

A close-up photograph of two hands, likely belonging to a couple, holding each other. The hands are positioned with the fingers interlaced. On the ring finger of each hand, there is a small, black ink tattoo of an anchor. The person on the right is wearing a black wristwatch. The background is a soft, out-of-focus landscape with green and yellow tones, suggesting a natural setting like a park or beach. The overall mood is romantic and intimate.

WAYS TO MAKE YOUR MARRAIGE

An Equal Partnership

Marriage As Equal Partnership

Alison Diduck, Felicity Kaganas

Marriage As Equal Partnership:

Marriage As Equal Partnership Dwight Hervey Small,1980-02 **Equal Partners - Good Friends** Claire Rabin,2002-09-11 Examines connection between inequality in marriage and marital distress drawing on extensive research and interviews Focusing on issues of gender sex roles and power Rabin provides a new clinical treatment model for couple therapists *Equal Partners - Good Friends* Claire Rabin,2002-09-11 Marriage as an equal partnership is the goal of many couples in the western world today and yet equality is often limited by the ways that power and gender interact in the relationship leading to dissatisfaction and ultimately the break up of the marriage In *Equal Partners Good Friends* Claire Rabin examines the connection between inequality in marriage and marital distress Drawing on extensive research and personal interviews in the UK USA and Israel she stresses the role of friendship in establishing a truly equal relationship Focusing on issues of gender sex roles and power she provides a new clinical treatment model for therapists working with couples which is much needed in today's climate of change *Equal Partners* Kate Mangino,2022-06-28 An inspiring and inclusive guide for rethinking and reworking household gender roles Booklist starred review This book is a beautiful engaging way to look at the modern family and Mangino works to dismantle gendered assumptions and replace them with structured decision making examples and case studies A must read Eve Rodsky author of *Fair Play* From gender expert and professional facilitator Kate Mangino comes *Equal Partners* an informed guide about how we can all collectively work to undo harmful gender norms and create greater household equity As American society shut down due to Covid millions of women had to leave their jobs to take on full time childcare As the country opens back up women continue to struggle to balance the demands of work and home life Kate Mangino a professional facilitator for twenty years has written a comprehensive practical guide for readers and their partners about gender norms and household balance Yes part of our gender problem is structural and that requires policy change But much of our gender problem is social and that requires us to change Quickly moving from diagnosis to solution *Equal Partners* focuses on what we can do everyday people living busy lives to rewrite gender norms to support a balanced homelife so both partners have equal time for work family and self Mangino adopts an interactive model posing questions and asking readers to assess their situations through guided lists and talking points *Equal Partners* is broad in its definition of gender and gender roles This is a book for all straight gay trans and non binary parents and grandparents and friends with the goal to help foster gender equality in readers homes with their partners family and wider community *Federal Probation...* ,1953 **Women's Rights in the USA** Dorothy E. McBride,Janine A. Parry,2014-06-11 In *Women's Rights in the USA* Fourth Edition Dorothy E McBride again examines the policy debates critical to women in politics Tracing the development of these debates over time in order to illustrate their historical context McBride shows how these issues have evolved and how they have led to the policies and laws of today She also examines the evolving attitudes of the feminists and advocacy groups behind these debates as they grapple with the tensions between the

themes of equality and sex difference as they relate to women's rights. The book also looks at women's place in shaping the policies, statutes, and laws from liberal activists to policy insiders and how those roles shape the debates and issues that move forward today. In a broader context, by following these debates as they move through government institutions to become policies and laws, this book shows students the law-making process through issues that directly affect their lives. Of crucial significance is the acknowledgement that these debates do not end when court decisions, policies, and laws are made but continue on to foster further movements, viewpoints, and political change. This fourth edition features updates on the most vital issues concerning women's rights today: constitutional equality, reproduction, education, family work, work-family regulation, and intimidation of sexuality and economic status.

Quiet Revolutionaries Sharon Thompson, 2022-09-08. This book tells the untold story of the Married Women's Association. Unlike more conventional histories of family law which focus on legal actors, it highlights the little-known yet indispensable work of a dedicated group of life-long activists. Formed in 1938, the Married Women's Association took reform of family property law as its chief focus. The name is deceptively innocuous, suggesting tea parties and charity fundraisers, but in fact the MWA was often involved in dramatic confrontations with politicians, civil servants, and Law Commissioners. The Association boasted powerful public figures including MP Edith Summerskill, authors Vera Brittain and Dora Russell, and barrister Helena Normanton. They campaigned on matters that are still being debated in family law today. *Quiet Revolutionaries* sheds new light upon legal reform then and now by challenging longstanding assumptions, showing that piecemeal legislation can be an effective stepping stone to comprehensive reform, and highlighting how unsuccessful bills, though often now forgotten, can still be important triggers for change. Drawing upon interviews with members, friends, and family, and thousands of archival documents, the book is compulsory reading for lawyers, legal historians, and anyone who wishes to explore histories of law reform from the ground up. Winner of the SLSA Socio-Legal Theory and History Book Prize 2023. To listen to podcast episodes about the Married Women's Association featuring interviews and archival research, visit quietrevolutionaries.podbean.com.

