Redeemed Creation Laurence Brett, 1984-09-01 **Redeemed Creation** Laurence F. X. Brett, 1984 *Catechesis for Liturgy* Gilbert Ost diek, 1986 The liturgy doesn't have to be a spectator event Learn how to bridge the gap between religious education **The Cosmos as the Primary Sacrament** Dorothy C. McDougall, 2003 The magnitude of the current ecological crisis demands a fundamental redefinition of human identity It is no longer viable to regard human beings as the apex of creation rather humans must be recognized as existing within an intricate web of cosmic relations For Christian sacramental theology this redefinition requires that the horizon of theological reflection be shifted from a redemption centered focus to a cosmocentric one In this book Dorothy C McDougall elaborates the construction of an ecological sacramental theology based on the metaphor of the cosmos as the primary sacrament McDougall draws on the work of Thomas Berry with its foundation in a new and emergent scientific perspective as well as the social critique of ecofeminism as two significant resources **T&T Clark Handbook of Sacraments and Sacramentality** Martha Moore-Keish, James Farwell, 2022-12-29 Introducing readers to the contemporary field of sacramental theology this volume covers the biblical and historical foundations a survey of the state of the discipline and a collection of constructive essays representing major themes practices and approaches to sacraments and sacramentality in the contemporary world The volume starts with a set of foundational essays that offer broad introduction to the field of sacramental theology from contemporary scholars analysing a number of historical figures in order to illumine and inform contemporary sacramental theology The second part of the volume is dedicated to a series of essays on sacramentality and includes attention to elements of space time ritual action music and word all as aspects of what Christians have termed sacramental reality The third set of essays includes attention to each of the seven practices that have most commonly been termed sacraments in Christian traditions baptism eucharist Lord's Supper confirmation confession forgiveness and reconciliation marriage ordination and anointing The final part of this volume features scholars who are working on sacraments in conversation with contemporary academic disciplines critical race theory queer theory comparative theology and disability studies *The Catholic Biblical Quarterly* Wendell Stephen Reilly, 1985 Includes various reports of the Association **Subject Guide to Books in Print**, 1975 *Creation as Sacrament* John Chryssavgis, 2019-06-27 John Chryssavgis explores the sacred dimension of the natural environment and the significance of creation in the rich theological history and spiritual classics of the Orthodox Church through the lens of its unique ascetical liturgical and mystical experience The global ecological crisis affecting humanity's air water and land as well as the planet's flora and fauna has resulted in manifest fissures on the image of God in creation Chryssavgis examines from an Orthodox Christian perspective the possibility of restoring that shattered image through the sacramental lenses of cosmic transfiguration cosmic interconnection and cosmic reconciliation The viewpoints of early theologians and contemporary thinkers are extensively explored from a theological and spiritual perspective including countering those who deny that God's

creation is in crisis Presenting a worldview advanced and championed by the Orthodox Church in the modern world this book encourages personal and societal transformation in making ethical and economic choices that respect creation as sacrament

Christopher West teaches the theology of the body and sexual ethics at St John Vianney Theological Seminary in Denver. He is also visiting faculty member of the John Paul II Institute for Studies on Marriage and Family in Melbourne, Australia.

Sacramental Streams Richard Davenport, 2025-02-04. The church has long seen baptism as one of the means by which God delivers his grace to his people. Many passages in the New Testament detail the value of baptism and indicate its status as one of the primary gifts God gives. At the same time, Jesus' conversation with Nicodemus indicates the benefits of baptism should already be evident. The early church understood this and saw that God had been preparing his people for the sacrament from the very beginning. This book goes back through the Old Testament to draw on the various themes God has presented to inform and instruct his people about the sacrament he would later institute. By examining these themes in detail, it is shown that though baptism is a one-time event in the life of the Christian, the baptized continue to receive its benefits. Baptism not only functions as an ongoing means of God's grace but as the means by which God shapes his people into the holy nation he has called them to be.

The Artistic Vision Alex Sosler, Gary Ball, 2024-07-25. When you look at the world, what do you see? As an artist, your creativity stems from your vision. The problem in the modern world is how often one's imagination is fragmented and reduced between worship and work, the body and soul, the material and the spiritual. Written to practicing artists and those who pastor them, *The Artistic Vision* encourages artists who long for a greater sense of purpose and a greater sense of wholeness, proposing that seeing the material world as a shadow of spiritual realities will lead them toward an expression that joins faith and practice. Drawing from the Oxford Movement and artistic examples like Christina Rossetti and Flannery O'Connor, Ball and Sosler present a sacramental way of

seeing the world the invisible through the visible the spiritual through the material the divine through creation Interspersed with practical vignettes from artists and pastoral reflection The Artistic Vision helps artists regain an enchanted mysterious and reverent vision of life Artists neither have to check their faith at the studio door nor produce kitschy or easy art By creating with a sacramental vision they are seeing the world charged with the grandeur of God and inviting viewers into that participation
