Moving Against the Stream Sangharakshita, 2014-08-22 In 1964 Sangharakshita left India for a visit to the UK After twenty years in the subcontinent travelling and lecturing writing working among the most deprived and extending and deepening his knowledge of the Dharma he had been invited by leading British Buddhists to help resolve tensions in the British Buddhist scene We witness the turning point at which he decided to dedicate his life to working for the good of Buddhism in his native land culminating in the birth of a new Buddhist movement *Moving Against the Stream* Sangharakshita, 2020-06-15 In this last volume of memoirs we find Sangharakshita arriving back in England after twenty years in the East He has come back at the invitation of the English Sangha Trust and is expecting to stay no more than a few months But the months become years and as he comes to know the as yet small world of British Buddhism he begins to realize that after all it is here that he may best be able to work for the good of Buddhism as his teacher exhorted him many years before Making a farewell tour of his friends and teachers in India he goes on to found a new Buddhist movement and to ordain twelve men and women into a new Buddhist Order If you have ever wondered Why did Sangharakshita found a new Buddhist movement and Order here is the answer *Moving Against the Stream* has for its backdrop 1960s Britain The actors who walk on and off the stage some with brief parts others longer have names as diverse as Harold Wilson Prime Minister and David Cooper the anti psychiatry psychiatrist In the world of British Buddhism there is Christmas Humphreys founder of the London Buddhist Society and Maurice Walshe translator of the D gha Nik ya his wife Ruth and many others known and unknown Unique to this volume is the story of a friendship that was deeply significant for Sangharakshita personally even with its tragic end and for the movement he was to bring into being Seven chapters form a kind of travelogue He and Terry drive across Europe in the Little Bus to visit the sites of Ancient Greece and in Italy the churches museums and the great works of art that were the flowering of the European Renaissance As Sangharakshita recalls his experiences the role that higher culture can play in spiritual life is made vivid This volume includes a short piece 1970 A Retrospect in which Sangharakshita tells of a year that begins with lectures in Paris and continues with three months in the USA as a visiting lecturer at Yale University stimulating a new burst of creativity He is there during student demonstrations and he visits an old friend Geshe Wangyal Back in Britain he resumes his work for the Buddhist movement and experiments with psychedelic drugs A new phase is beginning **Adaptation and Developments in Western Buddhism** Phil Henry, 2013-10-24 Benchmark analysis of the extent of shifting contemporary engagement and practice of UK Buddhist communities which challenges the stereotype of other worldly Buddhist asceticism **Land of Beautiful Vision** Sally McAra, 2007-04-30 *Land of Beautiful Vision* is the first book length ethnography to address the role of material culture in contemporary adaptations of Buddhism and the first to focus on convert Buddhists in New Zealand Sally McAra takes as her subject a fascinating instance of an ongoing creative process whereby a global religion is made locally meaningful through the construction of a Buddhist

sacred place She uses an in depth case study of a small religious structure a stupa in rural New Zealand to explore larger issues related to the contemporary surge in interest in Buddhism and religious globalization Her research extends beyond the level of public discourse on Buddhism to investigate narratives of members of the Friends of the Western Buddhist Order FWBO about their relationship with the land analyzing these and the FWBO s transformative project through a thematic focus on key symbolic landmarks at their site Sudarshanaloka In considering cross cultural interactions resulting in syncretism or indigenization of alien religions many anthropological studies concentrate on the unequal power relations between colonizing and colonized peoples McAra extrapolates from this literature to look at a situation where the underlying power relations are quite different She focuses on individuals in an organization whose members seek to appropriate knowledge from an Eastern tradition to remake their own society one shaped by its unresolved colonizing past **Cold War**

travel as a ship's surgeon in the British Merchant Navy with extensive commentary on his interactions with colonial and postcolonial subjects followed by his outing by the British press while he was serving aboard *The City of Bath*. *Out of the Ordinary* is not only a salient record of an early sex transition but also a unique account of religious conversion in the mid twentieth century. Dillon Jivaka chronicles his gradual shift from Anglican Christianity to the esoteric spiritual systems of George Gurdjieff and Peter Ouspensky to Theravada and finally Mahayana Buddhism. He concludes his memoir with the contested circumstances of his Buddhist monastic ordination in India and Tibet. Ultimately while Dillon Jivaka died before becoming a monk his novice ordination was significant. It made him the first white European man to be ordained in the Tibetan Buddhist tradition. *Out of the Ordinary* is a landmark publication that sets free a distinct voice from the history of the transgender movement.

Moseley Miscellany Sangharakshita, 2015-08-17 Sangharakshita founder of the Triratna Buddhist Order moved to Moseley, Birmingham in 1997. He was in his early 70s and stayed there 16 years. In some ways it was one of the most important periods of his life: he was handing on his responsibilities to senior disciples. What was it like to be Sangharakshita then? This miscellany of prose and verse brings us right into the life and mind of the author. These are not Buddhist teachings in the traditional sense but the output of someone whose whole life has been lived in and for the Dharma.
