Marriage and Inequality in Chinese Society Rubie S. Watson, Patricia Buckley Ebrey, 1991-04-02 Marriage and mobility under rural collectivism William Lavely Women property and law in the People's Republic of China Jonathan K Ocko Chinese and Chinese Mestizos of Manila Richard Afterword marriage and gender inequality Rubie S Watson Chu, 2010-01-25 For centuries the Chinese have been intermarrying with inhabitants of the Philippines resulting in a creolized community of Chinese mestizos under the Spanish colonial regime In contemporary Philippine society the Chinese are seen as a racialized Other while descendants from early Chinese Filipino intermarriages as Filipino Previous scholarship attributes this development to the identification of Chinese mestizos with the equally Hispanicized and Catholic indios Building on works in Chinese transnationalism and cultural anthropology this book examines the everyday practices of Chinese merchant families in Manila from the 1860s to the 1930s The result is a fascinating study of how families and individuals creatively negotiate their identities in ways that challenge our understanding of the genesis of ethnic identities in the Philippines This book helps contribute to the revision of the existing literature on the Chinese and Chinese mestizos with a new perspective that highlights the emerging field of transnational studies Prof Augusto Espiritu University of Illinois at Urbana Champaign the author does an outstanding job and we recommend that citizens of the Philippine nation whether they see themselves as Chinese or Filipino would do well to read this work and understand the origins of the racial stereotypes that influence the way they look at particular members of Philippine society particularly in Manila Prof Ellen Palanca and Prof Clark Alejandrino Ateneo de Manila University an ambitious study of the Chinese and first generation Chinese mestizos of Manila the author has added valuable research materials from Philippine and American archival collections and a wide range of published primary sources The book is meticulously annotated and rich in descriptive detail Michael Cullinane University of Wisconsin Madison Bodies of Difference Matthew Kohrman, 2005-05-23 Bodies of Difference chronicles the compelling story of disability s emergence as an area of significant sociopolitical activity in contemporary China Keenly attentive to how bodies are embedded in discourse history and personal exigency Matthew Kohrman details ways that disability became a fount for the production of institutions and identities across the Chinese landscape during the final decades of the twentieth century He looks closely at the creation of the China Disabled Persons Federation and the lives of numerous individuals among them Deng Pufang son of China's Communist leader Deng Xiaoping **Women and Gender** in Twentieth-Century China Paul J. Bailey, 2012-08-29 Paul J Bailey provides the first analytical study in English of Chinese women's experiences during China's turbulent twentieth century Incorporating the very latest specialized research and drawing upon Chinese cinema and autobiographical memoirs this fascinating narrative account Explores the impact of political social and cultural change on women s lives and how Chinese women responded to such developments Charts the evolution of gender discourses during this period Illuminates both change and continuity in gender discourse and practice

Approachable and authoritative this is an essential overview for students teachers and scholars of gender history and anyone with an interest in modern Chinese history The Culture of Sex in Ancient China Paul R. Goldin, 2002 The subject of sex was central to early Chinese thought Discussed openly and seriously as a fundamental topic of human speculation it was an important source of imagery and terminology that informed the classical Chinese conception of social and political relationships This sophisticated and long standing tradition however has been all but neglected by modern historians In The Culture of Sex in Ancient China Paul Rakita Goldin addresses central issues in the history of Chinese attitudes toward sex and gender from 500 B C to A D 400 A survey of major pre imperial sources including some of the most revered and influential texts in the Chinese tradition reveals the use of the image of copulation as a metaphor for various human relations such as those between a worshiper and his or her deity or a ruler and his subjects In his examination of early Confucian views of women Goldin notes that while contradictions and ambiguities existed in the articulation of these views women were nevertheless regarded as full participants in the Confucian project of self transformation He goes on to show how assumptions concerning the relationship of sexual behavior to political activity assumptions reinforced by the habitual use of various literary tropes discussed earlier in the book led to increasing attempts to regulate sexual behavior throughout the Han dynasty Following the fall of the Han this ideology was rejected by the aristocracy who continually resisted claims of sovereignty made by impotent emperors in a succession of short lived dynasties Erudite and immensely entertaining this study of intellectual conceptions of sex and sexuality in China will be welcomed by students and scholars of early China and by those with an interest in the comparative development of ancient cultures Legal Orientalism Teemu Ruskola, 2013-06-03 After the Cold War how did China become a global symbol of disregard for human rights while the U S positioned itself as the chief exporter of the rule of law Teemu Ruskola investigates globally circulating narratives about what law is and who has it and shows how legal Orientalism developed into a distinctly American ideology of empire of Development Policy Studies Gedeon M. Mudacumura, M. Shamsul Haque, 2004-04-23 Considering the current challenges to human progress this reference book examines recent theories policies and sectoral priorities as well as various social economic and administrative factors that impact worldwide modernization and development The book emphasizes the fact that communities must evaluate continuously and adjust their program activities in order to achieve a genuine mode of development This volume includes case studies demonstrating effective applications of the major operational tools for the layout and execution of major development policies and examines the current trends and future directions in development theories policies and practices in the 21st century **A Companion to Chinese History** Michael Szonyi, 2016-12-12 A Companion to Chinese History presents a collection of essays offering a comprehensive overview of the latest intellectual developments in the study of China's history from the ancient past up until the present day Covers the major trends in the study of Chinese history from antiquity to the present day Considers the latest scholarship of historians working in China and

