Martin Luther King The Man Behind The Myth:

Martin Luther King Des Griffin,1987 *King: A False Prophet?* Erien L. Frazier,2012-12-19 This book takes an out of the ordinary nearly controversial look at one of America s most celebrated icons The author takes a unique look at Martin Luther King Jr from a biblical and historical perspective to determine from the wisdom found in the Holy Bible whether King was a true or false prophet The civil rights movement along with the goal of integration are also looked at to provide another viewpoint from the one most accepted today *The Greatest Lie on Earth (Expanded Edition)* Edward Hendrie,2018-09-12 This book reveals the mother of all conspiracies It sets forth biblical proof and irrefutable evidence that will cause the scales to fall from your eyes and reveal that the world you thought existed is a myth The most universally accepted scientific belief today is that the earth is a globe spinning on its axis at a speed of approximately 1 000 miles per hour at the equator while at the same time it is orbiting the sun at approximately 66 600 miles per hour All of this is happening as the sun in turn is supposed to be hurtling through the Milky Way galaxy at approximately 500 000 miles per hour The Milky Way galaxy itself is alleged to be racing through space at a speed ranging from 300 000 to 1 340 000 miles per hour What most people are not told is that the purported spinning orbiting and speeding through space has never been proven In fact every scientific experiment that has ever been performed to determine the motion of the earth has proven that the earth is stationary Yet textbooks ignore the scientific proof that contradicts the myth of a spinning and orbiting globe Christian schools have been hoodwinked into teaching heliocentrism despite the clear teaching in the bible that the earth is not a sphere and does not move This book reveals the evil forces behind the heliocentric deception and why scientists and the Christian churches have gone along with it **Behind the Public Veil** Lewis V. Baldwin,2016-06-03 What was Martin Luther King Jr really like In this groundbreaking volume Lewis V Baldwin answers this question by focusing on the man himself Drawing on the testimonies of friends family and closest associates this volume adds much needed biographical background to the discussion as Baldwin looks beyond all of the mythic messianic and iconic images to treat King in terms of his fundamental and vivid humanness Special attention is devoted to King s personal insecurities and struggles his humility and affinity to common people his delight in pleasant and passionate conversation his insatiable love for the precious but ordinary things of life his robust appetite for artfully prepared and delicious soul food his enduring appreciation for music and dance his cheerful and playful attitude and spirit his abiding interest in games and sports and his amazing gift of wit humor and laughter King emerges here as an ordinary human being who enjoyed and celebrated life to the fullest but was never bigger than life Here we see the personal qualities of King as a real fleshly human being and also as a man shaped by his social and cultural experiences and locations This book reclaims the man behind the mythology **The Biography Book** Daniel S. Race and News Christopher P. Campbell, Kim M. LeDuff, Cheryl D. Jenkins, Rockell A.
