*Redefining the U. S. - Japan Alliance* Patrick M. Cronin, Michael J. Green, 1996-12 Japan is starting to emerge as a major player in international security affairs Contents a new situation the National Defense Program Outline Review key issues host nation support theater missile defense technology procurement and arms exports recommendations Appendix the modality of the security and defense capabilities of Japan the outlook for the 21st century the world and the Asia Pacific after the Cold War basic thinking on Japan's security policy and defense capability and the modality of defense capability in the new age Acronyms *Redefining the U.S.-Japan alliance* Patrick M. Cronin, 1994 Japan is starting to emerge as a major player in the international security affairs of the post Cold War era With the approach of the half century mark since the conclusion of the Second World War Japan's postwar generation of leaders appears more confident than their predecessors about their country's potential contribution to global peace and stability Evidence that Japan may be finding its footing as a great market democracy is extant in the recent report of a distinguished advisory commission reviewing Japan's National Defense Program Outline Japan should extricate itself from its security policy of the past that was if anything passive and henceforth play an active role in shaping a new order 2 *Redefining the U. S.-Japan Alliance* BPI Information Services, DIANE Publishing Company, 1994-01-01 Japan is starting to emerge as a major player in the international security affairs of the post Cold War era With the approach of the half century mark since the conclusion of WSW II Japan's postwar generation of leaders appears more confident than their predecessors about their country's potential contribution to global peace and stability However decisive action is now necessary to redefine the alliance and the four types of likely dangers Interesting reading

*Redefining the U.S.-Japan Alliance Tokyo's National Defense Program, McNair Paper 31, U.S. Department of Defense, 1995* National Defense University, *Japan's Defense Policy and Bureaucratic Politics, 1976-2007* Takao Sebata, 2010-06-05 It is a well known fact that Japan spends only a small percentage of her gross national product on defense What is not well known however is the fact that Japan's defense budget ranks among the top in the world and that her self defense forces are considered to be amongst the best conventional armed forces in the world Since empirical studies concerning Japan's military expansion are rare both in Japanese and English the book takes up this neglected area It examines Japan's military expansion and the decision making of her defense policy between 1976 and 2007 focusing on the National Defense Program outline and the guidelines for United States Japan Defense Cooperation This book deals with how the bureaucratic politics model applies to the case of Japan's defense policy and demonstrates some similarities and differences between Japanese and United States decision making *Rethinking Japanese Security* Peter J. Katzenstein, 2008-03-11 This collection brings together Peter J Katzenstein's selected essays on the regional and domestic dimensions of Japan's security policy Using a theoretical and comparative perspective it covers recent developments in Japanese security **McNair Papers** National Defense University. **Managing crises in defense industry** Steven R. Linke, 1996 National planning for the expeditious recovery and expansion of essential industrial production facilities is often geared only to largescale declared emergencies Under the worst scenario of a global war all necessary authorities and funding are assumed to be available But more often lesser emergencies require responses without the broad powers and commitment associated with a declared national emergency A real emergency can provide insight into the appropriateness of planned management approaches and the adequacy of available authorities This account of two actual emergencies provides lessons on how statutory procedures could be improved regulations clarified the government data base expanded and steps taken to speed up the process to be followed in the event of other crises In May 1988 the United States lost half of its capacity to produce ammonium perchlorate when explosions and fire destroyed one of the two producing plants Ammonium perchlorate is the oxidizer essential to solid fuel rocket motors Here without question was an excellent test case Existing ammonium perchlorate had to be carefully allocated and additional production capacity was needed numerous ongoing production programs for both strategic and conventional systems needed the product and some would be curtailed if sufficient ammonium perchlorate was not available This paper documents the government s actions and decision making process in dealing with various legal and administrative hurdles in both restoring the capacity and allocating available ammonium perchlorate Mobilizing U.S. Industry in World War II Alan

Cossa, 1997-02

Addresses the future roles and interests of the four major Asia Pacific powers the U S Japan China and Russia and how their policies will affect security in Northeast Asia more specifically on the Korean Peninsula as we enter the 21st century Each of these powers is undergoing a transition of sorts In the case of the U S and possibly Japan the changes may be more of style than substance but will impact their respective foreign policy outlooks nevertheless In the case of China and especially Russia the potential for significant change is much greater **International Military Education and Training** John A.

Cope, 1996-07 Addresses such current matters as national security strategy and policy defense resource management internal affairs civil military relations military technology and joint combined and coalition operations Chapters include legislative background the structure of U S foreign military education and training foreign military education and training in FY 1995 contributions to long term regional stability contributions to building cooperative military relationships contributions to U S diplomatic interests overseas and economic interests at home **French Security Policy in**

**Transition** Robbin Frederick Laird,1995 Since 1989 French defense and security policy has been undercut by changes in the external environment and domestic pressures to deal with the challenge of economic modernization The Soviet revolution of 1989 the reunification of Germany the collapse of the Soviet Union and the experience of coalition warfare during the Gulf War all have challenged the assumptions and realities underlying the Gaullist synthesis Above all the French position on security independence has been put into question The main hope has been for a European Alliance to supplant the American one over time in the face of a gradual process of change within Europe but change has not been gradual within Europe The European Union is challenged by discontent within Western Europe A new Central Europe has emerged that has yet to find its place in European or global politics A new Russia is emergent in which nationalism is defining an assertive role for the Russians within Europe but at the same time the economic weakness of Russia limits its ability to play such a role

**American Neutrality in the 20th Century** John N. Petrie,1995 A chronology of the 20th century that demonstrates that the U S found the requirements of strict neutrality less than useful for fulfilling its policy imperatives Contents the change the Spanish American War the Mexican Revolution avoiding World War I the interwar period the League of Nations Havana Convention on Maritime Neutrality the Kellogg Briand Pact an isolationist U S fruits of isolationism enter the U N postwar peace the Suez crisis the Nixon doctrine the 1971 Indo Pakistani war the bloody Lebanese peace and perspective

**Trouble in Paradise?** Steven Philip Kramer,Irene Kyriakopoulos,1996 When political observers talk European security they invariably refer to the challenges Western Europe faces on its peripheries rarely imagining that the greatest dangers to the new Europe may come from within Without necessarily suggesting a worst case ending this study argues that there is indeed a series of crises converging on post Cold War Europe that threaten its stability and need to be addressed by European policy makers and taken into account by Americans Areas of discussion include the welfare state in transition crisis of the political system the decline of the nation state and prospects for the future

**The Russian Military's Role in Politics** James H. Brusstar,1995 **The Major Powers in Northeast Asian Security** Ralph A. Cossa,1996 **The Revolution in Military Affairs** Robbin F. Laird,Holger H. Mey,1999 The revolution in military affairs RMA is an American concept that frames a debate about the restructuring of American military forces in the period of globalization of the American economy A core task for U S allies is to seek to understand the American debate the American approach to the RMA a baseline the RMA Europe France reflections on the U S European military technology gap **Khomeini's Incorporation of the Iranian Military** Mark J.
