Martin Van Buren The Romantic Age Of American Politics

John Niven

Martin Van Buren The Romantic Age Of American Politics:

Martin Van Buren John Niven, 2000-06 They called him the Magician the Red Fox and other names that celebrated his political skill And indeed there is no doubt that Martin Van Buren was the most innovative politician of his age In the first modern biography of the eighth President John Niven reveals a man who was preeminently a statesman not just a superb practitioner of the art of the possible as he is commonly depicted First prominent in New York politics Van Buren served as Andrew Jackson's Secretary of State and later as his vice president The balance wheel of the administration he was Jackson's most influential adviser His own presidency 1837-1841 was beset by the worst depression the United States had yet faced but as Niven shows Van Buren met the crisis with courage His corrective measures incensed the financial community but saved the public credit Defeated in the 1840 election he was denied the Democratic nomination in 1844 for opposing on moral grounds the immediate annexation of Texas In 1848 as the presidential candidate for the anti-slavery Free Soil Party he again lent his name to an unpopular cause he felt was right Charming witty enigmatic Van Buren could hold his own with the other key political figures of his day Jackson Henry Clay Daniel Webster John C Calhoun John Quincy Adams Correcting many false images of Van Buren including the view that he was a compromiser on the slavery issue this authoritative biography unveils a brilliant career in American political life set against the backdrop of a fascinating era Book jacket **A Companion to the**

Antebellum Presidents, 1837 - 1861 Joel H. Silbey, 2014-01-06 A Companion to the Antebellum Presidents presents a series of original essays exploring our historical understanding of the role and legacy of the eight U.S. presidents who served in the significant period between 1837 and the start of the Civil War in 1861 Explores and evaluates the evolving scholarly reception of Presidents Van Buren Harrison Tyler Polk Taylor Fillmore Pierce and Buchanan including their roles behaviors triumphs and failures Represents the first single volume reference to gather together the historiographic literature on the Antebellum Presidents Brings together original contributions from a team of eminent historians and experts on the American presidency Reveals insights into presidential leadership in the quarter century leading up to the American Civil War Offers fresh perspectives into the largely forgotten men who served during one of the most decisive quarter centuries of United States history *The Presidency of Martin Van Buren* Major L. Wilson, 1984 Martin Van Buren eighth president of the

United States has been judged harshly by some historians as a politician by trade and a spoilsman without principles a little magician who was interested only in his own advancement This volume provides a thorough recounting of the events and decisions of Van Buren's White House years 1837-1841 and adds to the positive reappraisal of Van Buren as an able statesman and effective chief executive Wilson stresses that Van Buren faced the major problems of his presidency with courage and consistency and that he brought repose to a nation wrenched both by sectional differences and by the violent fluctuations of economic expansion and contraction Wilson discusses Van Buren's close relationship with Andrew Jackson and substantially qualifies the persistent interpretation of the Van Buren presidency as the third term of Jackson Van Buren a

pragmatic Jeffersonian with a statesmanlike concern for order reversed Jackson's priorities Wilson describes how Van Buren resolved the crisis with Mexico and succeeded in keeping peace with Britain at a time when incidents arising out of rebellion in Canada and the disputed Maine boundary might have precipitated war The most distinctive contribution of this volume is its in depth analysis of the economic and political aspects of Van Buren's domestic policy especially the Independent Treasury the issue that gave basic shape to his entire presidency Jackson had divorced the Treasury from the national bank Van Buren took one further step and rendered the operations of the Treasury independent of the state banks as well By the end of his term debate on the issues of currency and enterprise had brought the second party system in the U S to maturity In 1840 Van Buren's views in this area would cost him reelection This study sheds lights on a turbulent period in American history and contributes to our understanding of Martin Van Buren's achievements He kept the nation out of war reduced sectional tensions and established the basis for a fiscal policy which he believed would bring greater stability to economic development

