**Marriage, Sexuality, and Gender** Robin West, 2015-12-03 Marriage Sexuality and Gender examines contemporary debates about the meaning and value of marriage The book analyzes arguments for traditional marriage including those of neonaturalists utilitarians and communitarians or virtue theorists The volume also considers a range of feminist welfarist and liberationist arguments for ending the institution altogether It evaluates two major reform movements one focused on expanding marriage to include same sex couples and the other focused on the use of law to render marriage more internally just The book concludes with a plea to activists to redirect marriage equality movements toward the creation of an entirely secular civil union law that would respect a broader range of private life long commitments including but not limited to same and opposite sex couples without threatening the role of religious marriage in the lives of those who embrace it and without penalizing nonparticipants

**Not Just Private** Craig Bakker,2023-03-07 Both within the church and outside of it popular discourse around sex is often shallow and individualistic This is especially true on the topic of sex outside of marriage Not Just Private explains how our sexual practices can and should stem from our deeply held uniquely Christian convictions convictions that mean we cannot talk about sex apart from Christian community or Christian character Laying out those foundations allows us to recover Christian insights that many of us have lost and to identify the cultural syncretism that has crept into our churches With these foundations in view we can see how sex is not about following rules or avoiding harm but rather about producing certain kinds of individuals and communities This is a book for Christians who want to be chaste but are not sure why they should be This is also a book for non Christians wondering why some Christians practice what Oscar Wilde described as the greatest sexual perversion namely chastity In the end Not Just Private shows both how Christian perceptions and beliefs are deeply at odds with the practice of extramarital sex and how the perceptions and beliefs that support extramarital sex are unchristian

**Faith at Work** Hermund Haaland,2023-03-20 Estimates show that about seventy percent of children who grow up in active Christian families opt out of church and church life in adulthood Research indicates that one of the reasons is a lack of connection between faith work and community involvement How do we build communities in our congregations that foster a faith that endures through all the phases of life yet which is an innovative faith that gives courage and initiative to take the lead in creating a good society for all This book challenges the reader to think more holistically about the Church s mission to be salt and light in the twenty first century and is intended as inspiration to break out of the isolation and retreat that can easily result in the face of our highly secular modern societies
