Heroic Hearts Jennifer J. Popiel,2021-06 Heroic Hearts Sentiment Saints and Authority in Modern France examines how young women authorized by a widespread cultural discourse that privileged public action over love and marriage sought to change the world **The Wholehearted Marriage** Greg Smalley,Shawn Stoevers,2009-06-02 The Wholehearted Marriage offers practical tools for helping couples keep a passionate connection with one another and understand the role their hearts play in their lives Drs Smalley and Stoevers maintain that circumstances such as busy lifestyles differences between spouses personal baggage the loss of a loved one childhood trauma etc trigger reactions that condition us to close up our hearts for protection blocking the flow of love A disengaged protected heart makes it impossible to experience an intimate connected marriage As a result couples drift apart trying to find some version of contentment or they give up altogether and look for

love somewhere else Through their experiences in marriage counseling Drs Smalley and Stoeber discovered that the commonly heard phrase I don't love him/her anymore is merely a camouflaged misunderstanding about what true love is and God's design for it They affirm that love is more than just a feeling and that to have true lasting intimacy couples need to learn to love wholeheartedly
