## **Martin Niemöller:**

**Pastor Martin Niemöller, Admiral Karl Dönitz, and the German Experience of the 20th Century** Lawrence Sondhaus, 2025-06-02 This book traces the remarkable lifelong friendship of Martin Niemöller the Evangelical minister who defied Hitler and Karl Dönitz the mastermind of Germany's submarine campaigns in World War II who ultimately succeeded Hitler. From their days as cadets at the German naval academy in the years 1910-1913 to their deaths in the early 1980s their story is full of ironies and unexpected twists. After World War I Dönitz served the Weimar Republic and shunned the far right while Niemöller briefly left his seminary studies to command a battalion in the right wing Freikorps. Then after World War II when Niemöller was hailed for his principled Christian resistance to Hitler and Dönitz indicted for war crimes Niemöller volunteered to help with his old friend's defense at the Nuremberg Trials. Finally late in life Dönitz a hero for unrepentant Nazis and Niemöller a world renowned pacifist frequently shared a table at navy class reunions throughout the 1960s and 1970s. In the end they and their friends and classmates learned to love their country in ways that differed from the chauvinistic nationalism of their youth. In this manner their lives were emblematic of the transformation of their generation and of Germany as a whole.

**Then They Came for Me** Matthew D Hockenos, 2018-09-18 First they came for the Communists and I did not speak out. Because I was not a Communist. Few today recognize the name Martin Niemöller though many know his famous confession. In **Then They Came for Me** Matthew Hockenos traces Niemöller's evolution from a Nazi supporter to a determined opponent of Hitler revealing him to be a more complicated figure than previously understood. Born into a traditionalist Prussian family Niemöller welcomed Hitler's rise to power as an opportunity for national rebirth. Yet when the regime attempted to seize control of the Protestant Church he helped lead the opposition and was soon arrested. After spending the war in concentration camps Niemöller emerged a controversial figure to his supporters he was a modern Luther while his critics including President Harry Truman saw him as an unrepentant nationalist. A nuanced portrait of courage in the face of evil. **Then They Came for Me** puts the question to us today: What would I have done?

**The Company of the Preachers**, **Dachau, Holocaust, and US Samurais** Pierre Moulin, 2007 Well known historian Pierre Moulin published successively **US Samurais en Lorraine**, **Chronicle of Bruyeres in Vosges** in French 50th anniversary of the liberation of Vosges, **US Samurais in Bruyeres** in French and English and many others. He was made honorary citizen of Hawaii, San Antonio, Texas and Fresno, California. On the summary of this historical and pictorial book 295 pictures you will find the true story of Dachau from 1933 to nowadays. For the first time the real role played in the liberation of the death camp's prisoners by the Japanese American Unit the 522nd Field Artillery. The Holocaust with all its horror shows the Jewish Final Solution. The survivors of the Shoah, the Righteous Among the Nations and for the first time published the story of the diplomats saving Jews in Visas for Life. More than 60 years ago on April 29th 1945 Dachau was liberated and the entire world was in shock in front of this unbelievable reality. Today the young generation doesn't even know the name of Hitler. This book is for them.

and their parents to keep the story alive Their world is bristling with traps and we would be responsible if we don't prepare them as best as we could To inform our children is our duty We have to remain vigilant and prove again and again those facts happened This bloody page of inhumanity should not be forgotten Wishing the men took the lesson of the History the last words of this book were Never Again but Dachau Holocaust and U S Samurais is a non fiction telling the story of the Holocaust the Final Solution of the Jewish question and especially the history of the first Nazi concentration camp Dachau from 1933 to 1945 222 pages in pictures The role played at the liberation by the Samurais of the 522nd Field Artillery battalion of the US Army composed exclusively by Americans of Japanese Ancestry who came from Concentration camps in the USA The statistics of the Holocaust but also the story of the Righteous Among the Nations the non Jewish people who saved Jews during the war and for the first time printed the story of Visas for life the Diplomats of who saved thousands of Jews More than 400 pictures recall the atrocities committed by the Nazis This story must be told ever and ever to be never forgotten

