**Enrico Fels**

## **Redefining Japan The Us Japan Alliance:**

Redefining Japan & the U.S.-Japan Alliance Thomas U. Berger,2004      Redefining the U.S.-Japan Alliance Patrick M. Cronin,1994      **The U.S.-Japan Alliance Redefined** Patrick M. Cronin,1996      **Report of the Study Project "Redefining the U.S.-Japan Alliance** Nihon Kokusai Fōramu,2005      **The US-Japan Alliance** David Arase,Tsuneo Akaha,2013-01-11 Japan s use of Soft power in its international politics is as yet understudied Soft power presents as many challenges as promises This book explores the way Japan uses soft power in its relationship with the US its Asian neighbours and Europe and aims to contribute to a deeper understanding of the role of soft power in international relations Hard power on the other hand is more tangible and has received far greater scholarly scrutiny than soft power However as this collection makes clear hard power has its limitations and counterproductive consequences as an instrument of policy This book makes it clear that hard power alone will not provide Japan with the peace and security it desires A smart balancing or mixture of hard and soft power is required Is Japan up to this challenge While this book cannot give a definitive answer to this question the excellent line up of contributors present their best analyses of the effectiveness of Japan s current attempt at balancing the two components of national power in meeting its bilateral and multilateral security challenges The US Japan Alliance is suitable for upper undergraduates postgraduates and academics in International Politics Political Science Security studies and Japanese studies Winner of The Masayoshi Ohira Memorial Special Prize 2011      *Redefining the U.S.-Japan alliance* Patrick M. Cronin,1994 Japan is starting to emerge as a major player in the international security affairs of the post Cold War era With the approach of the half century mark since the conclusion of the Second World War Japan s postwar generation of leaders appears more confident than their predecessors about their country s potential contribution to global peace and stability Evidence that Japan may be finding its footing as a great market democracy is extant in the recent report of a distinguished advisory commission reviewing Japan s National Defense Program Outline Japan should extricate itself from its security policy of the past that was if anything passive and henceforth play an active role in shaping a new order 2      *The U.S.-Japan Alliance* Michael J. Green,Patrick M. Cronin,1999 The U S Japan Alliance Past Present and Future explains the inner workings of the U S Japan alliance and recommends new approaches to sustaining this critical bilateral security relationship      Redefining the U. S. - Japan Alliance Patrick M. Cronin,Michael J. Green,1996-12 Japan is starting to emerge as a major player in international security affairs Contents a new situation the National Defense Program Outline Review key issues host nation support theater missile defense technology procurement and arms exports recommenda tions Appendix the modality of the security and defense capabilities of Japan the outlook for the 21st century the world and the Asia Pacific after the Cold War basic thinking on Japan s security policy and defense capability and the modality of defense capability in the new age Acronyms      *The History of US-Japan Relations* Makoto Iokibe,Tosh Minohara,2017-03-15 Examining the 160 year relationship between America and Japan this cutting edge collection considers the evolution of the relationship of these two

nations which straddle the Pacific from the first encounters in the 19th century to major international shifts in a post 9 11 world It examines the emergence of Japan in the wake of the 1905 Russo Japanese War and the development of U S policies toward East Asia at the turn of the century It goes on to study the impact of World War One in Asia the Washington Treaty System the issue of Immigration Issue and the deterioration of US Japan relations in the 1930s as Japan invaded Manchuria It also reflects on the Pacific War and the Occupation of Japan and the country s postwar Resurgence democratization and economic recovery as well as the maturing and the challenges facing the US Japan relationship as it progresses into the 21st century This is a key read for those interested in the history of this important relationship as well as for scholars of diplomatic history and international relations

[Reinventing the Alliance](#) G. Ikenberry,T. Inoguchi,2003-12-18 This is an edited volume that examines the US Japan security alliance the key to US Japanese relations since the end of US occupation in the 50s The alliance has long been a source of both co operation and stress between the two nations but with rapid changes in Asia it has grown more problematic This book brings American and Japanese specialists together to examine the alliance within the wider regional environment and to determine whether and how the bilateral alliance can evolve and remain at the core of the region s security order

