A Journey to Fulfillment Kedrick Lilweti White, 2025-08-21 This book explores the intricacies of marriage emphasizing the importance of mutual attraction intentionality and using godly principles for a fulfilling relationship as quality transports longevity It presents a clear understanding of first things first and identifies derailing traits throughout the various stages from choosing the right partner to experiencing the ultimate goal of a well lived Christlike merger while growing old together When mutual attraction and feelings of affection unite with a lifetime of a deep sense of what love desires one never gets tired of purposefully sacrificing oneself for their spouse The idea of faithfully tirelessly and endlessly

loving them always brings fulfilling joy This thought alone can evoke both smiles and tears of joy simultaneously Those who are privileged to have had such an experience know this journey to fulfillment **Joy in the Journey** Leavell, Jo Ann Paris,1996 This is a semi autobiography where Guy Rice Doud recounts significant events in his life and how they spiritually changed him He encourages the reader through simple parables tales of town life which lead the reader to walk through life in a Christian manner **My Christian Journey: In Places Lived** Marianne Dorman,2016-01-06 Over the years people have commented Why don t you write about your life To write a chronological autobiography never appealed to me Thus I abandoned the idea until about five years ago when having morning tea with my Byzantium scholar friend in Sydney We were discussing some aspect of Classical Roman history when the subject of genius loci spirit of the place entered our conversation On the bus back to my flat in Lane Cove this idea kept niggling at me Perhaps I could write about the places loci in which I have lived and the effect of these on my Christian journey firstly as a child then as a student wife mother educator writer and an admirer of all that is beautiful as expressed in most music worship in the Eastern and some Western traditions literature painting people and the natural world The result is this book beginning in a small country town Cowra some three hundred kilometres south west of Sydney Australia then to a smaller island Great Britain where I lived mainly in Oxford and ending on yet a smaller island in Puget Sound Whidbey close to the Canadian border As well as being influenced by various places so by people These include Fr John Hope of Christ Church St Laurence Sydney as a teenager and the Lady Margaret Professor in Oxford Dr Rowan Williams when I first arrived in this University City Perhaps the person who influenced me mostly was not one I actually met in person but came to know through my research He is the divine Lancelot Andrewes who has been part of my life for more years than I can remember and whose sermons and devotions are embedded in my being In later years I have been grateful to the renowned biblical scholar Fr Raymond Brown who gave me a fresh and scholarly understanding of the New Testament Last but not least has been the Franciscan Fr Richard Rohr who has taught me the necessity of non dualistic consciousness for spiritual growth As much as places and people have helped to shape me none has more than the Potter and Pantocrator who has moulded and reshaped this lump of clay constantly in my Christian journey
