Red Widow Murders John Dickson Carr, 2023-02-07 In this baffling whodunnit from the master of the locked room mystery a man falls dead in a guarded room and Sir Henry Merrivale searches for a devilishly clever killer They say that Lord Mantling's mansion is haunted at least one room of it is Known as the Red Widow's Chamber the now sealed quarters once housed the wife of a guillotine operator in the French Revolution and since her passing have been host to a century of unsolved horrors including the death of a man in 1802 the death of a child in 1895 and a number of mysterious mortalities in the years in between Now in 1935 eight men and women join at the manor for a sinister experiment to determine the truth behind the haunting once and for all they each draw a card and whoever pulls the Ace of Spades must spend a night in that terrifying room But the challenge turns fatal when the man selected for the task is found poisoned the next morning when the doors are opened The locked room was guarded all night so nobody could have entered or escaped what's more the deadly toxin could only have entered through a break in the skin but no wounds were discovered on the body Is this evidence at last of a nefarious spirit at work or of a diabolical and ingenious killer Only Sir Henry Merrivale called in to take note of the night's proceedings will be able to examine the clues and deduce the truth **The Red Widow Murders: A Sir Henry**

schoolteacher whose pupil he threatened Or perhaps his son who he disinherited just before his death Reporter Killian McBean is also among the list since Farr was planning to foreclose on the Cognac Courier and put him out of a job But as the cops are befuddled by too many motives Killian s journalistic acumen cuts through the noise in search of the real story even if in the end it s his cat Smoky that discovers the essential clue that leads to its solution Never before issued in paperback in unabridged form Blood on the Cat is a lost classic worthy of rediscovery with memorable characters fair play clues and a cat that s as clever as it is charming Cozy in subject matter it s sure to please any fan of Golden Age detective fiction

Narratives of Enclosure in Detective Fiction M. Cook,2011-10-12 The locked room mystery is one of the iconic creations of popular fiction Michael Cook s critical study reveals how this archetypal form of the puzzle story has had a significant effect in shaping the immensely popular genre of detective fiction The book includes analysis of texts from Poe to the present day *Rim of the Pit (An American Mystery Classic)* Hake Talbot,2023-10-03 The cult classic mystery that John Dickson Carr hailed as a marvel of ingenuity I came here to make a dead man change his mind So begins a creepy and unusual mystery celebrated to this day as one of the greatest impossible crime novels of all time When a family s promise to protect the beloved pine grove of their dead father creates a financial strain a seance is suggested to summon the ghost of the late logger and ask its permission A mixed group of skeptics and believers convene at a snow bound lodge to call the spirit with a group that includes a gambler a businessman a clairvoyant a professor and a refugee among others With so many diverse interests at the table the tensions run high but when one of the participants ends up dead there is reason to suspect that a nefarious spirit is to blame The body is discovered in a locked room impenetrable from the outside just one of many bizarre and inexplicable circumstances surrounding the scene of the crime There is also the trail of footprints in the snow beginning and ending amid a field of untouched powder another on the roof with the tracks leading for a short distance before vanishing into nothingness and there are fingerprints on a gun suspended at an unreachable height Supernatural undertones and eerie atmosphere clear away in the third act to present a logical conclusion to the case teasing out the clues and murder methods that unscrupulous readers may have missed With its off beat exposition puzzling plot and exceptional prose *Rim of the Pit* is a cult classic of the Golden Age era deserving of a wide audience today **The Mystery of the Cape Cod Tavern** Phoebe Atwood Taylor,2025-05-05 Asey Mayo the Sherlock of Cape Cod investigates the murder of a local innkeeper In a small Cape Cod town a local tavern owner is convinced that someone is trying to kill her She tells tales of being shot at in the woods and of a trip wire strung up at the top of her staircase Others in the village think she s just out for some free publicity as she s always cooking up creative ways to get people into her establishment But then she s found stabbed to death and her suspicions are confirmed Man about town and jack of all trades Asey Mayo is helping out at the tavern when the murder occurs and he s just the sleuth that such a dastardly case needs It seems that Eve Prentice had no shortage of enemies both at the inn and around the town Asey Mayo knows people especially Cape Codders and has both the

common sense and the deductive powers necessary to cut through the puzzling case and determine whodunit But will he succeed before an innocent person takes the fall A light entertaining mystery with a richly described 1930s Cape Cod setting The Mystery of the Cape Cod Tavern is an exemplary Golden Age cozy replete with charming characters and period detail