Encyclopedia of U.S. Political History Andrew Whitmore Robertson, 2010 Annotation st1 behavior url ieouui
Unparalleled coverage of U S political development through a unique chronological framework Encyclopedia of U S Political History explores the events policies activities institutions groups people and movements that have created and shaped political life in the United States With contributions from scholars in the fields of history and political science this seven volume set provides students researchers and scholars the opportunity to examine the political evolution of the United States from the 1500s to the present day With greater coverage than any other resource the Encyclopedia of U S Political History identifies and illuminates patterns and interrelations that will expand the reader's understanding of American political institutions culture behavior and change Focusing on both government and history the Encyclopedia brings exceptional breadth and depth to the topic with more than 100 essays for each of the critical time periods covered With each volume covering one of seven time periods that correspond to key eras in American history the essays and articles in this authoritative encyclopedia focus on the following themes of political history The three branches of government Elections and political parties Legal and constitutional histories Political movements and philosophies and key political figures Economics Military politics International relations treaties and alliances Regional histories Key Features Organized chronologically by political eras Reader's guide for easy topic searching across volumes Maps photographs and tables enhance the text Signed entries by a stellar group of contributors VOLUME 1 Colonial Beginnings through Revolution 1500 1783 Volume Editor Andrew Robertson Herbert H Lehman College The colonial period witnessed the transformation of thirteen distinct colonies into an independent federated republic This volume discusses the diversity of the colonial political experience a diversity that modern scholars have found defies easy synthesis as well as the long term conflicts policies and events that led to revolution and the ideas underlying independence VOLUME 2 The Early Republic 1784 1840 Volume Editor Michael A Morrison Purdue University No period in the history of the United States was more critical to the foundation and shaping of

American politics than the early American republic This volume discusses the era of Confederation the shaping of the U S Constitution and the development of the party system **Encyclopedia of the American Presidency, Fourth Edition** Michael Genovese,2021-04-01 Praise for the first edition An altogether excellent introduction to the study of the presidency of the United States Library Journal entries are well written an excellent addition American Reference Books Annual an excellent resource recommended Booklist Highly recommended Choice The most up to date reference of its kind

Encyclopedia of the American Presidency Fourth Edition is the definitive guide to the role of the president from the American Revolution through the present day Offering a complete account of the presidency in U S history this A to Z encyclopedia will make a great first stop for students and general readers looking for information on the executive branch of the American government Its comprehensive scope spans the relationship between the executive and the other branches of government court cases elections political opponents scandals and more A valuable resource that provides concise information

Encyclopedia of the American Presidency Fourth Edition contains more than 750 entries Entries include Bully pulpit Commander in chief Economic policy Executive privilege Kamala Harris Impeachment Iraq War Thomas Jefferson Middle East Military tribunals New Deal Oval Office Franklin D Roosevelt Situation room Donald Trump Veto power War powers Watergate White House and more **Where Did the Party Go?** Jeff Taylor,2006 Using a twelve point model of Jeffersonian thought Taylor appraises the competing views of two Midwestern liberals William Jennings Bryan and Hubert Humphrey on economic policy foreign relations and political reform to demonstrate how the Democratic party lost its place in Middle America Provided by publisher *The American Political Nation, 1838-1893* Joel Silbey,1994-07-01 This is a detailed analysis and description of a unique era in American political history one in which political parties were the dominant dynamic force at work structuring and directing the political world **The ^AUnion at Risk** Richard E. Ellis,1989-12-28 The Nullification Crisis of 1832 1833 when the state of South Carolina challenged the doctrine of states rights by refusing to pay national tariffs was the major crisis of Andrew Jackson s presidency and a central event in antebellum American history In this clear authoritative account Richard E Ellis shows how the President s swift decisive response reaffirmed the primacy of the national government and helped to shape Jacksonian democracy The Ferocious Engine of Democracy Michael P. Riccards,2000 Opinions will vary widely on all the presidents but this work will make those opinions more penetrating and judicious James MacGregor Burns *The American Economy* Cynthia Clark,2011-03-11 A compelling compilation of short entries longer topical essays and primary source documents that chronicles the historical development of the United States from an economic perspective Based on a work originally published in 2003 The American Economy A Historical Encyclopedia has been thoroughly updated with information on the accounting scandals of the early 2000s and the recession of 2008 including the government stimulus and bailout programs and the recession s impact on key markets With more than 600 short entries 31 longer essays and 32 primary source documents the encyclopedia spans American history from colonial

times to the present Researchers will discover detailed information on people events and government actions that have shaped our economy with entries on such seminal issues as slavery migration patterns the welfare state the rise of the city and the development of financial institutions Throughout special attention is paid to the interdependence of economics with political social and cultural forces Covering everything from the national debt to monetary policy law unemployment inflation and government business relations this work is the ideal go to resource for quick answers in depth analysis or direction for further research

