Davenport,2015-05-26 The first American Exceptionalists belonged to a left wing current led by Jay Lovestone Briefly in control of then dramatically expelled from the US Communist Party they maintained an independent existence on the US Left from 1929 to 1940 Some became prominent in the labour and civil rights movements while Will Herberg became a prominent Jewish theologian and an editor of the conservative National Review and Bertram Wolfe worked as an anti Communist ideologist with the US State Department Lovestone himself collaborated with the CIA to help shape the Cold War foreign policy of the AFL CIO Yet earlier documents and articles from the Lovestone group provide rich information and remarkable insights on twentieth century realities and radicalism Intercontinental Press ,1983 **Marxism and Democracy** Joseph V. Femia,1993-06-24 The collapse of the Soviet Union would seem to sound the death knell for Marxism as a blueprint for social change Why has this doctrine the repository of so many hopes and dreams failed in its grand ambition to liberate the human race from poverty and oppression Through a critical and systematic analysis of what Marx and his disciples had to say about democracy Joseph Femia sheds light on the reasons for this failure *Marxism And The Moral Point Of View* Kai Nielsen,2021-11-28 Marxism and the Moral Point of View attempts to say what consistent Marxists working within the parameters of the canonical conceptions of Marxism should say about morality This includes what they should say about the function of morality in society about the extent of moral comment they can justifiably make and about freedom equality and justice including the justice of whole social formations Karl Marx and most Marxists follow him was opposed **The Communist Conspiracy: Communism outside the United States. section A. Marxist classics. section B. The U.S.S.R. section C. The world congresses of the Communist International. section D. Communist activities around the world. section E. development through a neoliberal restructuring of society The volume concludes with an afterword by Peter Marcuse
