## **Marriage And Family The Quest For Intimacy:**

*Marriage and Family* Robert Lauer, Jeanette C. Lauer, 2006-02 Combining a positive and practical approach to the study of marriage and family life with a manageable amount of sociological theory and research citations this text is centered on the theme of enhancing intimacy within marriage and the family While providing a comprehensive overview of the progression from dating to marriage and family the authors systematically draw out principles that students can use to protect and nurture their own intimate relationships making this text a practical guide as well Marriage and Family Robert H. Lauer, Jeanette C. Lauer, 2022 What do you want out of life If you are like most Americans you would probably include happiness in your answer But where can you find happiness We wrote this text because we believe your personal happiness is crucially tied up with the quality of your intimate relationships The text not only will provide you with a basic understanding of marriage and family life but also will show you how you can apply the knowledge you gain to enrich your life In other words this is not only a text it s a practical guide as well It is conceptual and theoretical social science but it is also applied social science The former comes from the wealth of information and the empirical work of the hundreds of researchers we discuss The latter is found in the Principles for Enhancing Intimacy sections presented in each chapter as well as in the Personal Comparison and What Do You Think inserts Hopefully by the time you complete this book you will have a thorough understanding of marriage and family life today and an understanding of the steps you can take to enhance the quality of your own intimate relationships We have updated this edition throughout with the latest available information First we have incorporated the latest available research more than 200 new references from the professional literature Second we have utilized the most recent government data The new references and government data in addition to updating our knowledge about intimate relationships provide increasingly more information on racial and ethnic differences in those relationships This information integrated throughout the chapters as appropriate shows how Americans of various racial and ethnic backgrounds have similar as well as dissimilar experiences in their family relationships In addition to updating every chapter s research base and statistical data we have made a number of other enhancements to the text s coverage

Student Study Guide to Accompany Marriage and Family Robert Lauer, Jeanette C. Lauer, 1996-07 **Integrator to Accompany Marriage and Family** Allan Konopka, Robert Lauer, Jeanette C. Lauer, 1996-09 **MARRIAGE AND FAMILY** ROBERT. LAUER, 2011 *Marriage and Family* Jeanette C. Lauer, 1990-12 **Marriage and Family** Robert H. Lauer,

ISE Marriage and Family: the Quest for Intimacy Robert H. Lauer, Jeanette C. Lauer, 2018-01-24 This text combines a positive and practical approach to the study of marriage and family life It is based on extensive and up to date research as reported in the journals and monographs It shows how sociological theories apply to the various topics Thus it not only provides students with a basic understanding of marriage and family life but also helps them apply this knowledge to enrich their lives and nurture their own intimate relationships **Marriage and Family** Robert Lauer, 1999-08 Offering a positive

and practical approach to the study of marriage and family life with a manageable amount of sociological theory and research citations this text is centered around the theme of enhancing intimacy within marriage and the family While providing a comprehensive overview of the progression from dating to marriage and family the authors systematically draw out principles that students can use to protect and nurture their own intimate relationships making this not only a text but a practical guide for students as well

Marriage and Family Robert Lauer, Jeanette C. Lauer, 2003 Features the study of marriage and family life with an amount of sociological theory and research citations Centered on the theme of enhancing intimacy within marriage and the family this text provides a comprehensive overview of the progression from dating to marriage and family It aims to protect and nurture the intimate relationships

**Understanding Marriage, Family, and Intimate Relationships** Jerry D. Lehman, 2005 This introductory textbook is for students who are interested in learning about and establishing healthy marriage family and intimate relationships With divorce rates high and relationships fragile books and courses are needed that help students address important issues regarding relationships The readers of this text examine many important and relevant issues through the lens of theory and research and do so using a written format that is readable understandable and easy to apply to one's life It was written so that each chapter has information that readers will find helpful as they attempt to establish and maintain meaningful healthy relationships There are questions throughout each chapter that help readers focus not only on the material but also on how the material relates to their present and past relationship and family situations The text provides material on the research of John Gottman the object relations theory of Harville Hendrix the solution focused approach of Michele Weiner Davis and the PREP approach to conflict management of Markman Stanley and Blumberg These and other topics discussed are very relevant to students concerns and are addressed in greater depth than found in most other texts The emphasis is not just on couple relationships but also on family relationships Therefore in this book there is extensive coverage of family systems theory and the influence of family rules and family structure on the development of families There is also material on how change produces transitions in family life that must be assimilated into the family structure for example when a couple has their first child Thus both couple and family issues are addressed throughout the book For instructors who want to focus their courses on marriage family and intimate relationships this book would be an ideal choice A study guide for students and instructional material for instructors can be obtained by visiting [www.understandingrelationships.net](http://www.understandingrelationships.net)

Lauer,Jeanette C. Lauer,1997 Centred around the theme of enhancing intimacy this text offers an overview of how relationships progress from dating to marriage to family and provides a balance of principles and personal applications to explore this social institution including non traditional and culturally diverse relationships It provides coverage of sociological theories to various marriage and family issues and suggestions on how to engage in richer and more fulfilling relationships In addition this book illustrates how people in different cultures engage in marriage and family situations      *Solving Problems In Couples And Family Therapy* Robert Sherman,Paul Oresky,Yvonne Rountree,2013-05-13 Aimed primarily at clinicians who are required to find ways to interrupt patterns of destructive behaviour in couples and families this text provides a compilation of multi disciplinary techniques and flexible strategies to accomplish 14 major therapeutic tasks      *Family Therapy and Chronic Illness* Joan Atwood,2017-09-08 Treatment for the chronically ill has traditionally focused on physical factors and symptoms despite the fact that chronic illness also affects life in an emotional and spiritual way The approach toward treatment described in this volume addresses all aspects of a patient s life including their interpersonal experiences and relationships presenting family therapists and family physicians as part of the same treatment team This volume thus provides a foundation for understanding the role illness plays in family systems The meaning an individual gives to an illness is profoundly influenced by and influences that person s social world In turn social culture and social networks both shape and are shaped by the individual s experiences Exploring how the meaning of chronic illness is defined tells us much about the individual s interpersonal relations and the resultant meaning given to the person s illness As a consequence family therapy must be an integral part of the treatment plan for chronically ill patients Family Therapy and Chronic Illness approaches chronic illness from a leading edge perspective This approach enables therapists to listen attentively to complicated narratives Because these stories feelings and emotions are difficult to describe the clients have demanding telling tasks while therapists have demanding listening tasks This book sends an important message not just about the chronically ill but also about their families therapists and doctors and how they can work together to develop the best treatment plan possible      Marriage and Family Robert H.