*Confronting the Nazi War on Christianity* Richard Bonney, 2009 Contemporaries and historians have found it difficult to interpret the ambiguous relationship between National Socialism and Christianity Both the Catholic and Protestant Churches tended to agree with National Socialists in their authoritarianism their attacks on socialism and communism and their campaign against the Versailles Treaty but the doctrinal position of the Churches could not be reconciled with the principle of racism a foreign policy of unlimited aggressive warfare or a domestic agenda involving the complete subservience of Church to State Important sections of the Nazi Party sought the complete extirpation of Christianity and its substitution by a purely racial religion but considerations of expediency made it impossible for the National Socialist leadership to adopt this radical anti Christian stance as official policy The Kulturkampf Newsletters which have not appeared in English since the 1930s were produced by German Catholic exiles in France They scrupulously document the tensions between various strands of Nazi policy and the nature of the policy eventually adopted this was to reduce the Churches influence in all areas of public life through the use of every available means yet without provoking the difficulties diplomatic as well as domestic which an openly declared war of extermination might have caused

**Hitler's Personal Prisoner** Benjamin Ziemann, 2024 From 1938 to 1945 the Protestant church leader Martin Niemöller was detained as Hitler's Personal Prisoner in Nazi concentration camps and has been widely hailed as an icon of Christian resistance against the Nazis Benjamin Ziemann uncovers a more problematic historical Niemöller behind the legend of the resistance hero

**Keine Gewalt! No Violence!** Roger J. Newell,2017-10-04 A study tour to Leipzig in the former East Germany GDR raised new questions for Roger Newell about the long struggle of the Protestant church with the German state in the twentieth century How was it possible that a church unable to stop the Nazis helped bring a totalitarian government to its knees fifty years later How did an institution marginalized in every way possible by the state education system stripped of its traditional privileges ridiculed by the government and the media as a dinosaur become the catalyst for a transformation that enabled a great but troubled nation to be peacefully reunited something unprecedented in German history What were the connecting relationships and theological struggles that joined the church's failed resistance to Hitler with the peaceful revolution of 1989 The chapters that follow tell the backstory of the theological debates and personal acts of faith and courage leading to the moment when the church became the cradle for Germany's only nonviolent revolution The themes that emerge remain relevant for our own era of seemingly endless conflict **Yearbook of Transnational History** Thomas Adam,2022-05-05 The Yearbook of Transnational History is dedicated to disseminating pioneering research in the field of transnational history This fifth volume advances the frontier of transnational history into early modern times The six chapters of this volume explore topics and themes from early modern times to the fall of Communism This volume includes chapters about the Huguenots and Sephardi Jews as transnational nations in the seventeenth and eighteenth century the construction of cannabis knowledge cultures in the transatlantic world of the nineteenth century the role of the German pastor Martin Niemoeller in the construction of transnational religious identities in the aftermath of World War II and the labor migration from Cuba to East Germany within the Socialist world in the 1970s and 1980s *The Encyclopedia of Christianity* Erwin Fahlbusch,Geoffrey William Bromiley,1999 The Encyclopedia of Christianity is the first of a five volume English translation of the third revised edition of Evangelisches Kirchenlexikon Its German articles have been tailored to suit an English readership and articles of special interest to English readers have been added The encyclopedia describes Christianity through its 2000 year history within a global context taking into account other religions and philosophies A special feature is the statistical information dispersed throughout the articles on the continents and over 170 countries Social and cultural coverage is given

to such issues as racism genocide and armaments while historical content shows the development of biblical and apostolic traditions This comprehensive work while scholarly is intended for a wide audience and will set the standard for reference works on Christianity Outstanding reference sources 2000 American Libraries May 2000 Comp by the Reference Sources Committee RUSA ALA

**The Politics of Peace** Petra Goedde, 2019-01-10 During a television broadcast in 1959 US President Dwight D Eisenhower remarked that people in the long run are going to do more to promote peace than our governments Indeed I think that people want peace so much that one of these days our governments had better get out of the way and let them have it At that very moment international peace organizations were bypassing national governments to create alternative institutions for the promotion of world peace and mounting the first serious challenge to the state centered conduct of international relations This study explores the emerging politics of peace both as an ideal and as a pragmatic aspect of international relations during the early cold war It traces the myriad ways in which a broad spectrum of people involved in and affected by the cold war used altered and fought over a seemingly universal concept These dynamic interactions involved three sets of global actors cold war states peace advocacy groups and anti colonial liberationists These transnational networks challenged and eventually undermined the cold war order They did so not just with reference to the United States the Soviet Union and Western Europe but also by addressing the violence of national liberation movements in the Third World As Petra Goedde shows in this work deterritorializing the cold war reveals the fractures that emerged within each cold war camp as activists both challenged their own governments over the right path toward global peace and challenged each other over the best strategy to achieve it The Politics of Peace demonstrates that the scientists journalists publishers feminists and religious leaders who drove the international discourse on peace after World War II laid the groundwork for the eventual political transformation of the Cold War