Storm over Texas Joel H. Silbey, 2005-08-01 In the spring of 1844 a fiery political conflict erupted over the admission of Texas into the Union This hard fought and bitter controversy profoundly changed the course of American history Indeed as Joel Silbey argues in *Storm Over Texas* it marked the crucial moment when partisan differences were transformed into a North vs South antagonism and the momentum towards Civil War leaped into high gear Silbey one of America s most renowned political historians offers a swiftly paced and compelling narrative of the Texas imbroglio which included an exceptional cast of characters from John C Calhoun and John Quincy Adams to James K Polk and Martin Van Buren We see how a series of unexpected moves some planned some inadvertent sparked a crisis that intensified and crystallized the North South divide Sectionalism Silbey shows had often been intense but rarely widespread and generally well contained by other forces After Texas statehood it became a driving force in national affairs ultimately leading to Southern secession and Civil War With subtlety great care and much imagination Joel Silbey shows that this brief political struggle became in the words of an Alabama congressman the greatest question of the age and a pivotal moment in American history

The A to Z of the Jacksonian Era and Manifest Destiny Terry Corps, 2009 The brief period from 1829 to 1849 was one of the most important in American history During just two decades the American government was strengthened the political system consolidated and the economy diversified All the while literature and the arts the press and philanthropy urbanization and religious revivalism sparked other changes The belief in Manifest Destiny simultaneously caused expansion across the continent and the wretched treatment of the Native Americans while arguments over slavery slowly tore a rift in the country as sectional divisions grew and a national crisis became almost inevitable

Party Over Section Joel H. Silbey, 2009 A leading political historian of antebellum America examines the hard fought three way presidential race of 1848 Reveals how Martin Van Buren and his Free Soil party challenged Whigs and Democrats by making slavery a key issue representing a harbinger of the change that was to come even though they only garnered 10 percent of the vote

The Presidency and the Politics of Racial Inequality Russell Lowell Riley, Russell Lynn Riley, 1999 The U S occupation of Japan transformed a brutal war charged with overt racism into an amicable peace in which the issue of race seemed to have disappeared During the Occupation the problem of racial relations between Americans and Japanese was suppressed and the mutual racism transformed into something of a taboo so that the two former enemies could collaborate in creating democracy in postwar Japan In the 1980s however when Japan increased its investment in the American market the world

witnessed a revival of the rhetoric of U S Japanese racial confrontation Koshiro argues that this perceived economic aggression awoke the dormant racism that lay beneath the deceptively smooth cooperation between the two cultures This pathbreaking study is the first to explore the issue of racism in U S Japanese relations With access to unexplored sources in both Japanese and English Koshiro is able to create a truly international and cross cultural study of history and international relations

James K. Polk and His Time Michael David Cohen, 2023-08-18 This collection arose out of a 2019 conference to commemorate the completion of the fourteen volume Correspondence of James K Polk Its scholarship which pays tribute to the Polk Project itself as well as to the controversial nature of the Polk legacy will result in a significant reinterpretation of the eleventh US president Contributors include John F Polk who examines the ways history has mischaracterized almost the entire Polk family tree and Kelly Houston Jones who investigates the family s investments in slave based agriculture The fascinating life of Elias Polk a man enslaved by the president is compellingly related by Zacharie W Kinslow Asaf Almog analyzes the persistence of labels Polk and fellow Democrats labeled their Whig opponents Federalists he argues with both rhetorical and substantive aims Michael Gunther analyzes Polk s authorization of the Smithsonian Institution and the Department of the Interior seemingly at odds with his devotion to small government Taken together the twelve essays unveil a more complex James K Polk than the narrowly focused Jackson prote ge and proponent of Manifest Destiny we often hear about He was politically partisan but inspired by history and grounded in principle His family s long reliance on nonwhite Americans losses of freedom and land informed his policies on slavery and Indian removal and the nature of the legislation at hand determined when he promoted a larger or a smaller federal government James K Polk and His Time helps us to unde

