[in the orig. wrappers] , A *Testimony of Jesus Christ - Volume 2* Anthony Charles Garland,2007 A Commentary on the Book of Revelation Volume 2 The author presents a detailed study of the Book of Revelation emphasizing prophetic themes from the rest of the Bible which find their fulfillment in Revelation To understand this controversial book the author explores the many connections between the visions seen by the Apostle John and previous prophetic revelation given to Old Testament prophets such as Daniel Ezekiel and others It is the author's conviction that an understanding of related passages elsewhere in the Bible is the most important key to unlocking the bewildering variety of interpretations which often accompany the study of the last book of the Bible The commentary can be used in conjunction with a free companion internet course providing an additional 70 hours of audio instruction linked to almost 1 000 slides **Our marvellous times: being a 7th ser. of sermons** Thomas De Witt Talmage,1884 Historical Phases of Prophetic Teaching Evelyn Theresa Watson,2013-11-26 In Volume IV the author Evelyn Theresa Watson compares the Revelator's words to scriptural and gospel prophecy verifying the doctrinal mystery and miracle that lie behind the religious warfare of past and present ages Her commentary presents THE REVELATION OF ST JOHN THE DIVINE as a treatise on the life and time of Jesus Christ as the messenger of the messianic message unto the seven churches She attests to the Revelator's seven visions of revealed prophecy which retell the previous two thousand years of unfulfilled scriptural prophecy and foretell one hundred years of fulfilled gospel prophecy The author correlates

these two time periods to the nineteen hundred years of biblical prophecy that followed The beginning of the twenty first century marks the end times of the Bible s historical phases of prophetic teaching
