

A romantic image featuring the silhouettes of a man and a woman holding hands, standing on a beach and looking out at the ocean during a golden sunset. The sun is a bright, glowing orb in the upper left, casting a warm, orange light across the sky and water. The couple's figures are dark against the bright background, creating a strong contrast. The overall mood is peaceful and intimate.

*Everlasting Love in Relationships* Felix O. Jeremiah, 2013-08-13 Marriage is an honorable and sacred covenant relationship in which every individual should want to be. God's foundation for marriage is intended to be a permanent union. In this present world, permanency is overruled by constant changes in law, morals, fashion, and particularly hearts and minds. Individuals who want only to be married become only individuals who want to be on their own or with someone else. Marriages intended to be built on the foundation of love become marriages of trial by error tactics. What has gone wrong? Why has a relationship intended by God to be good been made evil? What has brought an end to the love and the joyful life between men and women? The problem is you and me; we have forgotten our divine origin and debased our behaviors to the level of animals or lower. We no longer follow divine will and laws. We have with our own hands put a knife into the cord that binds human beings together in love. As a result, the fabric of moral decency and spiritual inclination has fallen apart. Men and women must rediscover their individual relationship with God and God's role in their relationship with each other. Re-discover that your marriage and love relationship is intended to be the most precious and enjoyable union to ever exist on earth. Obedience, submission, and open communication shine brightly in a union founded on real love. This book will open your eyes to the splendor and beauty of marriage by teaching how to build a strong foundation and how to restore love and confidence in that relationship. Discover real treasure in the advice to be found in *How to Build a Stimulating and Everlasting Love in Relationships*. **The God Within Speaks** Hazel Sinanan, 2013-09 *The God Within Speaks* is intended to inspire others to take inward steps through intent, desire, and action to allow their higher selves to work and live through them in order to facilitate higher consciousness which will open them up to the flow of the Mighty Source. As the author unites her mind with that of her higher self, allows her higher self to think with and through her, and surrenders to the insights of her higher mind, wisdom flows. The result is inspired thinking that manifests in wisdom teachings aimed at opening up the minds of the readers to contemplate new perspectives and act as a catalyst for truth seeking. **Love's Comedy** Henrik Ibsen, 2019-11-26 *Love's Comedy* by Henrik Ibsen translated by C. H. Herford. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics, literary fiction, and non-fiction to forgotten or yet undiscovered gems of world literature, we issue the books that need to be read. Levine, 2013-05-13 Intended primarily for mental health professionals, *Demystifying Love* deals plainly with topics rarely written about for clinicians. The book discusses in a small package highly readable and useful topics such as love as both noun and verb, psychological intimacy, sexual desire, as well as infidelity, both in background concepts and clinical guidelines. As the book shows, love is the logical point of departure for a clinical understanding of sexuality and its problems. It is the most conventional framework for understanding sexual behaviors, the one that is broadly endorsed across many cultures, often as the ideal context for sexual expression. The book integrates an

analysis of love in patients dealing with intimacy sexual desire infidelity forgiveness and reconciliation Detailed with compelling case studies the author s skill as a therapist comes through in the discussion of these topics many of which are at the heart of numerous couple problems In creating this illuminating work for mental health professionals Dr Levine may have underestimated its appeal Dr Levine s ability to shed light on our internal processes as we love and attempt to be loved throughout life may prove to be of interest to a far broader audience