*Germany, 1858-1990* Alison Kitson, 2001 Specially written for the AS A2 examinations this book combines extended period cover with detailed focus on exam board selected topics The lively accessible text is supplemented by Spotlights providing detailed study of sources on key issues and topics and Document Exercises which offer opportunities for assessment and exam practice Covering almost 150 years between unification and reunification with a particular emphasis on the interwar years the text encourages students to think for themselves around the issues that have affected German history during this period and to consider important historical debates and controversies

Hitler: Ascent Volker Ullrich, 2017-10-24 NEW YORK TIMES BESTSELLER This landmark biography of Hitler puts an emphasis on the man himself his personality his temperament and his beliefs A fascinating Shakespearean parable about how the confluence of circumstance chance a ruthless individual and the willful blindness of others can transform a country and in Hitler s case lead to an unimaginable nightmare for the world Michiko Kakutani The New York Times Volker Ullrich s Hitler the first in a two volume biography has changed the way scholars and laypeople alike understand the man who has become the personification of evil Drawing on previously unseen papers and new scholarly

A Church Divided Matthew D. Hockenos, 2004-10-20 This book closely examines the turmoil in the German Protestant churches in the immediate postwar years as they attempted to come to terms with the recent past Reeling from the impact of war the churches addressed the consequences of cooperation with the regime and the treatment of Jews In Germany the Protestant Church consisted of 28 autonomous regional churches During the Nazi years these churches formed into various alliances One group the German Christian Church openly aligned itself with the Nazis The rest were cautiously opposed to the regime or tried to remain noncommittal The internal debates however involved every group and centered on issues of belief that were important to all Important theologians such as Karl

Barth were instrumental in pressing these issues forward While not an exhaustive study of Protestantism during the Nazi years *A Church Divided* breaks new ground in the discussion of responsibility guilt and the Nazi past **Their Brothers' Keepers** Philip Friedman,2018-12-01 This book documents the tales of scores of Christian heroes and heroines from all walks of life in various European countries who aided the oppressed escape the Nazi terror Christians in Czechoslovakia Yugoslavia Bulgaria Greece France Italy Hungary and Eastern Europe defied Gestapo truncheons to be their brothers keepers Fully documented addition to material which has not been treated before in this way One of the most thrilling stories of our generation excitingly written and well documented it serves as an inspiration for all those who have the courage to express their love to their fellowman The Very Rev JAMES A PIKE Dean of the Cathedral of St John the Divine in New York a major document of human solidarity this story testifies to the survival of the spirit of heroism as well as of martyrdom in behalf of humanitarian ideals Professor SALO W BARON Columbia University I commend this work to all who are interested in seeing how people reached up gentle hands and took Christ s law of love out of the sky and put it into practice I hope it is read by millions Rev JOHN A O BRIEN University of Notre Dame **The Quote Verifier** Ralph Keyes,2007-04-01 Our language is full of hundreds of quotations that are often cited but seldom confirmed Ralph Keyes s *The Quote Verifier* considers not only classic misquotes such as Nice guys finish last and Play it again Sam but more surprising ones such as Ain t I a woman and Golf is a good walk spoiled as well as the origins of popular sayings such as The opera ain t over till the fat lady sings No one washes a rented car and Make my day Keyes s in depth research routinely confounds widespread assumptions about who said what where and when Organized in easy to access dictionary form *The Quote Verifier* also contains special sections highlighting commonly misquoted people and genres such as Yogi Berra and Oscar Wilde famous last words and misremembered movie lines An invaluable resource for not just those with a professional need to quote accurately but anyone at all who is interested in the roots of words and phrases *The Quote Verifier* is not only a fascinating piece of literary sleuthing but also a great read
