Marriage Family And Law In Medieval Europe Collected Studies:

Marriage, Family, and Law in Medieval Europe Michael M. Sheehan, 1997-01-01 A collection of essays by Michael Sheehan whose work and interpretation on medieval property marriage family sexuality and law has inspired scholars for 40 years

Marriage in Medieval England Conor McCarthy, 2004 A survey of attitudes to marriage as represented in medieval legal and literary texts

A Cultural History of Marriage in the Medieval Age Joanne M. Ferraro, Frederik Pedersen, 2021-11-18 Marriage in Europe became a central pillar of society during the medieval period Theologians lawyers and secular and church leaders agreed on a unique outline of the institution and its legal framework the essential features of which remained in force until the 1980s The medieval Western European definition of marriage was unique before the legal consequences of marriage came into being the parties had to promise to engage in sexual union only with one partner and to remain in the marriage until one of the parties died This requirement had profound implications for inheritance rules and for the organization of the family economy it was explained and justified in a multitude of theological discussions and legal decisions across all faiths on the European continent Normative texts built on the foundations of the scriptures of several religious traditions provided an impressive intellectual framework around marriage In addition developments in iconography including sculpture and painting projected the dominant model of marriage while social demographic and cultural changes encouraged its adoption This volume traces the medieval discussion of marriage in practice law theology and iconography It provides an examination of the wider political and economic context of marriage and offers an overview of the ebb and flow of society's ideas about how expressions of human sexuality fit within the confines of a clearly defined social structure and ideology A Cultural History of Marriage in the Medieval Age presents an overview of the period with essays on Courtship and Ritual Religion State and Law Kinship and Social Networks the Family Economy Love and Sex the Breaking of Vows and Representations of Marriage

Law as Profession and Practice in Medieval Europe Ms Melodie Harris Eichbauer, Professor Kenneth Pennington, 2013-07-28 This volume brings together papers by a group of scholars distinguished in their own right in honour of James Brundage The essays are organised into four sections each corresponding to an important focus of Brundage's scholarly work The first section explores the connection between the development of medieval legal and constitutional thought Thomas Izbicki Kenneth Pennington and Charles Reid Jr explore various aspects of the jurisprudence of the *Ius commune* while James Powell Michael Gervers and Nicole Hamonic Olivia Robinson and Elizabeth Makowski examine how that jurisprudence was applied to various medieval institutions Brian Tierney and James Muldoon conclude this section by demonstrating two important points modern ideas of consent in the political sphere and fundamental principles of international law attributed to sixteenth century jurists like Hugo Grotius have deep roots in medieval jurisprudential thought Patrick Zutshi R H Helmholz Peter Landau Marjorie Chibnall and Edward Peters have written essays that augment Brundage's work on the growth of the legal profession and how traces of a legal education

began to emerge in many diverse arenas The influence of legal thinking on marriage and sexuality was another aspect of Brundage s broad interests In the third section Richard Kay Charles Donahue Jr and Glenn Olsen explore the intersection of law and marriage and the interplay of legal thought on a central institution of Christian society The contributions of Jonathan Riley Smith and Robert Somerville in the fourth section round out the volume and are devoted to Brundage s path breaking work on medieval law and the crusading movement The volume also includes a comprehensive bibliography of Brundage s work

Women's History in Global Perspective Bonnie G. Smith, 2004 This second volume is concerned with issues that have shaped the history of women in particular places and during particular eras It examines women in ancient civilisations including women in China Japan and Korea women and gender in South Asia and Latin America medieval women and the history of women in the US until 1865

The History of Courts and Procedure in Medieval Canon Law Wilfried Hartmann, Kenneth Pennington, 2016-09-09 By the end of the thirteenth century court procedure in continental Europe in secular and ecclesiastical courts shared many characteristics As the academic jurists of the *Ius commune* began to excavate the norms of procedure from Justinian s great codification of law and then to expound them in the classroom and in their writings they shaped the structure of ecclesiastical courts and secular courts as well These essays also illuminate striking differences in the sources that we find in different parts of Europe In northern Europe the archives are rich but do not always provide the details we need to understand a particular case In Italy and Southern France the documentation is more detailed than in other parts of Europe but here too the historical records do not answer every question we might pose to them In Spain detailed documentation is strangely lacking if not altogether absent Iberian conciliar canons and tracts on procedure tell us much about practice in Spanish courts As these essays demonstrate scholars who want to peer into the medieval courtroom must also read letters papal decretals chronicles conciliar canons and consilia to provide a nuanced and complete picture of what happened in medieval trials This volume will give sophisticated guidance to all readers with an interest in European law and courts

Women in Thirteenth-century Lincolnshire Louise J. Wilkinson, 2015 Written by Louise J Wilkinson this book offers a regional study of women in 13th century England making pioneering use of charters chronicles government records some of the earliest manorial court rolls to examine the interaction of gender status life cycle in shaping women s experiences in Lincolnshire

