No Easy Walk:

Dying for Freedom Jacob Dlamini, 2024-07-09 What happens when death becomes the ultimate marker of one's commitment to one's freedom What happens when the opposite of freedom is not unfreedom but death not slavery but mortality How are we to think of the right to life when a political demand for dignity and honor might be more important than life itself Dying for Freedom explores these questions by drawing on archival evidence from South Africa to show how death and conflicting notions of sacrifice dominated the struggle for political equality in that country This political investment in death as a marker of commitment to the anti-apartheid struggle encouraged a masculinist style of politics in which the fight for freedom was seen and understood by many activists as a struggle literally for manhood This investment generated a notion of political sacrifice so absolute that anything less than death was rendered suspect More importantly it resulted in a hierarchy of death whereby some deaths were more important than others and where some deaths could be mourned and others not This highly original account of the necropolitics of the liberation struggle will be of interest to students and scholars throughout the humanities and social sciences and to anyone interested in South Africa We Are Internationalists

Martha Biondi, 2025-11-11 Explores forgotten solidarity with African liberation struggles through the life of Black Chicagoan Prexy Nesbitt For many civil rights activists the Vietnam War brought the dangers of US imperialism and the global nature of antiracist struggle into sharp relief Martha Biondi tells the story of one such group of activists who built an internationalist movement in Chicago committed to liberation everywhere but especially to ending colonialism and apartheid in Africa Among their leaders was Prexy Nesbitt Steeped from an early age in stories of Garveyism and labor militancy Nesbitt was powerfully influenced by his encounters with the exiled African radicals he met in Dar es Salaam London and across the United States Operating domestically and abroad Nesbitt's cohort worked closely with opponents of Portuguese and white minority rule in Mozambique Angola and South Africa Rather than promoting a US conception of Black self-determination they took ideas from African anticolonial leaders and injected them into US foreign policy debates The biography of a man but even more so of a movement We Are Internationalists reveals the underappreciated influence of a transformative Black solidarity project

Talking About Freedom Natasha L. Henry-Dixon, 2012-01-07 Discover the main features of Emancipation Day celebrations learn about the people of African ancestry's struggle for freedom and the victories achieved in the push for equality into the 21st century On August 1 1834 800 000 enslaved Africans in the British colonies including Canada were declared free The story of Emancipation Day a little known part of Canadian history has never been accessible to the teen reader through either the school curriculum or classroom resources despite its significance in the story of Canada Talking About Freedom closes this gap by exploring both the background to August 1 commemorations across Canada and the importance of these long established annual celebrations What is the connection between the Caribana festivities in Toronto and emancipation Why are some communities restoring Emancipation Day to their roster of annual events Talking About Freedom introduces a

range of personalities and happenings through historical facts memorable personal recollections vivid images and detailed narratives Included are connections to the ongoing struggles of people of African ancestry as they seek to achieve equality with insightful links woven across the past present and future

Mandela Anthony Sampson,2012-01-11 Nelson Mandela who emerged from twenty six years of political imprisonment to lead South Africa out of apartheid and into democracy is perhaps the world s most admired leader a man whose life has been led with exemplary courage and inspired conviction Now Anthony Sampson who has known Mandela since 1951 and has been a close observer of South Africa s political life for the last fifty years has produced the first authorized biography the most informed and comprehensive portrait to date of a man whose dazzling image has been difficult to penetrate With unprecedented access to Mandela s private papers including his prison memoir long thought to have been lost meticulous research and hundreds of interviews from Mandela himself to prison warders on Robben Island from Walter Sisulu and Oliver Tambo to Winnie Mandela and F W de Klerk and many others intimately connected to Mandela s story Sampson has composed an enlightening and necessary story of the man behind the myth **A Fire You Can't Put Out** Andrew M Manis,1999 This first biography of Fred Shuttlesworth winner of both the 2000 Lillian Smith Award and the 2001 James F Sulzby Jr Award details the fascinating life of the controversial preacher who led integration efforts in Birmingham with the courage and fervor of a religious crusader

In His Own Words Nelson Mandela,2025-04-08 In spreading the message of freedom equality and human dignity Nelson Mandela helped transform not only his own nation but the entire world Now his most important speeches are collected in a single volume From the eve of his imprisonment to his release twenty seven years later from his acceptance of the Nobel Peace Prize to his election as South Africa s first black president these speeches span some of the most pivotal moments of Mandela s life and his country s history Arranged thematically and accompanied by tributes from leading world figures Mandela s addresses memorably illustrate his lasting commitment to freedom and reconciliation democracy and development culture and diversity and international peace and well being The extraordinary power of this volume is in the moving words and intimate tone of Mandela himself one of the most courageous and articulate men of our time There is no easy way to walk to freedom anywhere and many of us will have to pass through the valley of the shadow of death again and again before we reach the

Justice in an Unjust World Karen Lebacqz, 1987-11-06 Have we heard the cry for justice that rises from humanity suffering from varieties of injustice economic sexual political cultural verbal Or what is more have Christians on occasion knowingly or unknowingly acquiesced in or even contributed to injustice By means of powerful and dramatic use of biblical images and models Dr Lebacqz sets before us the justice of God and God's call for us to heed the cry of the suffering and to work for justice in an unjust world

But for Birmingham Glenn T. Eskew, 2000-11-09 Birmingham served as the stage for some of the most dramatic and important moments in the history of the civil rights struggle In this vivid narrative account Glenn Eskew traces the evolution of nonviolent protest in the city focusing particularly on the sometimes problematic intersection of the local and national movements Eskew describes the changing face of Birmingham's civil rights campaign from the politics of accommodation practiced by the city's black bourgeoisie in the 1950s to local pastor Fred L. Shuttlesworth's groundbreaking use of nonviolent direct action to challenge segregation during the late 1950s and early 1960s In 1963 the national movement in the person of Martin Luther King Jr. turned to Birmingham The national uproar that followed on Police Commissioner Bull Connor's use of dogs and fire hoses against the demonstrators provided the impetus behind passage of the watershed Civil Rights Act of 1964 Paradoxically though the larger victory won in the streets of Birmingham did little for many of the city's black citizens argues Eskew The cancellation of protest marches before any clear-cut gains had been made left Shuttlesworth feeling betrayed even as King claimed a personal victory While African Americans were admitted to the leadership of the city the way power was exercised and for whom remained fundamentally unchanged

Nelson Mandela Elleke Boehmer, 2023 This second edition of Nelson Mandela VSI focuses on a far-reaching critical look at meanings of reconciliation and Mandela's ethic of reciprocity