[Rethinking Sino-Japanese Alienation](#) Barry Buzan,Evelyn Goh,2020-01-09 Bitterly contested memories of war colonisation and empire among Japan China and Korea have increasingly threatened regional order and security over the past three decades In Sino Japanese relations identity territory and power pull together in a particularly lethal direction generating dangerous tensions in both geopolitical and memory rivalries Buzan and Goh explore a new approach to dealing with this history problem First they construct a more balanced and global view of China and Japan in modern world history Second building on this they sketch out the possibilities for a 21st century great power bargain between them Buzan puts Northeast Asia s history since 1840 into both a world historical and a systematic normative context exposing the parochial nature of the China Japan history debate in relation to what is a bigger shared story about their encounter with modernity and the West within which their modern encounter with each other took place Arguing that regional order will ultimately depend substantially on the relationship between these two East Asian great powers Goh explores the conditions under which China and Japan have been able to reach strategic bargains in the course of their long historical relationship and uses this to sketch out the main modes of agreement that might underpin a new contemporary great power bargain between them in a variety of future scenarios for the region The frameworks adopted here consciously blend historical contextualisation enduring concerns with wealth power and interest and the complex relationship between Northeast Asian states evolving encounters with each other and with global international society

[Rethinking Japan's Identity and International Role](#) Susanne Klien,2018-10-24 This paper presents a study of Japan s international role with a special focus on its historical evolution To that end the following three pillars lay the necessary theoretical foundations one the notions of historical and political identity and a discussion of the ambivalent shapes they have taken in Japan two the

regional context an examination of Japan's situation with respect to Asian history as a whole and finally the civilian power concept as defined by Hanns W Maull *Rethinking Japanese Security* Peter J. Katzenstein, 2008-03-11 Since the unexpected end of the Cold War standard arguments about power politics can no longer be adopted uncritically This has led to a renewed interest in Japan's unusually peaceful security policy Japan's championing of comprehensive security is central to this collection Peter J Katzenstein's essays explore this concept which not only encompasses traditional military concerns but also domestic aspects of security The book's focus on counter terrorism and national security highlights a policy approach which over decades Japan has developed with political patience and diplomatic finesse These essays advocate an eclectic approach that helps in recognizing new questions and that seek to combine elements from different analytical perspectives in the exploration of novel lines of argument Additionally the book features an entirely new substantial introduction that explores and elaborates the themes of the collection while bringing it up to date This collection will be of significant interest to students and scholars of Japanese politics security studies and international relations [Rethinking Japan](#) Arthur Stockwin, Kweku Ampiah, 2017-02-15 The authors argue that with the election of the Abe Government in December 2012 Japanese politics has entered a radically new phase they describe as the 2012 Political System The system began with the return to power of the Liberal Democratic Party LDP after three years in opposition but in a much stronger electoral position than previous LDP based administrations in earlier decades Moreover with the decline of previously endemic intra party factionalism the LDP has united around an essentially nationalist agenda never absent from the party's ranks but in the past was generally blocked or modified by factions of more liberal persuasion Opposition weakness following the severe defeat of the Democratic Party of Japan DPJ administration in 2012 has also enabled the Abe Government to establish a political stability largely lacking since the 1990s The first four chapters deal with Japanese political development since 1945 and factors leading to the emergence of Abe Shinzo as Prime Minister in 2012 Chapter 5 examines the Abe Government's flagship economic policy dubbed Abenomics The authors then analyse four highly controversial objectives promoted by the Abe Government revision of the 1947 Peace Constitution the introduction of a Secrecy Law historical revision national identity and issues of war apology and revised constitutional interpretation permitting collective defence In the final three chapters they turn to foreign policy first examining relations with China Russia and the two Koreas second Japan and the wider world including public diplomacy economic relations and overseas development aid and finally the vexed question of how far Japanese policies are as reactive to foreign pressure In the Conclusion the authors ask how far right wing trends in Japan exhibit common causality with shifts to the right in the United States Europe and elsewhere They argue that although in Japan immigration has been a relatively minor factor economic stagnation demographic decline a sense of regional insecurity in the face of challenges from China and North Korea and widening gaps in life chances bear comparison with trends elsewhere Nevertheless they maintain that a more sane regional future may be possible in East Asia

