## **Marriage With Papers:**

*Re-marriage after divorce, papers by sir W. Phillimore and J.W. Lea on the Report of a committee of the upper house of the Convocation of the province of Canterbury* Walter George F. Phillimore (1st baron.),1885      **DeKalb County, Alabama,**

**Marriage Index, 1836-1916**, 2003 This new publication which is extracted almost entirely from newspapers and archival sources in Scotland follows the settlement of Scots west of the Mississippi River during the first hundred years after American Independence Mr Dobson s latest book identifies about 2 000 individuals who ventured to the West While the entries vary considerably virtually every one provides the name of the immigrant a date birth arrival marriage death the state or territory of his her residence and the source of the information Some of the listings give the individual s occupation the name of a parent s and or spouse place of residence in Scotland or more      **The Anna Papers** Ellen Gilchrist,2017-08-06 A writer s suicide sends ripples through the world she left behind A wonderful book moving and tender and tough and unsentimental all at the same time Chicago Tribune An accomplished author with a string of devoted lovers Anna Hand savors life in all of its bittersweet fleeting moments So when she gets a letter and discovers her brother has a daughter he never knew about she sees a major part of life that has passed her by a child to love Desperate to unite this young girl with her father Anna moves back to Charlotte North Carolina to rediscover her family and convince him to accept her Caught between the politics of her upper crust family and love for a married man Anna finds her health in serious danger When her bad days catch up with her good ones she must finally face the disease that had been hiding just beneath the surface Not willing to resign herself to months of aggressive treatment and knowing the outcome will be the same regardless she takes matters into her own hands and surrenders her body to the sea But it isn t only Anna s death that shocks her family The papers she left behind may lead her sister Helen to discover more about Anna than she or any of the Hand family need to know Gilchrist excels in drawing the bonds of love and resentment in sexual and family relationships and no one who encounters her characters here or in her earlier works will want to miss reading about them again Publishers Weekly

Marriage, Money and Divorce in Medieval Islamic Society Yossef Rapoport,2005-04-21 High rates of divorce often taken to be a modern and western phenomenon were also typical of medieval Islamic societies By pitting these high rates of divorce against the Islamic ideal of marriage Yossef Rapoport radically challenges usual assumptions about the legal inferiority of Muslim women and their economic dependence on men He argues that marriages in late medieval Cairo Damascus and Jerusalem had little in common with the patriarchal models advocated by jurists and moralists The transmission of dowries women s access to waged labour and the strict separation of property between spouses made divorce easy and normative initiated by wives as often as by their husbands This carefully researched work of social history is interwoven with intimate accounts of individual medieval lives making for a truly compelling read It will be of interest to scholars of all disciplines concerned with the history of women and gender in Islam      *Marriage in Church and State* Thomas Alexander Lacey,1912

Abera,2012-07 The book is about the Alpha and Omega God It is my testimony in regard to the existence and the will of the Deity creator for the entire creation activities I started to write about this supernatural and omnipotent God from the beginning which is unknown time I then proceeded in writing all the way to the time of eternity In the book I have talked and tried to prove the creatorship and rulership situation or condition of the Trinity God I have done this to make peoples of this world believe in existence of the almighty and the ubiquitous God who caused every thing seen and unseen to emerge and exist as they are found now [Index-catalogue of the Library of the Surgeon-General's Office, United States Army](#) National Library of Medicine (U.S.),1948 [Arranged Marriage](#) Péter Berta,2023-03-17 Arranged Marriage The Politics of Tradition Resistance and Change shows how arranged marriage practices have been undergoing transformation as a result of global and other processes such as the revolution of digital technology democratization of transnational mobility or shifting significance of patriarchal power structures The ethnographically informed chapters not only highlight how the gendered and intergenerational politics of agency autonomy choice consent and intimacy work in the contexts of partner choice and management of marriage but also point out that arranged marriages are increasingly varied and they can be reshaped reinvented and reinterpreted flexibly in response to individual family religious class ethnic and other desires needs and constraints The authors convincingly demonstrate that a nuanced investigation of the reasons complex dynamics and consequences of arranged marriages offers a refreshing analytical lens that can significantly contribute to a deeper understanding of other phenomena such as globalization modernization and international migration as well as patriarchal value regimes intergenerational power imbalances and gendered subordination and vulnerability of women **Karaite Marriage Documents from the Cairo Geniza** Judith Olszowy-Schlanger,1998 The edition and linguistic palaeographic and legal analysis of 65 marriage documents preserved in the Cairo Geniza shed a unique light on the socio economic and intellectual history of the mediaeval Karaite Jews who wrote them [Foreign Affairs Research Papers Available](#) Foreign Affairs Research Documentation Center,1978 *Papers in Illinois History and Transactions for the Year ...* ,1904 *Heresy and the Politics of Community* Marina Rustow,2014-10-03 In a book with a bold new view of medieval Jewish history written in a style accessible to nonspecialists and students as well as to scholars in the field Marina Rustow changes our understanding of the origins and nature of heresy itself Scholars have long believed that the Rabbanites

and Qaraites the two major Jewish groups under Islamic rule split decisively in the tenth century and from that time forward the minority Qaraites were deemed a heretical sect Qaraites affirmed a right to decide matters of Jewish law free from centuries of rabbinic interpretation the Rabbanites in turn claimed an unbroken chain of scholarly tradition Rustow draws heavily on the Cairo Geniza a repository of papers found in a Rabbanite synagogue to show that despite the often fierce arguments between the groups they depended on each other for political and financial support and cooperated in both public and private life This evidence of remarkable interchange leads Rustow to the conclusion that the accusation of heresy appeared sporadically in specific contexts and that the history of permanent schism was the invention of polemicists on both sides Power shifted back and forth fluidly across what later commentators particularly those invested in the rabbinic claim to exclusive authority deemed to have been sharply drawn boundaries Heresy and the Politics of Community paints a portrait of a more flexible medieval Eastern Mediterranean world than has previously been imagined and demonstrates a new understanding of the historical meanings of charges of heresy against communities of faith Historians of premodern societies will find that in her fresh approach to medieval Jewish and Islamic culture Rustow illuminates a major issue in the history of religions

**Sarah's Search** Rhoda Fegan,2018-07-18 Destiny Fate Sarah didn t believe that life was contributable to these uncontrollable forces but to the choices of human beings and a very real and loving God Although still single she believed that God s plan for her included marriage and a family with her as a pastor s wife or hopefully the wife of a foreign missionary Her prayers for this very special man and their service together were more than a decade old She saw no likely candidates but trusted God with her life So Sarah lived her life in the moment serving God and looking for the joy God provided in each day That joy now found her on a dream vacation in Toledo Spain where she had fallen in love with the culture the people and the city She had little more than a day left on her vacation and used her unscheduled time to visit an art gallery near her hostel where she met Phillip They had a few hours together before Sarah dashed back to the safety of her familiar life Vacation Sarah was little threat to Satan in Toledo even if her witness did win one man to the Enemy The salvation of this waiter was an incidental note on the demon Warning s report to his Master But Sarah doesn t stay in her room and Phillip isn t a man to give up easily Warning Satan s demon observer reports to his Master that Sarah is becoming a real threat to Satan s plans Demons are ordered to intervene but Sarah s angels don t leave her defenseless Is God working and answering prayers Will the assigned demons keep Sarah from a future with Phillip who is not saved and who has distanced himself from God
