

An illustration of a man and a woman sitting on a park bench. The woman, on the left, is wearing a bright pink dress and white shoes, looking towards the man with a slight smile. The man, on the right, is wearing a purple shirt and dark pants, looking back at her. A small red ring box sits on the bench between them. The background is a bright blue sky with green foliage and falling petals.

The Typewriter Girl Alison Atlee,2013-01-29 ALL BETSEY DOBSON HAS EVER ASKED IS THE CHANCE TO BE VIEWED ON HER OWN MERITS BUT IN A MAN S WORLD THAT IS THE UNFORGIVABLE SIN When Betsey disembarks from the London train in the seaside resort of Idensea all she owns is a small valise and a canary in a cage After attempting to forge a letter of reference she knew would be denied her Betsey has been fired from the typing pool of her previous employer Her vigorous protest left one man wounded another jilted and her character permanently besmirched Now without money or a reference for her promised job the future looks even bleaker than the debacle behind her But her life is about to

change because a young Welshman on the railroad quay waiting for another woman is the one man willing to believe in her Mr Jones is inept in matters of love but a genius at things mechanical In Idensea he has constructed a glittering pier that astounds the wealthy tourists And in Betsey he recognizes the ideal tour manager for the Idensea Pier Pleasure Building Company After a lifetime of guarding her secrets and breaking the rules Betsey becomes a force to be reckoned with Now she faces a challenge of another sort not only to outrun her sins but also to surrender to the reckless tides of love *The Magic Journey* John Nichols,2013-12-10 Spanning forty years the second book in John Nichols s New Mexico trilogy *The Magic Journey* tells the tale of how relentless progress transformed a rural backwater into a boomtown Boom times came to the forgotten little southwestern town of Chamisaville just as the rest of America was in the Great Depression They came when a rattletrap bus loaded with stolen dynamite blew sky high leaving behind a giant gushing hot spring Within minutes the town s wheeler dealers had organized and within a year Chamisaville was flooded with tourists and pilgrims and the wheeler dealers were rich At first it was a magic time for Chamisaville almost as if every day were a holiday But the euphoria gradually dissipated and the land hungry developers speculators and interlopers moved in Finally the day came when Chamisaville s people found themselves all but displaced their children no longer heirs to their land or their tradition With mounting intensity *The Magic Journey* reaches a climax that is tragically foreordained A sensitive vital and honest chronicle of life in America s Southwest it is also an incisive commentary on what America has become on its road to progress *The Magic Journey* is part of John Nichols s New Mexico trilogy which includes *The Milagro Beanfield War* and *The Nirvana Blues*