Rape Culture and Female Resistance in Late Medieval Literature Sarah Baechle, Carissa M. Harris, Elizaveta Strakhov, 2022-05-03 Centering on the difficult and important subject of medieval rape culture this book brings Middle English and Scots texts into conversation with contemporary discourses on sexual assault and the MeToo movement The book explores the topic in the late medieval lyric genre known as the *pastourelle* and in related literary works including chivalric romance devotional lyric saints lives and the works of major authors such as Margery Kempe and William Dunbar By engaging issues that are important to feminist activism today the gray areas of sexual consent the enduring myth of false rape allegations and the emancipatory potential of writing about survival this

volume demonstrates how the radical terms of the pastourelle might reshape our own thinking about consent agency and survivors speech and help uncover cultural scripts for talking about sexual violence today In addition to embodying the possibilities of medievalist feminist criticism after MeToo Rape Culture and Female Resistance in Late Medieval Literature includes an edition of sixteen Middle English and Middle Scots pastourelles The poems are presented in a critical framework specifically tailored to the undergraduate classroom Along with the editors the contributors to this volume include Lucy M Allen Goss Suzanne M Edwards Mary C Flannery Katharine W Jager Scott David Miller Elizabeth Robertson Courtney E Rydel and Amy N Vines *Routledge Revivals: Women and Gender in Medieval Europe (2006)* Margaret Schaus, 2017-07-12 First published in 2006 Women and Gender in Medieval Europe examines the daily reality of medieval women from all walks of life in Europe between 450 CE and 1500 CE This reference work provides a comprehensive understanding of many aspects of medieval women and gender such as art economics law literature sexuality politics philosophy and religion as well as the daily lives of ordinary women Masculinity in the middle ages is also addressed to provide important context for understanding women s roles Additional up to date bibliographies have been included for the 2016 reprint Written by renowned international scholars and easily accessible in an A to Z format students researchers and scholars will find this outstanding reference work to be a valuable resource on women in Medieval Europe The Routledge History of Medieval Christianity R. N. Swanson, 2015-04-10 The Routledge History of Medieval Christianity explores the role of Christianity in European society from the middle of the eleventh century until the dawning of the Reformation Arranged in four thematic sections and comprising 23 originally commissioned chapters plus introductory overviews to each part by the editor this book provides an authoritative survey of a vital element of medieval history Comprehensive and cohesive the volume provides a holistic view of Christianity in medieval Europe examining not only the church itself but also its role in influence on and tensions with contemporary society Chapters therefore range from examinations of structures theology and devotional practices within the church to topics such as gender violence and holy warfare the economy morality culture and many more besides demonstrating the pervasiveness and importance of the church and Christianity in the medieval world Despite the transition into an increasingly post Christian age the historic role of Christianity in the development of Europe remains essential to the understanding of European history particularly in the medieval period This collection will be essential reading for students and scholars of medieval studies across a broad range of disciplines Telling Tales Joel T. Rosenthal, 2010-11-01 In Telling Tales Joel Rosenthal takes us on a journey through some familiar sources from fourteenth and fifteenth century England to show how memories and recollections can be used to build a compelling portrait of daily life in the late Middle Ages Women, Identities and Communities in Early Modern Europe Stephanie Tarbin, Susan Broomhall, 2016-12-05 Addressing a key challenge facing feminist scholars today this volume explores the tensions between shared gender identity and the myriad social differences structuring women s lives By examining historical experiences of

early modern women the authors of these essays consider the possibilities for commonalities and the forces dividing women. They analyse individual and collective identities of early modern women tracing the web of power relations emerging from women's social interactions and contemporary understandings of femininity. Essays range from the late medieval period to the eighteenth century study women in England France Germany Ireland Italy and Sweden and locate women in a variety of social environments from household neighbourhood and parish to city court and nation. Despite differing local contexts the volume highlights continuities in women's experiences and the gendering of power relations across the early modern world. Recognizing the critical power of gender to structure identities and experiences this collection responds to the challenge of the complexity of early modern women's lives. In paying attention to the contexts in which women identified with other women or were seen by others to identify contributors add new depth to our understanding of early modern women's senses of exclusion and belonging.

Daily Life of Women in Chaucer's England Jennifer C. Edwards, 2022-04-08 Providing an indispensable resource for students and scholars studying the history of medieval women and gender this book provides a comprehensive depiction of women's lives in the 14th and 15th centuries. The late medieval period in England was one rich with opportunities for women who played fundamental roles in family businesses as well as in the peasant community and economy and who wrote letters created autobiographies and documented their spiritual journeys. Their lives fit into a pattern of seasonal celebrations and rituals shaped for the majority of women by work marriage and motherhood. The text further considers status distinctions then shifts to experiences that affected all women such as the ritual year disease food and drink sex or celibacy and religion. By providing an overview of the history of English women and gender in the 14th and 15th centuries the book provides a background suitable for students as well as for academics beginning work in this field.

The Language of Abuse Sara Butler, 2007-03-31 The Language of Abuse provides the first comprehensive examination of marital violence in later medieval England. Drawing from a wide variety of legal and literary sources this book develops a nuanced perspective of the acceptability of marital violence at a time when social expectations of gender and marriage were in transition. As such Butler's work contributes to current debates concerning the role of the jury levels of violence in late medieval England the power relationship within marriage and the position of women in medieval society.

