Mary Anne In The Middle:

Mary Anne in the Middle (The Baby-Sitters Club #125) Ann M. Martin, 2015-10-27 Mallory is going away to boarding school but her best friend Jessi doesn't want her to go. It's the biggest fight in BSC history and Mary Anne is caught in the middle. **Ann M. Martin** Marylou Morano Kjelle, 2006 When Ann M. Martin was asked to write the first four Baby Sitters Club books in 1985 she had no way of knowing she was about to change the face of children's publishing. Martin's writing is influenced by a combination of her pretty wonderful childhood, her experience as a teacher, and her work in children's publishing. Now 20 years after the first Baby Sitters Club book was written with more than 300 books and a Newbery Honor book to her credit, Martin continues to write novels that not only find a place on best sellers lists but also in the hearts of readers. It is clear that she is one of the most widely read and beloved children's authors of all time. In a one volume reference, Ann M. Martin details the life and real life influences of this famous author, revealing the person behind the words and the author behind the literature. Performing the Body in Irish Theatre B. Sweeney, 2008-02-14 This title examines the representation of the body in Irish theatre alongside the specific circumstances within which Irish theatre is performed, incorporating issues of gender and embodiment and the performance of Irishness and tradition. The author contextualizes the body in Irish theatre and includes in depth analysis of five key productions. *Mr. and Mrs. Disraeli* Daisy Hay, 2015-02-17 The first biography to give Mary Anne Lewis her due and to examine her singular marriage to Benjamin Disraeli. When Mary Anne Lewis met Benjamin Disraeli she was married to Wyndham Lewis, a rich, mildly successful politician at the center of nineteenth century British high society. The three became friends and with his deep pockets Wyndham helped Disraeli, young, ambitious, and swimming in debt, get his start in the political arena. Mary Anne even referred to him as her Parliamentary protégé. But when Wyndham suddenly died of a heart attack, Mary Anne's friendship with Disraeli, fifteen years her junior, soon evolved into a peculiarly romantic and undoubtedly advantageous marriage. Mary Anne avoided life as a widow while Benjamin used her financial means to stay out of prison and make a run for office. Anecdotally, the Disraelis cultivated an outrageous reputation. Once asked if he had read any new novels, Benjamin reportedly replied, "When I want to read a novel I write one." Mary Anne, on the other hand, supposedly once told Queen Victoria that she always slept with her arms around her husband's neck. "My wife is a very clever woman," Benjamin said, "but she can never remember who came first, the Greeks or the Romans." An unusual story of Victorian romance and politics, *Mr. and Mrs. Disraeli* moves beyond the anecdotes to reveal the interior life of one of Britain's most influential couples. Often eclipsed by Benjamin, Mary Anne had at least as much political acumen as her husband, and this dual biography shows that she was frequently his voice of reason. In the wake of British Romanticism, Daisy Hay examines the paths available to women like Mary Anne and chronicles a relationship that is surprising, unconventional, and deeply inspiring. Young, 2017-01-11 You can tell a true war story if you just keep on telling it Tim O Brien writes in The Things They Carried Widely regarded as the most important novelist to come out of the American war in Viet Nam O Brien has kept on telling true war stories not only in narratives that cycle through multiple fictional and non fictional versions of the war s defining experiences but also by rewriting those stories again and again Key moments of revision extend from early drafts to the initial appearance of selected chapters in magazines across typescripts and page proofs for first editions and through continuing post publication variants in reprints How to Revise a True War Story is the first book length study of O Brien s archival papers at the University of Texas s Harry Ransom Center Drawing on extensive study of drafts and other prepublication materials as well as the multiple published versions of O Brien s works John K Young tells the untold stories behind the production of such key texts as Going After Cacciato The Things They Carried and In the Lake of the Woods By reading not just the texts that have been published but also the versions they could have been Young demonstrates the important choices O Brien and his editors have made about how to represent the traumas of the war in Viet Nam The result is a series of texts that refuse to settle into a finished or stable form just as the stories they present insist on being told and retold in new and changing ways In their lack of textual stability these variants across different versions enact for O Brien s readers the kinds of narrative volatility that is key to the American literature emerging from the war in Viet Nam Perhaps in this case you can tell a true war story if you just keep on revising it *The Australia Directory* Great Britain.
