Marriage With Papers Translated By Paul Bowles:

Conversations with Paul Bowles Paul Bowles, 1993 Paul Bowles says Each man s life has the quality he gives it but you can t say that life itself has any qualities If we suffer it s because we haven t learned how not to The man who wrote the books didn t exist No Writer exists He exists in his books and that s all I write unconsciously without knowing what I am writing

Paul Bowles's Literary Engagement with Morocco Bouchra Benlemlih, 2018-01-05 This study argues that Paul Bowles is more perceptive than many American travelers in Morocco The book provides us with what are perhaps the most sustained meditations to date on Bowles s translation work and his autobiography as well as perceptive analyses of key stories such as A Distant Episode and Here to Learn and his second novel Let It Come Down set primarily in Tangier The chapter on translation dwells on the complex interactions between Moroccan storytellers and Bowles The work considers translation as a site where the oral and written colonial and post colonial scene and English and Maghrebi come face to face it is a place where things are worked out in dynamic interaction The chapter on Bowles s autobiography Without Stopping urges us to take this piece of self writing famously dubbed Without Telling by William Burroughs more seriously drawing our attention to baroque architectural features of mind and external landscape worlds distorted by mirrors dreams and fluid transit where forms morph The work also highlights difference between experience and representation of experience through language transformed through the prism of memory In the chapter on Without Stopping as well as in my discussions of Bowles s fiction I provide useful elaborations of connections between Bowles s work and that of Edgar Allan Poe My reading of one of Bowles s best known stories A Distant Episode brings to the surface a recognition that the tragic fate of the Professor the story s protagonist is an outcome of his inability to admit that cultures are not static The academically trained linguist demonstrates an unwillingness or inability to adapt to change or to read cultural signs accurately The message is that Morocco is not stuck in time and cannot be held in place by Orientalist fantasies or preconceived externally derived intellectual constructs and assumptions The book concludes that against the grain of Samuel Huntington s notion of Clash of Civilizations Bowles s poetic and geographical journey forcefully projects cosmopolitanism and transnational attention confirming that civilizations and identities open up rather than shut down war or clash

RePresenting Bisexualities Maria Pramaggiore, Donald E. Hall, 1996-07-01 Is bisexuality coming out in America Bisexual characters are surfacing on popular television shows and in film Newsweek proclaims that a new sexual identity is emerging But amidst this burgeoning acknowledgment of bisexuality is there an understanding of what it means to be bisexual in a monosexual culture RePresenting Bisexualities seeks to answer these questions integrating a recognition of bisexual desire with new theories of gender and sexuality Despite the breakthroughs in gender studies and queer studies of recent years bisexuality has remained largely unexamined Problematic sexual images are usually attributed either to homosexual or heterosexual desire while bisexual readings remain unexplored The essays found in RePresenting Bisexualities discuss fluid sexualities through a variety of readings from the fence covering texts from Emily Dickinson to Nine Inch Nails Each author contributes to the collection a unique view of sexual fluidity and transgressive desire Taken together these essays provide the most comprehensive bisexual theory reader to date
