Transnational Marriage and Partner Migration Anne-Marie D'Aoust, 2022-02-11 This multidisciplinary collection investigates the ways in which marriage and partner migration processes have become the object of state scrutiny and the site of sustained political interventions in several states around the world Covering cases as varied as the United States Canada Japan Iran France Belgium or the Netherlands among others contributors reveal how marriage and partner migration have become battlegrounds for political participation control and exclusion Which forms of attachments towards the family the nation or specific individuals have become framed as risks to be managed How do such preoccupations translate into policies With what consequences for those affected by them in terms of rights and access to citizenship The book answers these questions by analyzing the interplay between issues of security citizenship and rights from the perspectives of migrants and policymakers but also from actors who negotiate encounters with the state such as lawyers non governmental organizations and translators

Health, Money, and Love . . . And Why We Don't Enjoy Them Robert Farrar Capon, 1994-09-06 This is a print on demand book and is therefore non returnable In this deliciously twisting engaging multi genre narrative Robert Farrar Capon explores three areas of life that concern us all health money and love pokes fun of the religions we make of them and trumpets the radical gospel of grace the only alternative that can free us to be truly happy Using a variety of styles movie script dialogue parable letter and of course his typically sparkling prose Capon discusses religion and happiness in the light of holy luck the notion that God uses chance as his normal device for running the world and establishing his relationship with us He argues that in espousing false religions such as health money and love in our pursuit of happiness we reject God's holy luck for the illusion of our own control Happiness he asserts lies in our ability to accept everything that happens and then either enjoy it gratefully or reconcile it patiently We may not be able to control all of the things that happen outside us but since we are in control of both our gratitude and our patience there is always and in every circumstance a path open to the happiness that God already has over everything Capon proceeds to explore and interweave the topics of childhood romance work play exercise and eating habits aging and death within his twin themes of religion and happiness Blending his own experiences with ideas from a wide range of authorities including Augustine Dame Julian of Norwich Meister Eckhart Chesterton and Charles Williams he challenges us to rethink our conception of God our values and our entire lives Full of provocative insights *Health Money and Love* will surely attract stir and delight a wide readership

Sex, Love, and Money Gerald Nissenbaum, John Sedgwick, 2010-02-04 One of the nation's top divorce lawyers opens his case files to share true stories that rival the most outrageous fiction Gerald Nissenbaum knows everything about his clients how much is in their bank accounts what kind of sex their spouses like if they married for money or power and who cheated with whom For the first time in his long career Nissenbaum gives the lowdown on all the antics he's experienced in dealing with clients who have money to burn From a C note hooker turned trophy wife who put her dying

husband into a nursing home and drained his bank accounts to the dad who spent millions to recover the kids his wife kidnapped this memoir is by turns dark cathartic vengeful and hilarious as it describes the high end high conflict divorces that ruin the lives of everyone involved Currently commanding 700 per hour Nissenbaum sees firsthand how neurotic unrealistic status hungry manipulative and sex crazed his multimillion dollar clients can be In the style of Anthony Bourdain's Kitchen Confidential Nissenbaum and Sedgwick blow the doors off the dark side of marriage making this outrageous and compelling memoir a truly guilty pleasure

Sex, Love and Money in Cambodia Heidi Hoefinger, 2013-07-04 Dealing with the complex and discomfiting grey area where sex love and money collide this book highlights the general materiality of everyday sex that takes place in all relationships In doing so it draws attention to and destigmatizes the transactional elements within many normative partnerships be they transnational inter ethnic or otherwise Focusing on Cambodia and on a subculture of young women employed in the tourist bar scene referred to as professional girlfriends the book shows that the resulting transnational

relationships between Cambodian women and their foreign partners are complex and multi layered It argues that the sex for cash prostitution framework is no longer an appropriate model of analysis Instead a new vocabulary of professional girlfriends and transactional sex is used with which the nuanced complexities of these transnational partnerships are analysed Interdisciplinary in nature the book inspires new understandings of gender power sex love desire political economy and materiality within everyday relationships around the globe It is a useful contribution for students and scholars of Anthropology Sociology Southeast Asian Studies Gender and Sexuality Studies and Cultural Studies Mark Twain and Money Henry B.
