You Can Be Anything You Want to Be! Claudia Sellin,2019-04-05 Being a fan of humorist and author Erma Bombeck and enjoying her take on life the author has brought her own style and insight to everyday situations and life moments from a Baby Boomer's perspective For example do you feel invaded by a doctor prescribed colonoscopy Does exercise in general make you feel there has to be a better way to lose weight and feel good Does dealing with people sometimes leave you feeling like chewing glass would be less grating Or that being dragged by a horse could certainly give you a new appreciation for life in general Do others opinions leave you feeling incompetent as to what you want to do with your life And if death or divorce enters the stage do you feel divided dissected and defeated These and more of life's little surprises along with original poetry born from some of those experiences and observations await you in You Can Be Anything You Want To Be Says Who