William Henry Harrison Kenneth R. Stevens, 1998-08-20 Although William Henry Harrison died a month after becoming President he lived a full and accomplished life before assuming the presidency As a member of Congress he sponsored legislation dividing the Northwest Territory As governor of the Indiana Territory he led a movement to suspend the provisions of the Northwest Ordinance and earned a reputation for acquiring large land cessions from the Indian tribes winning the affection of white settlers and the animosity of Native Americans Serving as brigadier general during the War of 1812 he then served in the Ohio legislature and the U S Senate and was named minister to Colombia This bibliography provides a guide to the literature on his extensive career

The Presidency of James K. Polk Paul H. Bergeron, 1987 James K Polk was one of the strongest and most active presidents ever to occupy the office In the nineteenth century only Jefferson Jackson and Lincoln matched his overall leadership and domination of national government Bergeron s crisp insightful narrative shows how and why Polk achieved such stature and yet failed to attract the kind of popular support or retrospective recognition granted other presidential luminaries A native of North Carolina Polk prepared for the presidency by honing his leadership skills as a seven term congressman speaker of the house and governor of Tennessee Bergeron s summary and analysis of those years shed light on the foundations of the presidency that followed He provides fresh new perspectives on

Polk's relationship with his cabinet, his skirmishes with Congress over domestic economic legislation and the curse of presidential patronage. But perhaps the most fascinating portions of this study are devoted to Polk's role as the western expansionist. By the end of his term the United States had acquired enormous territories in the Southwest and far West. Bergeron demonstrates that Polk adroitly used both war and diplomacy to acquire and protect these lands. When the annexation of Texas led to the outbreak of war with Mexico, Polk was forced to become commander in chief of the American forces. In contrast, the potentially explosive dispute with Great Britain over Oregon's borders was settled through purely diplomatic means. Norman A. Graebner in *America's Top Ten Presidents* declares Polk's achievements in diplomacy were among the most remarkable in American history. Drawing upon a careful review of the extensive literature on our eleventh president as well as Polk's personal diary, Bergeron has written a significant and balanced reassessment of the Polk presidency. In the process, he has also created a revealing portrait of a complex man who led the nation with imperial determination tempered with compassion, generosity, and even humor.

The Encyclopedia of the Mexican-American War
Spencer C. Tucker, 2012-10-09. This user-friendly encyclopedia comprises a wide array of accessible yet detailed entries that address the military, social, political, cultural, and economic aspects of the Mexican American War. *The Encyclopedia of the Mexican American War: A Political, Social, and Military History* provides an in-depth examination of not only the military conflict itself but also the impact of the war on both nations and how this conflict was the first waged by Americans on foreign soil and served to establish critical U.S. military, political, and foreign policy precedents. The entries analyze the Mexican American War from both the American and Mexican perspectives in equal measure. In addition to discussing the various campaigns, battles, weapons, systems, and other aspects of military history, the three-volume work also contextualizes the conflict within its social, cultural, political, and economic milieu and places the Mexican American War into its proper historical and historiographical contexts by covering the eras both before and after the war. This information is particularly critical for students of American history because the conflict fomented sectional conflict in the United States which resulted in the U.S. Civil War.

