Broyde, 2001 One of the most vexing problems to confront American Orthodox Jewry is where a wife is abandoned by her husband who refuses to give her a Jewish divorce This work seeks to explain the agunah problem in the United States It notes that the contemporary agunah problem in America is radically different than that of contemporary Israel and completely different than the talmudic agunah problem The thesis of this book is that the agunah problem in contemporary America is part of a more general dispute in classical Jewish law as to when marriage should end Thus this book surveys how Jewish law seeks to respond to the consent of the other party or without a finding of fault It concludes by noting that prenuptial agreements can successfully address the agunah problem in the United States since they provide a way for couples to create an image of marriage and divorce by which they can agree to live

Michael J Broyde is an Associate Professor of Law at Emory University and the Academic Director of Law and Religion Program at Emory University He is a member dayan in the Beth Din of America and was the director of that Beth Din while on sabbatical from Emory In addition he is the founding rabbi of the Young Israel synagogue in Atlanta Professor Broyde is the author of *The Pursuit of Justice in Jewish Law* and co author of *Human Rights in Judaism* Amazon com

The Jewish Marriage Contract Louis M. Epstein,2015-09-03 A cogent and compelling examination of the history and significance of the Jewish marriage contract the Ketubah with extensive notes in Hebrew and English Originally published New York Jewish Theological Seminary 1927 xvii 316 pp As Epstein notes in the preface the Ketubah offers an excellent introduction to the character of Jewish marriage because it is not a sentimental rhetorical or subjective text Instead it is a legal document embodying the essential points agreed upon by the parties and sanctioned by the law as to the manner of their living together as husband and wife 2 This work will interest those concerned with property rights family divorce and the evolution of betrothal and marriage It constitutes within itself a combination of civil and ceremonial law it mirrors Judaism in its inner rather than outer relations and more than any section of the law it has defined the ravages of time and hostile conditions remaining inviolable and fully valid to the day Preface VIII Louis M Epstein 1887 1949 was among the most distinguished scholars in the Conservative movement and was the rabbi at Congregation Kehillath Israel in Brookline Massachusetts from 1925 1947 He was born in Lithuania and received his undergraduate degree at Columbia University and his rabbinical diploma from the Jewish Theological Seminary of America in 1913 He is the author of *Marriage Laws in the Bible and the Talmud* 1942 and *Sex Laws and Customs in Judaism* 1948