Routledge Library Editions: Feminist Theory Various, 2021-08-07. Routledge Library Editions: Feminist Theory brings together as one set or individual volumes a series of previously out-of-print classics from a variety of academic imprints. With titles ranging from *The Liberation of Women* to *Feminists and State Welfare*, from *Married to the Job* to *Julia Kristeva*, this set provides in one place a wealth of important reference sources from the diverse field of gender studies.

Discovering Biblical Equality Ronald W. Pierce, Rebecca Merrill Groothuis, Gordon D. Fee, 2005-07-25. Ronald W. Pierce and Rebecca Merrill Groothuis, general editors, with the aid of Gordon D. Fee, contributing editor, assemble a distinguished array of twenty-six evangelical scholars firmly committed to the authority of Scripture who offer a fresh, positive, up-to-date defense of biblical equality.

Family Law, Gender and the State Alison Diduck, Felicity Kaganas, 2012-02-07. The third edition of this work on family law, comprising text, cases, and materials, provides not only an explication of legal principle but also explores primarily from a feminist perspective some of the

assumptions about and constructions of gender sexual orientation class and culture that underlie the law It examines the ideology of the family and in particular the role of the law in contributing to and reproducing that ideology Structured around the themes of equality welfare and family privacy the book aims to offer the benefits of a textbook while also giving students a wide ranging set of materials for classroom discussion As well as providing a firm grounding in family law the text sets the law in its social and historical context and encourages a critical approach by students to the subject It provides an ideal introduction to family law for undergraduates but will be equally helpful for postgraduate students of family law for whom it provides a challenging selection of materials set within a theoretical framework rich in ideas and arguments Review of the second edition Diduck and Kaganas examine legal developments to shed light on society principally by investigating the ways in which family law constructs and regulates family life and responsibilities Theirs is an important and ambitious book that aims ultimately at a feminist restatement of family law T he book is written and referenced in such depth that it is a useful resource for legal as well as social science researchers at all levels whether looking for theoretical inspiration or drawing up a literature review The range of diverse sources that Diduck and Kaganas draw on is impressive they seem to have included every bit of material that helps feminists make sense of family law There is a well pitched selection of further reading of such material at the end of each chapter What s more they undersell themselves by describing their book as Text Cases and Materials because they have woven by far the largest proportion of the cases and materials into the text Helen Reece Times Higher Education May 2007 Reviews of first edition A stimulating work which attempts to situate family law in its social historical and political context Its appeal should not be confined to family law students as its commitment to a critical and analytical approach offers insights and ideas with broader significance Mary Childs Child and Family Law Quarterly September 2002 The arguments are provocative the analysis is stimulating and the materials amassed strongly support the authors aim to question the axiomatic status of what is traditionally designated as the family Fiona E Raitt Infant and Child Development September 2002 It is not often that one can say of a textbook in Law that it makes interesting reading with quite the enthusiasm that can be expressed for this text This new publication offers something that few textbooks seem to offer a book you CAN open up virtually anywhere and find an interesting piece on almost any aspect of the broad family law spectrum Penny Booth The Law Teacher September 2002 All the major themes in feminist and constructionist perspectives in family law are presented together with a wealth of readings and extensive references As a teaching manual it is excellent a coherent feminist perspective across the entire range of family law Marty Slaughter Feminist Legal Studies July 2003 The Foundations of Vulnerability Theory Jennifer Hickey, 2023-11-03 This volume is the first collection of Martha Albertson Fineman s most important and influential work Feminist legal theorist Martha Albertson Fineman has spent decades pushing the boundaries of law questioning and reconceptualizing legal and social definitions of family dependency vulnerability and state responsibility The pieces collected in this book trace the arc of Fineman s scholarship from gender equality to the role

