made great films including the fabulous MGM musicals and he made great stars Garbo Gable Garland and dozens of others Through the enormously successful Andy Hardy series Mayer purveyed family values to America At the same time he used his influence to place a federal judge on the bench pay off local officials cover up his stars indiscretions and on occasion arrange marriages for gay stars Mayer rose from his impoverished childhood to become at one time the highest paid executive in America Despite his power and money Mayer suffered some significant losses He had two daughters Irene who married David O Selznick and Edie who married producer William Goetz He would eventually fall out with Edie and divorce his wife Margaret ending his life alienated from most of his family His chief assistant Irving Thalberg was his closest business partner but they quarreled frequently and Thalberg s early death left Mayer without his most trusted associate As Mayer grew older his politics became increasingly reactionary and he found himself politically isolated within Hollywood s small conservative community Lion of Hollywood is a three dimensional biography of a figure often caricatured and vilified as the paragon of the studio system Mayer could be arrogant and tyrannical but under his leadership MGM made such unforgettable films as The Big Parade Ninotchka The Wizard of Oz Meet Me in St Louis and An American in Paris Film historian Scott Eyman interviewed more than 150 people and researched some previously unavailable archives to write this major new biography of a man who defined an industry and an era [Stutter](#) Marc Shell,2009-06-30 In a book that explores the phenomenon of stuttering from its practical and physical aspects to its historical profile to its existential implications Shell who has himself struggled with stuttering all his life plumbs the depths of this murky region between will and flesh intention and expression idea and word Looking into the difficulties encountered by people who stutter as do fifty million world wide Shell shows that stutterers share a kinship with many other speakers both impeded and fluent This book takes us back to a time when stuttering was believed to be diagnosis induced then on to the complex mix of physical and psychological causes that were later discovered Ranging from cartoon characters like Porky Pig to cultural icons like Marilyn Monroe from Moses to Hamlet Shell reveals how stuttering in literature plays a role in the formation of tone narrative progression and character From publisher description [The First Hollywood Musicals](#) Edwin M. Bradley,2004-08-25 As Hollywood entered the sound era it was rightly determined that the same public fascinated by the novelty of the talkie would be dazzled by the spectacle of a song and dance film In 1929 and 1930 film musicals became the industry s most lucrative genre until the greedy studios almost killed the genre by glutting the market with too many films that looked and sounded like clones of each other From the classy movies such as Sunnyside Up and Hallelujah to failures such as The Lottery Bride and Howdy Broadway this filmography details 171 early Hollywood musicals Arranged by subgenre backstagers operettas college films and stage derived musical comedies the entries include studio release date cast and credits running time a complete song list any recordings spawned by the film Academy Award nominations and winners and availability on video or laserdisc These data are followed by a plot synopsis including analysis of the film s place in the genre s history Includes over 90 photographs
