Marriage Secrets How To Have A Lifetime Love Affair:

Marriage Secrets Roseanne Rosen, Rosanne Rosen, 1993 **Lifelong Love Affair** Jimmy Evans, Frank Martin, 2012-09-01 God didn't create marriage to frustrate us, test us, or to make us feel unworthy or inadequate. He created marriage to be the most fulfilling and sacred of all human covenants. It was designed to be passionate and rewarding and to meet our deepest needs and desires. And it was meant to last a lifetime. So how do you build an indestructible marriage that is filled with passion, purpose, and excitement? In *Lifelong Love Affair*, Jimmy Evans shows couples how to embrace God's dream for their marriage, cultivate romance and fun, and fulfill each other's spiritual, emotional, and sexual needs. With more marriages today ending in divorces than ever before, and more young people cohabiting rather than getting married, the message of this book is sorely needed. Any married couple and anyone considering marriage will find *Lifelong Love Affair* an essential tool they will turn to again and again for inspiration and strength. Foreword by Drs. Les and Leslie Parrott *The secret of a Successful Relationship & Marriage* Arrey John Arrey, 2017-10-27 This book, *The secret of a Successful Relationship & Marriage*, covers a great part in relationships as well as life, also ensuring you're having a good life with your couple, kids, family, and friends. **The Secret Lives of Wives** Iris Krasnow, 2012-10-02 A bestselling groundbreaking author investigates wives who thrive, sharing their uncensored strategies for staying married. America's high divorce rate is well known. But little attention has been paid to the flip side: couples who creatively manage to build marriages that are lasting longer than we ever thought possible. What's the secret? To find out, bestselling journalist Iris Krasnow interviewed more than two hundred wives whose marriages have survived for fifteen to seventy years. In raw, candid, sometimes titillating stories, Krasnow's cast of wise women give voice to the truth about marriage and the importance of maintaining a strong sense of self apart from the relationship. Some spend summers separately from their partners. Some make time for wine with the girls. One septuagenarian has a recurring date with an old flame from high school. In every case, the marriage operates on many tracks, giving both spouses license to pursue the question: Who am I apart from my marriage? Krasnow's goal is to give women permission to create their own marriages at any age. Marital bliss is possible, she says, if each partner is blissful apart from the other. For anyone who wants to stay married and stay sane, this is the book to read. **The Living Together Trap** Rosanne Rosen, 1993 A realistic examination of living together without marriage, cohabitation, live-in love, etc. Based on case studies and personal testimony. **How the Lady Seduced the Viscount: A Scandalous Secret Love Affair Historical Regency Romance** Laura A.
