Marthas Vineyard An Affectionate Memoir:

Martha's Vineyard Ray G. Ellis, Ralph Graves, 1995-04-01 The legendary island of Martha's Vineyard is revealed as never before through inspiring paintings by Ray Ellis and a captivating history by Ralph Graves Martha's Vineyard is a celebrated vacation haven equally captivating summer residents and daytrippers Among the Island's ardent admirers was Ray Ellis whose paintings created over a 25 year period depict his love of the Vineyard and Ralph Graves whose lively affectionate history spans 400 years Offering great natural beauty the Vineyard separated from Cape Cod by a seven mile stretch of ocean is a perfect place for a summer vacation The Islands devotees have included public people who value their privacy Jacqueline Onassis Princess Diana and President Clinton to name a few as well as ordinary folks who are seeking a special holiday Featuring 100 of Ray Ellis luminescent oils and watercolors this book provides a unique appreciation of the Islands delights Here is a wide range of scenes from quiet landscapes to such beloved annual events as the county fair In addition to vignettes of sunny months Ray Ellis salutes the Vineyard at other times of the year the glorious arrival of fall the sedate pace of winter and the inaugural of springtime Rounding out this marvelous pictorial album is a fascinating text by Ralph Graves He has written a concise history from its discovery in 1602 to its present day active conservation efforts The memoir also includes interviews with five long time residents who provide insightful firsthand accounts of their special connection to the Island This book is an ideal gift for anyone who has ever felt the lure of the Vineyard as well as for those who have yet to fall in love with this extraordinary Island

Objects Of Desire Ralph Graves, 2003-05-22 This is a love story told in a completely different way Eleanor MacKenzie just graduated from Barnard and Ralph Graves just graduated from Harvard met as brand new researchers at Life magazine in September 1948 They soon married other people but the two couples then became closest friends After seven years of that closeness Eleanor and Ralph realized that they were profoundly in love Both went through bitter and punitive divorces to get to each other It was worth it They have now been married for 45 years This book is the story of their love and marriage told through the myriad objects that have played a significant role in that story Gifts homes cars painting books furniture jewelry clothes all are invested with a deeply emotional value that grew out of what those objects of desire meant to these two people But the story does not apply only to these two particular people As Ralph Graves says about these objects of desire They have resonance Each of us in every love story in every marriage can name special objects that carry that resonance The objects are different for each of us but the resonance is the same The book is an intimate picture of resonance in love and marriage

Littell,2025-08-22 For over twenty years Robert Littell was John F Kennedy Jr s closest confidant Now in a beautiful and moving memoir Littell introduces us to the private John A story of laughter and sorrow joy and heartbreak The Men We Became is an unforgettable memoir Rob Littell was a freshman at Brown when he met the young JFK Jr during orientation week Although Littell came from a privileged background it was worlds apart from the glamorous life of the son of the late President and Jacqueline Kennedy Onassis Eager to be accepted on his own terms Kennedy admired Littell s irreverence toward his celebrity and they became close friends John opened up to Littell on a very personal level revealing the complex and sometimes tense nature of his relationships with his sister and cousins as well as his mother s extraordinary influence on John and how they both worked to keep it from being overbearing John s marriage had its ups and downs and Carolyn had made enemies of some of his friends but she was in great shape mentally and physically and they were planning to have children Littell recounts wonderful dinners at Jacqueline Onassis s apartment where she surprised him with his favorite dinner of specially burned hamburgers and weekends at her retreat in Martha s Vineyard where she critiqued their touch football while lying on a chaise lounge her face covered in cold cream and cucumber slices As students Littell and Kennedy bummed around Europe They slept in Hyde Park sampled the pleasures of Amsterdam ran afoul of customs officers and almost got busted at the Ritz Hotel for smoking pot They even shared apartments in New York City until Jackie summoned them to dinner one day and gently suggested it was time to grow up The two went on to pursue their professional lives John trained as a lawyer and Littell speaks of his friend s anguish at repeatedly failing the bar and then he founded his own political magazine which seemed only fitting because Kennedy yearned to live up to the family name and accepted that politics would be his destiny Later on Littell was a part of JFK Jr s secret wedding to Carolyn Bessette on Cumberland Island Georgia and three years later a pallbearer at his funeral From shared adventures private moments and lasting memories Robert Littell offers a unique look at John F Kennedy Jr s life one that has never been seen before Sketches of Martha's Vineyard and Other Reminiscences of Travel at Home, Etc Samuel Adams Devens,1838 *Travel & Leisure* ,1996

Champagne Kisses, Cyanide Dreams Ralph Graves,2003-06 I Growing up in Manhattan and attending Groton and Harvard I learned to tolerate many frightful people But you have to draw the line somewhere I drew the line at Mildred Silk Thus are we introduced to Jason Arnold occasional writer bon vivant and acerbic observer of life on Martha s Vineyard the exclusive preserve of the rich the privileged and the famous And few of the island s denizens are more determinedly rich privileged and famous than Millie Silk Famous most of all for her acid tongue and general mean spiritedness Millie is about to publish her most extravagant no holds barred celebrity expose ever But the presses may never roll once she is murdered

at her own party in plain sight of nearly two dozen witnesses All the island enemies and admirers alike is aghast Rounding up the suspects is easy the killer must have been present at the party and every last one of the guests seems to have had an excellent motive But as the police begin to investigate the most likely suspects also begin to die one by one and all by cyanide Champagne Kisses Cyanide Dreams is a frequently sarcastic often hilarious and unflaggingly thrilling tour through the celebrity mansions and gardens of a Vineyard most tourists never see Ralph Graves is a suave and civilized writer who manages to be very funny very suspenseful and very entertaining **Travel Holiday** ,1995-07 *The Dukes County Intelligencer* ,1999 *Books in Print* ,1991 *The Writer's Directory*, 1998-2000 Miranda H.
