## **Marriage By Chance:**

*Marriage Second Chance* Rev. Dr. Stephen Ireri, 2012-02-18 This book gives you a second chance and hope you will take the opportunity to improve your marriage And for those not yet married by reading this book will enable them to avoid some of the mistakes which arise from a bad marriage A woman's chance of marriage, a practical guide to matrimony John Holt Schooling, 1898 A Marriage by Chance Carolyn Davidson, 2014-04-15 Her fool brother had gone and lost his half of the family ranch in a game of cards leaving her to live with her brother's mistakes and handsome cowboy Mr J T Flannery Then trouble struck the ranch and Chloe had no choice but to accept J T's offer of marriage no matter how inconvenient The only thing the stubborn beauty wanted less than a business partner was a husband but it looked as if she was about to be saddled with both But as the battle of wills between the two began to heat up so did their mutual passion Marriage and the British Army in the Long Eighteenth Century Jennine Hurl-Eamon, 2014-02-27 *The Girl I Left Behind Me* addresses a neglected aspect of the history of the Hanoverian army From 1685 to the beginning of the Victorian era army administration attempted to discourage marriage among men in almost all ranks It fostered a misogynist culture of the bachelor soldier who trifled with feminine hearts and avoided responsibility and commitment The army's policy was unsuccessful in preventing military marriage By concentrating on the many soldiers' wives who were unable to win permission to live on the strength of the regiment entitled to half rations and travel with their husbands this title explores the phenomenon of soldiers who persisted in defying the army's anti marriage initiatives Using evidence gathered from ballads novels court and parish records letters memoirs and War Office papers Jennine Hurl Eamon shows that both soldiers and their wives exerted continual pressure on the state through evocative appeals to officers and civilians fuelled by wives' pride in performing their own military duty at home Respectable companionate couples of all ranks reflect a subculture within the army that recognized the value in Enlightenment femininity Looking at military marriages within the telescoping contexts of the state their regimental and civilian communities and the couples themselves *The Girl I Left Behind Me* reveals the range of masculinities beneath the uniform the positive influence of wives and sweethearts on soldiers' performance of their duties and the surprising resilience of partnerships severed by war and army anti marriage policies *A BABY BY CHANCE* Cathy Gillen Thacker, 2013-04-01 The Lost Springs Ranch for troubled boys is at stake and it's a man's duty to give back So there's going to be an auction Bachelor 9 Name Chance Cartwright Occupation Rancher Biggest Achievement Being the best horse trainer in Wyoming Men of Chance Cartwright's caliber were hard to find and Madison Burnes needed wanted was determined to have him as the spokesman for her ad campaign Even if it meant seducing him She'd stop at nothing but then she hadn't bargained on morning sickness or falling in love with her prey *The Hidden Affliction* Simon Szreter, 2019 Multidisciplinary collection of essays on the relationship of infertility and the historic STIs gonorrhea chlamydia and syphilis producing surprising new insights in studies from across the globe and spanning millennia *Men in Families* Alan

Booth, Ann C. Crouter, 1998-01-01 Recently the roles of fathers and husbands in families have been recognized as important issues. They appear in legislation aimed at deadbeat dads, social movements including the Million Man March and Promise Keepers in the development of advocacy groups and in think tanks. Therefore, contemporary research on men in family relationships has very mixed results. Some studies show that fathers have small effects on child development and in preventing antisocial behavior, whereas others suggest no effects. Other research claims that the primary importance of men in families is in their role as providers. Although some studies state that the husbands and fathers' most vital work occurs in new families, others indicate that it is when their offspring reach adolescence. Confusing the issue even further, labor market trends predict that men's family roles may diminish. Based on the presentations and discussions from a recent national symposium on men in families held at The Pennsylvania State University, this book addresses these issues. This is the only book that deals with men's involvement in families in a comprehensive way. Although several books focus on fathers alone or on a broader family perspective, this is the first book that deals with a variety of family roles on an interdisciplinary basis. Although most of the writers are psychologists or sociologists, there are key figures in history and anthropology who also make important contributions. As such, this volume will be useful to scholars, students, policy specialists, and family program administrators.

Report Commonwealth Shipping Committee, 1914      Marriage and Cohabitation in the United States

Paula Y. Goodwin, 2010      *Handbook of Interpersonal Commitment and Relationship Stability* Jeffrey M. Adams, Warren H. Jones, 2012-12-06

A fundamental assumption underlying the formation of our most important relationships is that they will persist indefinitely into the future. As an acquaintanceship turns into a friendship, for example, both members of this newly formed interpersonal bond are likely to expect that their interactions will become increasingly frequent, diverse, and intimate over time. This expectation is perhaps most apparent in romantically involved couples who, through a variety of verbal and symbolic means, make explicit pledges to a long-lasting relationship. In either case, it is clear that these relationships represent something valuable to the individuals involved and are pursued with great enthusiasm. Virtually all close relationships are formed within the context of mutually rewarding interactions and/or strong physical attraction between partners. Friends and romantically involved couples alike are drawn to one another because of similarity of attitudes, interests, and personality, and quite simply because they enjoy one another's company. This enjoyment coupled with the novelty that characterizes new relationships almost makes the continuation of the relationship a foregone conclusion. As relationships progress, however, their novelty fades, conflicts may arise between partners, negative life events may occur, and the satisfaction that previously characterized the relationships may diminish.

**Could This Be America's Last Chance?**

Joseph Thomas Wheat, 2013 Most people do not realize just how close we are to losing our American way of life. In *Could This Be America's Last Chance?* author J. T. Wheat reveals shocking evidence showing covert actions now at work bent on changing America from a free market capitalist nation into a socialistic communistic style nation. Many shouted and screamed for

change not knowing the kind of change Obama was speaking of J T Wheat lays out in clear details what the News Media has kept hidden from us all The Germans shouted Heil Hitler at Hitler s speeches only later to weep as they watched their elderly judged Unworthy of Life and by the stroke of a pen were sent to the death houses When the full details of Obama s health care bill are revealed there too will be much weeping in America Only your vote can help stop this madness Every chapter will hold your attention as you read the facts      **Continuity, Chance and Change** E. A. Wrigley,Edward Anthony Wrigley,1990-11-30 The Industrial Revolution brought into being a distinct world a world of greater affluence longevity and mobility an urban rather than a rural world But the great surge of economic growth was balanced against severe constraints on the opportunities for expansion revealing an intriguing paradox This book published to considerable critical acclaim explores the paradox and attempts to provide a distinct model of the changes that comprised the industrial revolution
