

A scene from Disney's The Lion King showing Scar, a lion with a dark red mane, looking intensely at Nala, a lioness, against a sunset sky. Scar's expression is stern and possessive.

You will not leave Pride Rock. You will stay where I can keep an eye on you. Away from him!

A close-up of Timon, a meerkat with large green eyes and a wide, toothy grin, looking directly at the viewer in a vast, open landscape.

**Matching Minds with Sondheim** Barry Joseph, 2025-10-02 By near universal consensus, Stephen Sondheim was the greatest musical theater composer of his generation, celebrated among other things for the wit, sophistication, and intricacy of shows from *West Side Story* to *Sunday in the Park with George*. But a less well-known avenue for his brilliance was his lifelong fascination with designing and constructing intricate puzzles and games, from treasure hunts to crosswords to parlor and board games. *Matching Minds with Sondheim* is a journey into this rich but largely unmapped aspect of the composer's creative life, illuminating how Sondheim's playful designs delivered moments of clarity and connection for friends, colleagues, and anyone who's ever been captivated by his genius. This book opens for the first time the door into what Sondheim called his puzzler's mind, helping readers to better understand the man, his work, and if they accept the challenge, themselves. Gaming expert Barry Joseph draws from over eighty years of Sondheim's activities, including extremely rare and never publicly seen puzzles and game designs, scores of original interviews with the celebrity friends who played them, archival deep dives, and illuminating analysis from both puzzle designers and theater professionals from around the world. Packed with illustrations and insights, this book does more than describe Sondheim's life in puzzles; it allows readers to match minds with the maestro by attempting to solve his puzzles and bring Sondheimian games into their own homes.

*Journeys Across Niagara* D. K. Levick, 2011-12 A faded picture sets in motion a perilous journey for five young men who not only encounter harrowing adventure in the forbidden Niagara Gorge but are forced to confront the swirling illusions of the world and the God they knew, changing their lives forever. Journeys across Niagara brings together a series of historical events in a twist of mystery and revelation with a group of 1962 teenagers caught up in a changing world around them. The ice bridge of Niagara Falls, steeped in history, fraught with tragedy, lures them from a world they know into the mysterious Niagara Gorge. As in a time machine, they enter an exhilarating world of massive ice sculptors, impassable rapids, and unassailable walls of ice. Coming face to face with the mighty falls, they emerge in a struggle of life and death with a Niagara they never knew existed. Peeling back time, you will meet the hermit living on the falls, achieving his quest to become one with it. Experience the day the falls stopped exploring a riverbed never before exposed until the water returns in a frenzy. Witness slavery through the eyes of a