Women and Gender in Medieval Europe Margaret C. Schaus, 2006-09-20 From women's medicine and the writings of Christine de Pizan to the lives of market and tradeswomen and the idealization of virginity gender and social status dictated all aspects of women's lives during the middle ages. A cross disciplinary resource Women and Gender in Medieval Europe examines the daily reality of medieval women from all walks of life in Europe between 450 CE and 1500 CE i.e. from the fall of the Roman Empire to the discovery of the Americas. Moving beyond biographies of famous noble women of the middle ages the scope of this important reference work is vast and provides a comprehensive understanding of medieval women's lives and experiences. Masculinity in the middle ages is also addressed to provide important context for understanding women's roles.

Entries that range from 250 words to 4 500 words in length thoroughly explore topics in the following areas Art and Architecture Countries Realms and Regions Daily Life Documentary Sources Economics Education and Learning Gender and Sexuality Historiography Law Literature Medicine and Science Music and Dance Persons Philosophy Politics Political Figures Religion and Theology Religious Figures Social Organization and Status Written by renowned international scholars Women and Gender in Medieval Europe is the latest in the Routledge Encyclopedias of the Middle Ages Easily accessible in an A to Z format students researchers and scholars will find this outstanding reference work to be an invaluable resource on women in Medieval Europe

Geoffrey Chaucer in Context Ian Johnson,2019-07-11 Provides a rich and varied reference resource illuminating the different contexts for Chaucer and his work

Nurture and Neglect: Childhood in Sixteenth-Century Northern England Loretta A. Dolan,2016-10-04 Nurture and Neglect Childhood in Sixteenth Century Northern England addresses a number of anomalies in the existing historiography surrounding the experience of children in urban and rural communities in sixteenth century northern England In contrast to much recent scholarship that has focused on affective parent child relationships this study directly engages with the question of what sixteenth century society actually constituted as nurture and neglect Whilst many modern historians consider affection and love essential for nurture contemporary ideas of good nurture were consistently framed in terms designed to instil obedience and deference to authority in the child with the best environment in which to do this being the authoritative patriarchal household Using ecclesiastical and secular legal records to form its basis hitherto an untapped resource for children s voices this book tackles important omissions in the historiography including the regional imbalance which has largely ignored the north of England and generalised about the experiences of the whole of the country using only sources from the south and the adult centred nature of the debate in which historians have typically portrayed the child as having little or no say in their own care and upbringing Nurture and Neglect will be of particular interest to scholars studying the history of childhood and the social history of England in the sixteenth century

Stolen Women in Medieval England Caroline Dunn,2013 The first comprehensive exploration of women s multifaceted experiences of forced and consensual ravishment in medieval England

Marriage on Trial Ludwig Schmugge,2012 This work vividly describes many of the individual cases and offers new insight into the social and legal pressures on marriage in the Middle Ages

The Making of Urban Customary Law in Medieval and Reformation England Esther Liberman Cuenca,2025-02-27 Drawing on a quantitative analysis of hundreds of printed and archival sources from 77 towns The Making of Urban Customary Law in Medieval England is the first cross regional investigation into the history of urban customs since Mary Bateson s seminal two volume work Borough Customs 1904 1906 In contrast to English common law and church law which both had long institutional and academic traditions devoted to training men in their legal philosophies customary law constituted local practices that acquired the force of law over time Urban customary law regulated political officeholding trade property holding and even moral behaviour in English towns The Making of Urban

Customary Law argues that urban customs which governed the lives of people in English towns were crucial to the development of a distinct bourgeois identity in England an evolution that this new study tracks from the early twelfth to the late sixteenth centuries In the years following the Black Death and especially during the Reformation period this law became more concerned with defining political authority maintaining morality and articulating a consensus about the common good for townspeople This book makes two principal claims First customary law advanced the business interests of an urban oligarchy These were urban male elites who drafted laws and obtained privileges to enhance their wealth and assert their political independence from local lords and often made claims about the legitimacy of their privileges or laws by rooted them in history or some kind of ancestral past These lawmakers also made considerable efforts to establish their identities as morally upright and even handed patriarchs In so doing urban customary law played a central role in the development of a distinct bourgeois identity in medieval and Reformation England Second this law lent particular meanings to the common good in towns as it helped these lawmakers articulate policies that cohered to their vision of an ideal civic community

Reviewing **Marriage Family And Law In Medieval Europe Collected Studies**: Unlocking the Spellbinding Force of Linguistics

In a fast-paced world fueled by information and interconnectivity, the spellbinding force of linguistics has acquired newfound prominence. Marriage Family And Law In Medieval Europe Collected Studies Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Marriage Family And Law In Medieval Europe Collected Studies PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books

and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Marriage Family And Law In Medieval Europe Collected Studies PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Marriage Family And Law In Medieval Europe Collected Studies free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Marriage Family And Law In Medieval Europe Collected Studies Books

1. Where can I buy Marriage Family And Law In Medieval Europe Collected Studies books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
