## **Married In White:**

**Is Marriage for White People?** Ralph Richard Banks, 2011-09-01 A distinguished Stanford law professor examines the steep decline in marriage rates among the African American middle class and offers a paradoxical nearly incendiary solution Black women are three times as likely as white women to never marry That sobering statistic reflects a broader reality African Americans are the most unmarried people in our nation and contrary to public perception the racial gap in marriage is not confined to women or the poor Black men particularly the most successful and affluent are less likely to marry than their white counterparts College educated black women are twice as likely as their white peers never to marry Is Marriage for White People is the first book to illuminate the many facets of the African American marriage decline and its implications for American society The book explains the social and economic forces that have undermined marriage for African Americans and that shape everyone's lives It distills the best available research to trace the black marriage decline's far reaching consequences including the disproportionate likelihood of abortion sexually transmitted diseases single parenthood same sex relationships polygamous relationships and celibacy among black women This book centers on the experiences not of men or of the poor but of those black women who have surged ahead even as black men have fallen behind Theirs is a story that has not been told Empirical evidence documents its social significance but its meaning emerges through stories drawn from the lives of women across the nation Is Marriage for White People frames the stark predicament that millions of black women now face marry down or marry out At the core of the inquiry is a paradox substantiated by evidence and experience alike If more black women married white men then more black men and women would marry each other This book not only sits at the intersection of two large and well established markets race and marriage it responds to yearnings that are widespread and deep in American society The African American marriage decline is a secret in plain view about which people want to know more intertwining as it does two of the most vexing issues in contemporary society The fact that the most prominent family in our nation is now an African American couple only intensifies the interest and the market A book that entertains as it informs Is Marriage for White People will be the definitive guide to one of the most monumental social developments of the past half century

**Why Black Men Love White Women** Rajen Persaud, 2009-03-03 Why do so many black men desire and covet the company of white women And why does this subject deeply touch so many people of both races Is it a matter of love sex revenge power or politics All of the above asserts Rajen Persaud in this illuminating no holds barred book that will have readers laughing with recognition while fundamentally changing the way they see just about everything from sex and marriage to gender and race in all its foibles pretensions and ultimate possibilities *Demographic Characteristics of*

**White Women, Black Men** Martha Hodes, 2014-07-01 This book is the first to explore the history of a powerful category of illicit sex in America s past liaisons between Southern white women and black men Martha Hodes tells a series of stories about such liaisons in the years before the Civil War explores the complex ways in which white Southerners tolerated them in the slave South and shows how and why these responses changed with emancipation Hodes provides details of the wedding of a white servant woman and a slave man in 1681 an antebellum rape accusation that uncovered a relationship between an unmarried white woman and a slave and a divorce plea from a white farmer based on an adulterous affair between his wife and a neighborhood slave Drawing on sources that include courtroom testimony legislative petitions pardon pleas and congressional testimony she presents the voices of the authorities eyewitnesses and the transgressors themselves and these voices seem to say that in the slave South whites were not overwhelmingly concerned about such liaisons beyond the racial and legal status of the children that were produced Only with the advent of black freedom did the issue move beyond neighborhood dramas and into the arena of politics becoming a much more serious taboo than it had ever been before Hodes gives vivid examples of the violence that

followed the upheaval of war when black men and white women were targeted by the Ku Klux Klan and unprecedented white rage and terrorism against such liaisons began to erupt An era of terror and lynchings was inaugurated and the legacy of these sexual politics lingered well into the twentieth century     *Vital Statistics- Special Reports* ,1956     **Monthly Vital Statistics Report** National Center for Health Statistics (U.S.),1988     **Biographic Register of the Department of State** United States. Department of State,1944     **Genealogical and Family History of Southern New York and the Hudson River Valley** Cuyler Reynolds,1914     Sex Cells Rene Almeling,2011-09-20 Unimaginable until the twentieth century the clinical practice of transferring eggs and sperm from body to body is now the basis of a bustling market In Sex Cells Rene Almeling provides an inside look at how egg agencies and sperm banks do business Although both men and women are usually drawn to donation for financial reasons Almeling finds that clinics encourage sperm donors to think of the payments as remuneration for an easy job Women receive more money but are urged to regard egg donation in feminine terms as the ultimate gift from one woman to another Sex Cells shows how the gendered framing of paid donation as either a job or a gift not only influences the structure of the market but also profoundly affects the individuals whose genetic material is being purchased     Monthly Vital Statistics Report ,1986     **Biographical Sketches of Representative Citizens of the State of New Hampshire** New England Historical Publishing Company,1902     *The Genealogical Advertiser* ,1900     **Beyond the Color Line** Abigail Thernstrom,2002-05-01 Twenty five essays covering a range of areas from religion and immigration to family structure and crime examine America s changing racial and ethnic scene They clearly show that old civil rights strategies will not solve today s problems and offer a bold new civil rights agenda based on today s realities
