus Michael D Bristol author of Shakespeare's America America's Shakespeare Drama and the Sacraments in Sixteenth-Century England D. Coleman,2007-10-11 This is the first book length study of the relationship between early modern drama and sacramental ritual and theology It examines dramatic forms such as morality plays Offering new insights into the religious practices on which early modern subjectivity is founded Coleman offers radical new ways of reading canonical Renaissance plays Christopher Marlowe Millar MacLure,2020-10-28 This book begins with the malignant taunts of Robert Greene and the adulatory remarks of Christopher Marlowe's friends and literary associates and ends with the abrasive comments of the younger G B Shaw and the rhapsodies of Swinburne *Christopher Marlowe's Doctor Faustus* Harold Bloom,1988 A collection of seven critical essays on Marlowe's drama arranged in chronological order of their original publication
