

**Praise for Richard Bausch's
*Spirits and Other Stories***

"Richard Bausch is a master of the short story. In nine distinctive, satirical, witty and increasingly crafted tales, he brings to life characters and situations so vivid and compelling as any in contemporary literature. *Spirits and Other Stories* is a collection that ranks with those of Bobbie Ann Mason and Joyce Kilmer in its range, its style, its rare power, but Bausch's literary voice is unmistakable as no one else's; he is an original."

—Richard Church, *The Washington Post*

"*Spirits and Other Stories* is a dazzling collection... Some of these stories are actually breathtaking in their propriety."

—William Perry

"Several of these stories rank with the best written in contemporary American fiction. Bausch is a master."

—Linda Erdick

"There are such fine and marvelously smart stories. They perform one of literature's noblest obligations—to reimagine the known world and make us view and more sympathetic to it."

—Richard Ford

"*Spirits* is one of the finest collections of stories I have ever come across... Now that the book is there to be read it makes me go on unnecessary digressions of the sort not to find out the wonderful things that Richard Bausch has in store."

—Ruth Forman Shaw, *USA Today*

Praise for Richard Bausch

"In many ways, perhaps surprising that when I was an old man, in the second and third decades of the twenty-first century, all of Bausch—*Spirits*, his other stories, everything he may write—will be his prize."

—Thomas C. Hall, *Commonwealth*