of the family as a social institution to dependency to autonomy to the legal subject and vulnerability theory This book reflects a lifetime of radical reimagining of the relationship between the state individuals families and other social institutions that is just as relevant today if not more so In this book Fineman offers a foundation for the achievement of true social justice through the centering of our shared human vulnerability and dependency grounded in the recognition of the ontological body and its material needs Arranged in sections and introduced by leading scholars in the field these pieces ask us to re examine our legally enshrined commitment to formal equality and the mythological autonomous independent legal subject recognizing instead that we must call for an active and responsive state that meaningfully provides resilience through its social institutions This collection demonstrates an evolution of heretical thought that has always pressed for a deeper understanding of the foundations of law and society offering a model for other scholars on how to keep pressing through the hard work of thinking and rethinking the conceptual basics of language law society and justice This book will appeal to academics policymakers lawyers activists and students in law and politics theory with interests in law and society human dependency and vulnerability state responsibility and feminism and the family as well as others who have applied Fineman s vulnerability theory to issues in the fields of bioethics artificial intelligence and policing to name just a few *Family Law* Sonia Harris-Short, Joanna Miles, Rob George, Robert Henry George, 2015 *Family Law Text Cases and Materials* presents everything the undergraduate student needs in one volume The authors offer a detailed and authoritative exposition of family law illustrated by materials carefully selected from a wide range of sources **Obligation and Commitment in Family Law** Gillian Douglas, 2018-04-19 A tension lies at the heart of family law Expressed in the language of rights and duties it seeks to impose enforceable obligations on individuals linked to each other by ties that are usually regarded as based on love or blood Taking a contextual approach that draws on history sociology and social policy as well as law and legal theory this book examines the concept of obligation as it has been developed in family law and the difficulties the law has had in translating it from a theoretical and ideological concept into the basis of enforceable actions and duties Increasingly the idea of commitment has been offered as the key organising principle for the recognition of family relationships often as a means of rebutting claims that family ties are becoming attenuated but the meaning and scope of this concept have not been explored The book traces how the notion of commitment is understood and how far it has come to be used as a rationale for imposing the core legal obligations which underpin care and caring within families **Families and Law** Lisa J. McIntyre, Marvin B. Sussman, 1995 The family and the law with its attendant legal systems share a pervasive connectedness With this new volume family practitioners and scholars can begin to increase the family s position in relation to the law and legal system The contributing authors bring to light the power of laws and the ways to influence them for the benefit of the family *Lifespan Development* Michele Hoffnung, Robert J. Hoffnung, Kelvin L. Seifert, Alison Hine, Lynn Ward, Cat Pause, Karen Swabey, Karen Yates, Rosanne Burton Smith, 2015-09-28 *Lifespan Development* Third Australasian edition explores human physical cognitive

and social development within an Australian and New Zealand context Building on the successful first and second editions the resource s comprehensive theory coverage includes the latest local and international research in this ever evolving field and is perfectly complemented by numerous physical and mental health applications within local psychological allied health and educational settings This edition includes enhanced coverage of developmental theories and increased integrated coverage of cross cultural and Indigenous issues unique to the multicultural societies of Australia and New Zealand It is an ideal resource offering for undergraduate students in both countries in order to enhance understanding of human development from conception through to the end of life

Six Point Group: Papers Relating to Equal Partnership in Marriage ,2018 Fix A Nigga Fix A Bitch Damont L. Diggs,2019-05-31 This book is about love marriage and God

understanding what it takes to have a great relationship **The Place of Families** Linda C. McClain,2006-01-03 Arguing that family life helps create the virtues and character required for citizenship McClain shows that the connection between family self government and democratic self government does not require the deep laid gender inequality that has historically accompanied it

At the Boundaries of Law Martha Fineman,Nancy Sweet Thomadsen,2012 Annotation Feminists have recently begun to challenge the powerful influence of the law on the social and cultural construction of women s roles identities and rights This timely work provides a series of non technical interdisciplinary explorations into the nature and effects of legal regulation on women s lives

At the Boundaries of Law (RLE Feminist Theory) Martha Albertson Fineman,Nancy Sweet Thomadsen,2013-05-20 Feminists have recently begun to challenge the powerful influence of the law on the social and cultural construction of women s roles identities and rights At the Boundaries of Law is a timely and path breaking work that provides a series of non technical interdisciplinary explorations into the nature and effects of legal regulation on women s lives Together the essays examine the fertile and radically revisionary links between feminism and legal theory But At the Boundaries of Law rejects the abstract grand theorizing of traditional feminist legal theory focusing instead on the concrete and material implications of the legal injustices endured by women These essays emphasise the complex diversity of female experience collectively arguing for legal theory and practice that both recognises and accommodates the concept of difference in gender class race and sexual orientation At the Boundaries of Law also raises provocative questions about the methodology and future of feminist legal theory itself In its rich variety of issues and approaches this volume will command the interest not only of legal theorists but of those interested in women s studies philosophy politics sociology and history It is sure to set the future agenda for scholars policymakers and anyone concerned with the role of law in society