Reinventing Japan Y. Takao,2007-11-12 The book is about new dynamic forces that are driving change in Japan It is developed around two key concepts of civil society and social capital The focus is on pathways to Japan s social renewal that promotes stronger communities and more participatory citizenship beyond the reach of economic growth

**Rethinking the San Francisco System in Indo-Pacific Security** Yoneyuki Sugita,Victor Teo,2022-06-20 This remarkable collection commemorates the 70th anniversary of the 1951 San Francisco Peace Conference by revisiting the important legacies of both the Peace Treaty and the US Japan Security Treaty have had on the peace and stability of the Asia Pacific Drawing on multiple perspectives the volume conveys the hopes and fears that the authors have for the domestic and international politics of the region In a post Trumpian world marked by the US China tensions amidst a raging pandemic the region s continued prosperity looks exceedingly grim Would the arrangements made in 1951 continue to have relevance for an Indo Pacific region beset by great power rivalry and potential conflict fuelled by contending nationalisms clashing interests and territorial disputes Through a rigorous debate based on the latest empirical developments the volume explores various ways where by the spirit and legacies of San Francisco arrangements can be meaningfully preserved and enhanced In order for the region stronger and more prosperous in the post pandemic world the countries have to come together to enhance the existing security architecture to contain great power rivalry and ensure that a regional order capable of addressing problems of the 21st century eventually evolves

**Strategic Forum** ,1994

Activists, Alliances, and Anti-U.S. Base Protests Andrew Yeo,2011-06-13 Anti U S base protests played out in parliaments and the streets of host nations continue to arise in different parts of the world In a novel approach this book examines the impact of anti base movements and the important role bilateral alliance relationships play in shaping movement outcomes The author explains not only when and how anti base movements matter but also how host governments balance between domestic and international pressure on base related issues Drawing on interviews with activists politicians policy makers and U S base officials in the Philippines Japan Okinawa Ecuador Italy and South Korea the author finds that the security and foreign policy ideas held by host government elites act as a political opportunity or barrier for anti base movements influencing their ability to challenge overseas U S basing policies

**Shifting Power in Asia-Pacific?** Enrico Fels,2016-11-03 This book investigates whether a power shift has taken place in the Asia Pacific region since the end of the Cold War By systematically examining the development of power dynamics in Asia Pacific it challenges the notion that a wealthier and militarily more powerful China is automatically turning the regional tides in its favour With a special emphasis on Sino US competition the book explores the alleged linkage between the regional distribution of relevant material and immaterial capabilities national power and the much cited regional power shift The book presents a novel concept for measuring power in international relations by outlining a composite index on aggregated power CIAP that includes 55 variables for 44 regional countries and covers a period of twenty years Moreover it develops a middle power theory that outlines the significance of middle powers in times of major power shifts By

addressing political military and economic cooperation via a structured focused comparison and by applying a comparative historical analysis the book analyses in depth the bilateral relations of six regional middle powers to Washington and Beijing

**Rethinking Japanese Public Opinion and Security** Paul Midford, 2011-01-24 Rethinking Japanese Public Opinion and Security argues that Japanese public opinion matters and has acted to prevent overseas military deployments involving combat while increasingly supportive of a more normal military establishment capable of autonomously defending Japanese territory

### **Redefining Japan The Us Japan Alliance Introduction**

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Redefining Japan The Us Japan Alliance free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Redefining Japan The Us Japan Alliance free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Redefining Japan The Us Japan Alliance free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Redefining Japan The Us Japan Alliance. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF

files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Redefining Japan The Us Japan Alliance any PDF files. With these platforms, the world of PDF downloads is just a click away.

### FAQs About Redefining Japan The Us Japan Alliance Books

1. Where can I buy Redefining Japan The Us Japan Alliance books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Redefining Japan The Us Japan Alliance book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Redefining Japan The Us Japan Alliance books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Redefining Japan The Us Japan Alliance audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media

or recommend them to friends.

9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Redefining Japan The Us Japan Alliance books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