U.S. Presidents For Dummies with Online Practice
Marcus A. Stadelmann, 2020-06-16. Discover how the Oval Office's occupants have made and made history. Which one was the tallest? Which one fought a duel? Which had liquor smuggled into the White House during Prohibition? And why is the president even called the president in the first place? From periwigs and knee breeches to the 24-hour news cycle and presidential Tweets, the fascinating and colorful stories of the 45 incumbents are a powerful lens through which to view U.S. history and get insight into the present. Taking readers on a fact-filled journey through two centuries, this book examines how each individual obtained their dream or nightmare position, what they stood for or against, achieved or didn't, and how their actions affected the country for better or worse. And remembering that presidents are people too, it shows how the personal really can be political, exploring how each president's vision, strengths, and foibles helped or hindered them in building the country and their own legacy. Accessible biographies of

all presidents Sidebars timelines and photos Lists of best and worst administrations Bonus online content including quizzes galore to help build retention Whether you re a student a history buff or are even interested in becoming president yourself one day U S Presidents For Dummies is the perfect guide to what it takes to be leader of the free world who has stepped up to that challenge and how those personal histories can help us understand yesterday s today s and even tomorrow s union

Reassessing the Presidency David Gordon, Thomas J. DiLorenzo, Thomas E. Woods, Jr, Yuri N. Maltsev, Ralph Raico, Paul Gottfried, Hans-Hermann Hoppe, 2013-09-19 American Despots Amazing low sale price in defense of authentic freedom as versus the presidency that betrayed it Everyone seems to agree that brutal dictators and despotic rulers deserve scorn and worse But why have historians been so willing to overlook the despotic actions of the United States own presidents You can scour libraries from one end to the other and encounter precious few criticisms of America s worst despots The founders imagined that the president would be a collegial leader with precious little power who constantly faced the threat of impeachment Today however the president orders thousands of young men and women to danger and death in foreign lands rubber stamps regulations that throw enterprises into upheaval controls the composition of the powerful Federal Reserve and manages the priorities millions of swarms of bureaucrats that vex the citizenry in every way It is not too much of a stretch to say that the president embodies the Leviathan state as we know it Or more precisely it is not an individual president so much as the very institution of the presidency that has been the major impediment of liberty The presidency as the founders imagined it has been displaced by democratically ratified serial despotism And for that reason it must be stopped Every American president seems to strive to make the historians A list by doing big and dramatic things wars occupations massive programs tyrannies large and small in hopes of being considered among the greats such as Lincoln Wilson and FDR They always imagine themselves as honored by future generations the worse their crimes the more the accolades Well the free ride ends with Reassessing the Presidency The Rise of the Executive State and the Decline of Freedom edited by John Denson This remarkable volume 825 pages including index and bibliography is the first full scale revision of the official history of the U S executive state It traces the progression of power exercised by American presidents from the early American Republic up to the eventual reality of the power hungry Caesars which later appear as president in American history Contributors examine the usual judgments of the historical profession to show the ugly side of supposed presidential greatness The mission inherent in this undertaking is to determine how the presidency degenerated into the office of American Caesar Did the character of the man who held the office corrupt it or did the power of the office as it evolved corrupt the man Or was it a combination of the two Was there too much latent power in the original creation of the office as the Anti Federalists claimed Or was the power externally created and added to the position by corrupt or misguided men There s never been a better guide to everything awful about American presidents No you won t get the civics text approach of see no evil Essay after essay details depredations that will shock you and wonder how American liberty could

have ever survived in light of the rule of these people Contributors include George Bittlingmayer John V Denson Marshall L DeRosa Thomas J DiLorenzo Lowell Gallaway Richard M Gamble David Gordon Paul Gottfried Randall G Holcombe Hans Hermann Hoppe Jeffrey Rogers Hummel Michael Levin Yuri N Maltsev William Marina Ralph Raico Joseph Salerno Barry Simpson Joseph Stromberg H Arthur Scott Trask Richard Vedder and Clyde Wilson

Martin Van Buren The Romantic Age Of American Politics Introduction

In the digital age, access to information has become easier than ever before. The ability to download Martin Van Buren The Romantic Age Of American Politics has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Martin Van Buren The Romantic Age Of American Politics has opened up a world of possibilities. Downloading Martin Van Buren The Romantic Age Of American Politics provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Martin Van Buren The Romantic Age Of American Politics has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Martin Van Buren The Romantic Age Of American Politics. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Martin Van Buren The Romantic Age Of American Politics. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Martin Van Buren The Romantic Age Of American Politics, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit

vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Martin Van Buren The Romantic Age Of American Politics has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Martin Van Buren The Romantic Age Of American Politics Books
