The Marriage Builder Larry Crabb, 2009-08-08 Psychologist Larry Crabb cuts to the heart of the biblical view of marriage the one flesh relationship He argues convincingly that the deepest needs of human personality security and significance ultimately cannot be satisfied by a marriage partner We need to turn to the Lord rather than our spouse to satisfy our needs This frees both partners for soul oneness a commitment to minister to our spouse s needs rather than manipulating them to meet our own needs With soul oneness comes renewed body oneness where couples enjoy sexual pleasure as an expression and outgrowth of a personal relationship The Marriage Builder also identifies three building blocks essential to constructing marriage the grace of God true marriage commitment and acceptance of one s mate Now for the first time discussion questions have been added to aid couples who want to come to deeper understanding of marriage Helpful to counselors and laypersons alike The Marriage Builder is for anyone who longs to transform marriage from trial to triumph

Finding God Larry Crabb, 2010-06-01 In today's psychological culture we have become a people more concerned with solving our problems than finding God Suffer low self esteem Get counseling Unfulfilled in life Join a recovery group But solving problems is not the point argues Dr Larry Crabb In fact whenever we place a higher priority on solving our problems than on pursuing God we are being immoral Dr Crabb demonstrates that our deepest problem and worst sin is doubting God When we doubt God's goodness when we think that God cannot be trusted with the things that matter most we will quietly but with tight lipped resolve take over responsibility for our own well being with disastrous results In his most compelling book since Inside Out Dr Crabb upsets the cozy Christianity of the modern believer He reveals anew God's top priority not our comfort and gratification but His glory