around the world Explores a variety of long range questions and themes which serves to bridge the conventional divide between China's traditional and modern eras Addresses China's connections with other nations and regions and enables non specialists to make comparisons with their own fields Features discussion of traditional topics and chronological approaches as well as newer themes such as Chinese history in relation to sexuality national identity and the environment on the Family and Marriage in China Xiaowei Zang, Lucy Xia Zhao, 2017-12-29 This Handbook advances research on the family and marriage in China by providing readers with a multidisciplinary and multifaceted coverage of major issues in one single volume It addresses the major conceptual theoretical and methodological issues of marriage and family in China and offers critical reflections on both the history and likely progression of the field Women and Chinese Patriarchy Maria Jaschok, Suzanne Miers, 1994 This collection reveals many forms of servitude that Chinese women have endured and the avenues of escape open to some of them The authors are anthropologists historians and sociologists but the book is enriched also by contributions from the participants a social worker a mui tsai and a colonial civil servant The chapters are based on original documentary or oral research and personal experience and throughout the book the voices of the women their owners and their missionary rescuers can be clearly heard Women, the Book, and the Godly Lesley Janette Smith, Jane H. M. Taylor, 1995 Studies of women's roles in the secular literary world as patrons authors readers and characters in secular literature This second volume of proceedings from the Women and the Book conference held at St Hilda's College Oxford in 1993 brings together fifteen papers dealing with women s experience in the secular literary world It covers the whole variety of roles women might take as patrons authors readers and characters in secular literature encompassed in its range are well known characters real and fictional such as Christine de Pisan and the Wife of Bath and the more obscure but no less fascinating topic of women in Chinese medieval court poetry Like its predecessor Women the Book and the Godly Brewer 1995 this volume illuminates the world of medieval women with carefulscholarship and attention to sources producing new readings and new materials which shed fresh light on an increasingly important field of study Contributors PATRICIA SKINNER PHILIP E BENNETT JENNIFER GOODMAN CHARITY CANNON WILLARD BENJAMIN SEMPLE ANNE BIRRELL JEANETTE BEER MARK BALFOUR CAROL HARVEY HEATHER ARDEN KAREN JAMBECK JULIA BOFFEY JENNIFER SUMMIT MARGARITA STOCKER Rereading the Stone Anthony C. Yu, 2018-06-05 The eighteenth century Hongloumeng known in English as Dream of the Red Chamber or The Story of the Stone is generally considered to be the greatest of Chinese novels one that masterfully blends realism and romance psychological motivation and fate daily life and mythical occurrences as it narrates the decline of a powerful Chinese family In this path breaking study Anthony Yu goes beyond the customary view of Hongloumeng as a vivid reflection of late imperial Chinese culture by examining the novel as a story about fictive representation Through a maze of literary devices the novel challenges the authority of history as well as referential biases in reading At the heart of Hongloumeng Yu argues is the narration of desire Desire appears in this tale as the defining

