The Hermeneutical Spirit Amos Yong, 2017-11-06 In the contemporary biblical studies climate proposals regarding the theological interpretation of Scripture are contested particularly but not only because they privilege encourage and foster ecclesial or other forms of normative commitments as part and parcel of the hermeneutical horizon through which scriptural texts are read and understood Within this context confessional approaches have been emerging including some from within the nascent pentecostal theological tradition This volume builds on the author's previous work in theological method to suggest a pentecostal perspective on theological interpretation that is rooted in the conviction that all Christian reading of sacred Scripture is post Pentecost meaning after the Day of Pentecost outpouring of the Spirit on all flesh in anticipation of the coming reign of God In that respect such a pentecostal interpretative perspective is not parochially for those within the modern day movement bearing that name but is arguably apostolic in following after the scriptural imagination of the earliest disciples of Jesus the messiah and therefore has ecumenical and missional purchase across space and time The Hermeneutical Spirit thus provides close readings of various texts across the scriptural canon as a model for Christian theological interpretation of Scripture suitable for the twenty first century global context

Solving the Immigrant Church Crisis Ronald M. Rothenberg, 2016-08 Solving the Immigrant Church Crisis The Biblical Solution of Parallel Ministry Acts 6 1 7 addresses the crisis of the immigrant church in which complex cultural and linguistic factors create a reticence on the part of immigrants to transfer financial and decision making authority to succeeding generations and this results in a culturally irrelevant ministry to those generations an exodus of believers from the church a spiritually immature remnant and an inability to reach the lost The thesis of this book is that parallel ministry based on Acts 6 1 7 is the biblical solution to the crisis in the immigrant church While there are at least two main aspects of this crisis a spiritual relational and an ecclesiastical aspect this book focuses on the ecclesiastical aspect of defining the biblical structure of church government Specifically this book is for immigrant churches primarily in the United States and offers them a biblical and practical solution to the problem plaguing them for over two centuries of how to minister effectively to the succeeding generations

Wirtschaftsordnung im biblischen Christentum Christian J. Jäggi,2020-03-13 Die Reaktion der Weltwirtschaft auf

Epidemien globalen Ausmaßes zeigt wie anfällig ein global vernetztes Wirtschaftssystem für Störungen ist. Zentrale volkswirtschaftliche Themen wie Armut, Existenzsicherung, ungleich verteilter Reichtum, Arbeit und Arbeitslosigkeit, Verschuldung, Migration und Schwächen des weltweiten Handels und Finanzsystems sind zudem nach wie vor ungelöst. Christian J. Jäggi zeigt, dass die großen Weltreligionen darunter das Judentum, das Christentum und der Islam wichtige Beiträge zur Lösung dieser Fragen leisten könnten. In diesem Buch analysiert und diskutiert er Standpunkte des biblischen Christentums zu zentralen volkswirtschaftlichen Fragen. Er skizziert mögliche Elemente einer christlichen Wirtschaftsordnungsethik, erarbeitet Lösungsvorschläge aus christlicher Perspektive und hinterfragt neuere und neueste Texte der christlichen

Joel B. Green, 2015-11-24 Repentance and conversion are key topics in New Testament interpretation and in Christian life. However, the study of conversion in early Christianity has been plagued by psychological assumptions alien to the world of the New Testament. Leading New Testament scholar Joel Green believes that careful attention to the narrative of Luke Acts calls for significant rethinking about the nature of Christian conversion. Drawing on the cognitive sciences and examining key evidence in Luke Acts, this book emphasizes the embodied nature of human life as it explores the life transformation signaled by the message of conversion, offering a new reading of a key aspect of New Testament theology.

Jesus, Paul, Luke-Acts, and 1 Clement David L. Balch, 2023-06-19 In this book, the author draws on two original sources: a Greek biographer, historian, and rhetorician, Dionysius of Halicarnassus, as well as on Pompeian domestic art and architecture. Generally, NT scholars read texts, but Greeks and ancient Romans loved beauty. The walls and floors of their houses were decorated with thousands of colorful frescoes and mosaics, art that two millennia later is still on display in Pompeii. Christians lived and worshipped in those typical houses, relating the art to NT texts. This generates many intriguing new questions: What stories, myths, did Greeks and Romans see every day? What were their sports, and how violent were they? Many NT scholars know as much or more Latin than they do Greek, and they therefore cite the Latin historian Livy rather than the Greek Dionysius, who wrote a century before the first Christian historian, Luke. Dionysius' rhetoric expressed values shared across cultures by Greeks, Romans, and Jews, e.g., by the historian and rhetorician Josephus. Some values that Luke also shares, Dionysius makes clear: that cities and ethnic groups had to praise how they treated emigrant foreigners, questions handled differently by Josephus and by Luke. This enables new interpretations of Jesus' inaugural speech in Luke 4 and of Peter's second Pentecost speech in Acts 10.

Reading the Way, Paul, and “The Jews” in Acts within Judaism Jason F. Moraff, 2024-01-25 Jason F Moraff challenges the contention that Acts sharp rhetoric and portrayal of the Jews reflects anti Judaism and supersessionism He argues that rather than constructing Christian identity in contrast to Judaism Acts binds the Way Paul and the Jews together into a shared identity as Israel and that together they embark on a journey of repentance with common Jewishness providing the foundation Acts leverages Jewish kinship language cult and custom to portray the Way Paul and the Jews as one family debating the direction of their ancestral tradition Using a historically situated narrative approach Moraff frames Acts portrayal of the Way and Paul in relation to the Jewish people as participating in internecine conflict regarding the Jewish tradition in crisis after the destruction of the temple By exploring ancient ethnicity Jewish identity and Lukan characterization images of the Jews the Way and Paul violence in Acts and the theme of blindness in Luke’s gospel the Pauline writings and Acts Moraff stresses that Acts speaks from among my own nation meaning the Jews and makes it possible to understand Acts critical characterization of the Jews within Second Temple Judaism
