The Resource Book: Teaching with Marriage and the Family, Diversity and Strengths Nikki DeFrain, John DeFrain, David H. Olson, 2000 *Understanding Marriage, Family, and Intimate Relationships* Jerry D. Lehman, 2005 This introductory textbook is for students who are interested in learning about and establishing healthy marriage, family, and intimate relationships. With divorce rates high and relationships fragile, books and courses are needed that help students address important issues regarding relationships. The readers of this text examine many important and relevant issues through the lens of theory and research and do so using a written format that is readable, understandable, and easy to apply to one's life. It was written so that each chapter has information that readers will find helpful as they attempt to establish and maintain meaningful, healthy relationships. There are questions throughout each chapter that help readers focus not only on the material but also on how the material relates to their present and past relationship and family situations. The text provides material on the research of John Gottman, the object relations theory of Harville Hendrix, the solution-focused approach of Michele Weiner Davis, and the PREP approach to conflict management of Markman, Stanley, and Blumberg. These and other topics discussed are very relevant to students' concerns and are addressed

in greater depth than found in most other texts The emphasis is not just on couple relationships but also on family relationships Therefore in this book there is extensive coverage of family systems theory and the influence of family rules and family structure on the development of families There is also material on how change produces transitions in family life that must be assimilated into the family structure for example when a couple has their first child Thus both couple and family issues are addressed throughout the book For instructors who want to focus their courses on marriage family and intimate relationships this book would be an ideal choice A study guide for students and instructional material for instructors can be obtained by visiting www.understandingrelationships.net Study Guide to Accompany Marriage and the Family Jeanne Kohl,2000 LOOSELEAF FOR MARRIAGES AND FAMILIES: INTIMACY DIVERSITY & STRENGTHS David Olson,John DeFraain,Linda Skogrand,2011-05-09 **Handbook of Marriage and the Family** Marvin B. Sussman,Suzanne K. Steinmetz,Gary W. Peterson,2013-06-29 To know where we are going as scholars educators and practitioners in the field of marriage and family life we first need to know where we have been A perusal of early texts on marriage and family life provides some thought provoking insights into the accuracy of the saying what goes around comes around It is interesting to note who has been considered to be in a position to provide information on marriage and family life Included in the eclectic collection of texts we reviewed were ministers whose focus was on spirituality doctors who emphasized medical aspects of child and adult health and public health professionals and home economists concerned with fighting disease who emphasized cleanliness order fighting germs and eliminating rodents and insects There are also philosophers who drew from ancient texts when discussing family life and a count who assembled a group of German intellectual elites to address various topics An insightful essay of this type is by Marta Karlweis 1926 in which she notes There is no other fetish that society holds to so firmly as the conception woman with all its usual associations of infantilism and dependence The child requires protection is a minor and consequently a serf but above all it possesses no spiritual existence Neither doctorates or other distinctions nor the right to vote have as yet been able to dispel this sweet idea of the childishness of woman which man cherishes p **Family Dynamics and Romantic Relationships in a Changing Society** Silton, Nava R.,2017-02-08 As society changes and develops personal relationships can be significantly affected by evolving cultures By examining amorous and familial bonds in the present era a comprehensive understanding of relationship formation and development can be established Family Dynamics and Romantic Relationships in a Changing Society provides a thorough examination of the types of emotional relationships that different cultures participate in Highlighting innovative topics across a range of relevant areas such as LGBTQ relationships long distance relationships interracial dating and parental techniques this publication is an ideal resource for all academicians students librarians and researchers interested in discovering more about social and emotional interactions within human relationships