trait and problem of human beings and at the same time shapes the novel's literary invention and effect According to Yu this focalizing treatment of desire may well be Hongloumeng s most distinctive accomplishment Through close readings of selected episodes Yu analyzes principal motifs of the narrative such as dream mirror literature religious enlightenment and rhetorical reflexivity in relation to fictive representation He contextualizes his discussions with a comprehensive genealogy of ging desire disposition sentiment feeling a concept of fundamental importance in historical Chinese culture and shows how the text ingeniously exploits its multiple meanings Spanning a wide range of comparative literary sources Yu creates a new conceptual framework in which to reevaluate this masterpiece Intimate Relationships in China in the Light of Depth Psychology Huan Wang, 2020-04-03 In Intimate Relationships in China in the Light of Depth Psychology A Study of Gender and Integrity Huan Wang presents an overview of Jungian ideas as they apply to gender roles and relationships in contemporary Chinese culture Moving beyond a Western interpretation of key concepts Wang attempts to understand and deal with the difficulties of contemporary marriages in a rapidly changing society investigating how young Chinese couples have been affected by traditional values Westernisation and the one child policy Wang also discusses how depth psychology has developed and been applied in China highlighting how it differs in Chinese and Western settings and the problems and achievements Chinese people have faced She concludes that the Chinese psyche today is experiencing a transition from the compliance of collectivism to the awareness of individuation and that the rediscovery of the notion of integrity will help Chinese therapists to find their way make young Chinese people independent individuals and bring a new approach to their marriages This is the first time such issues have been profoundly and comprehensively discussed in a Chinese context It will be an invaluable resource for analytical psychologists psychotherapists and marriage and family and couple therapists working in China or with Chinese clients It will also be of great interest to academics and students of Jungian and post Jungian studies and to anyone interested in the psyche of contemporary China Women in Imperial China Bret Hinsch, 2016-09-22 This accessible text offers a comprehensive survey of women's history in China from the Neolithic period through the end of the Qing dynasty in the early twentieth century Rather than providing an exhaustive chronicle of this vast subject Bret Hinsch pinpoints the themes that characterized distinct periods in Chinese women s history and delves into the perception of female identity in each era Moving beyond the traditional focus on the late imperial era Hinsch explores how gender relations have developed and changed since ancient times His chronological look at the most important female roles in every major dynasty showcases not only the constraints women faced but also their vast accomplishments throughout the millennia Hinsch s extensive use of Chinese language scholarship lends his book a fresh perspective rare among Western scholars Professors and students will find this an invaluable textbook for Chinese women's studies and an excellent Rawski, Lillian M. Li, 2024-06-04 This volume marks a turning point in the study of Chinese economic history It arose from a

realization that the economic history of China as opposed to the history of the Chinese economy had yet to be written Most histories of the Chinese economy whether by Western or Chinese scholars tend to view the economy in institutional or social terms In contrast the studies in this volume break new ground by systematically applying economic theory and methods to the study of China While demonstrating to historians the advantages of an economic perspective the contributors comprising both historians and economists offer important new insights concerning issues of long standing interest to both disciplines Part One on price behavior presents for the first time preliminary analyses of the incomparably rich and important grain price data from the imperial archives in Beijing and Taibei during the Qing Dynasty 1644 1911 These studies reveal long term trends in the Chinese economy since the seventeenth century and contain surprising discoveries about market integration the agricultural economy and demographic behavior in different regions of China The essays in Part Two on market response deal with different aspects of the economy of Republican China 1912 49 showing that markets for land labor and capital sometimes functioned as predicted by models of economic rationality but at other times behaved in ways that can be explained only by combining economic analysis with knowledge of political regional class and gender differences Based on new types of data they suggest novel interpretations of the Chinese economic experience. The resulting collection is interdisciplinary scholarship of a high order which weaves together the analytic framework provided by economic theory and the rich texture of social phenomena gathered by accomplished historians This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1992 National **Identity and Democratic Prospects in Socialist China** Edward Friedman, 1995-03-21 What are the Animals to Us? David Aftandilian, 2007 In What Are the Animals to Us scholars from a wide variety of academic disciplines explore the diverse meanings of animals in science religion folklore literature and art Remapping China Gail Hershatter, 1996 These stimulating essays address such topics as histories of public health emotional life law and sexuality notions of borders and frontiers the relationship between native place identities and nationalism the May Fourth Movement and the periodization of the Chinese revolution **Lijiang Stories** Emily Chao, 2013-05-15 Lijiang a once sleepy market town in southwest China has become a magnet for tourism since the mid 1990s Drawing on stories about taxi drivers reluctant brides dogmeat and shamanism Emily Chao illustrates how biopolitics and the essentialization of difference shape the ways in which Naxi residents represent and interpret their social world. The vignettes presented here are lively examples of the cultural reverberations that have occurred throughout contemporary China in the wake of its emergence as a global giant With particular attention to the politics of gender ethnicity and historical representation Chao reveals how citizens strategically imagine produce and critique a new moral economy in which the market and neoliberal logic are preeminent Chinese

**Marriages in Transition** Xiaoling Shu, Jingjing Chen, 2023 Chinese Marriages in Transition documents the nuanced and multidirectional nature of the transformations in Chinese marriage gender roles and family Using complex and large scale historical national data as well as comprehensive data from multiple countries Xiaoling Shu and Jingjing Chen demonstrate that Chinese new familism consists of values both old and new
