

## Marx

- History was the story of class struggle.
- The struggle Marx saw was between capitalists and the proletariat, or the workers.
- The proletariat's numbers would become so great and their condition so poor that a spontaneous revolution would occur.
- The revolution would end with a "dictatorship of the proletariat"—the communal ownership of wealth.

## Lenin

- History was the story of class struggle.
- The struggle Lenin saw was capitalists against the proletariat and the peasants.
- The proletariat and the peasants were not capable of leading a revolution and needed the guidance of professional revolutionaries.
- After the revolution, the state needed to be run by a single party with disciplined, centrally directed administrators in order to ensure its goals.
