[Forthcoming Books](#) Rose Army,2002-04 **Online with God** C. Philip Chacko,2021-11-02 Theologically brilliant and astute I highly recommend this persuasive biblical and scholarly treatment on the work of the triune God in the world Dr Saphir Athyal Director of Faith Development World Vision International We often hear of God described as the Trinity the Father Son and Holy Spirit Dr Philip Chacko points out these three entities as the sides of a triangle perfectly balanced around a center of love and peace As God made humans in his image it only makes sense that humans themselves are made up of triangles as well Dr Chacko theorizes that each of us holds four different triangles at our core each concerned with a different element of our inner being But as humans our triangles are not perfectly balanced like that of God but He is the one and only power whose force can balance our triangles into true harmony In Online with God Dr Chacko explores how each of

our inner triangles is wired describes how we can discover them for ourselves and explains the true value of connecting with God in order to do so Through this connection with God we reach deeper understanding of the self achieve balance and empower ourselves to be all that we have the potential to be With Dr Chacko s vast knowledge of scripture and included forty day devotional plan for further biblical understanding Online with God stands as a thorough guide to connecting with the Creator finding inner peace and empowering the self for all that is to come Offers a succinct description of spirit and soul mind and body and the relationship of these to the triangle of the Holy Trinity Rev Dr Tamara Nichols Rodenberg President Bethany College

Walton,2021-12-08 In our modern selfie and soundbite society so many of us struggle with connection and self acceptance We rely on our keyboards and screens and masks that hide who we really are even from ourselves Rather than having character we become characters Rather than being grateful for what we have we feel entitled to all of it and more With this mindset it is easy to fool ourselves into thinking that we are fine the way we are and that they are the problem abdicating any responsibility for our failures or failings and remaining stuck in situations and circumstances that hurt ourselves and everyone around us Whether we re facing the rock bottom of homelessness and drug addiction or simply strained relationships with friends and loved ones an examination of our self defeating beliefs and habits can make a world of difference The Spiritual Life Finding Freedom From Homelessness Hunger
