

# Marriage Of Figaro

**Puja Mehta**

## **Marriage Of Figaro:**

The Marriage of Figaro Tim Carter, 1987 *Le nozze di Figaro* 1786 was Mozart's first mature opera buffa. It was also the first of his three major collaborations with the librettist Lorenzo da Ponte. Unlike *Don Giovanni* 1787 and *Cos fan tutte* 1790, *Figaro* has few obvious problems and even if it is not without flaws, it nevertheless contains a remarkable mixture of all those elements that go to produce a good opera: a sound plot, a well-structured text, and fine music. This opera handbook examines the work from historical and musical perspectives to set it in the context of Mozart's age. **Le nozze di Figaro** Wolfgang Amadeus Mozart, 2018-01-01 *Le nozze di Figaro* is one of Mozart's best-loved and most enduring works. The first of the three operas he wrote with Lorenzo da Ponte and based on Beaumarchais's play, it established the thirty-year-old Mozart as an opera composer of the very first rank. Its combination of wit, acute psychological observation, and sublime music has enthralled audiences ever since its premiere in Prague in 1786. This guide contains articles about the historical background to the opera as well as musical and dramatic commentaries. Further articles deal with the changes in musical performance brought about in recent times by the period practice movement and with the particular uses Mozart makes of recitatives. There is also a survey of the opera's most important productions. Illustrations, a thematic guide, the full libretto with English translation, and reference sections are also included. Contains *Living Together*, *Singing Together*. Max Loppert. A Society Marriage. John Wells. A Musical Commentary. Basil Deane. Recitatives in *Figaro*. Some Thoughts. David Syrus. Music and Comedy in *Le nozze di Figaro*. Stephen Oliver. A Selective Performance History. George Hall. *Le nozze di Figaro*. Libretto by Lorenzo Da Ponte after the play *La Folle Journée ou Le Mariage de Figaro* by Pierre Augustin Caron de Beaumarchais. The Marriage of Figaro. English translation by Opernfuehrer. Translation of Susanna's alternative aria and rondo by Charles Johnston.
