Redemption Realized Through Christ A Study Of The Bibles Teachings On Redemption:

Redemption Realized Through Christ Leland M. Haines,1997-03-01 **Biblical Theology** Ben Witherington, III,2019-07-04 Provides a detailed exegetically based study of Biblical theology showing the canonical basis for later historical systematic and dogmatic theologies **The Bible Study Union Lessons** ,1914 **Covenant Theology in the Reformed Perspective** Mark W. Karlberg,2000-07-31 *Forthcoming Books* Rose Arny,1997 **THE TESTIMONY OF JOHN: 1907 Biblical Study Notes on the Gospel of John** George N.H. Peters,2017-01-01 From cover to cover conception to completion this book is about Jesus It addresses and answers the fundamental question of His identity and mission The book never waivers from this original purpose and structure Who better to inform us of Jesus than John the disciple whom Jesus loved the person to whom Jesus often confided in and to whom He ultimately entrusted with His own future Revelation And who better to expose these truths than Mr George N H Peters gifted Bible teacher and faithful steward of the Word of God throughout his lifetime Composed in the form of study notes the author directs attention away from modern mystical interpretations of this Gospel towards what John intended to accomplish i e confront the reader with the predicted Messiah Jesus and in so doing provide reasons to believe and through believing find the very promise of eternal life John calls this work his testimony like a witness pleading before a jury of his peers he lays out a selection of evidence He claims that he could easily have written volumes but these things he wrote so that the reader might believe The beauty of this book lies in the evidence John chooses to put forth the impact of the book slightly over 100 years old stems from the ability of Mr Peters to point out these things and then allow the testimony to speak for itself Over the last century many able men and women have undertaken to expound the Gospel of John The reader will not find a more plainly written account than what Mr Peters penned during the last years of his life The Biblical repositior (and quarterly observer) [afterw.] The American biblical repository [afterw.] The biblical repository and classical review, conducted by E. Robinson. [With] General index, January 1831-October 1844 Edward Robinson,1848 **Bible studies: the Internat. Sunday sch. lessons for 1889 (-1894).** George Frederick Pentecost,1894 **The Gospel as the Revelation of God's Righteousness** Robert C. Olson,2016-12-12 Paul quotes and alludes to a great variety of Old Testament scriptural sources as he writes his epistle to the Romans Yet among these scriptural sources the apostle evidences a unique indebtedness to the prophecy of Isaiah Robert C Olson explains how from this great prophecy and its redemptive narrative centering in the proclamation of good news Paul derives all the major facets of the gospel he sets forth in the epistle Leaves of Healing ,1925 The Testimony of Jesus: 1907 Biblical Study Notes on the Book of Revelation George N.H. Peters,2015-10-15 This book contains the author s George N H Peters never before published 1907 study notes on the biblical book of Revelation Mr Peters unique approach to interpretation faithfully adheres to the the plain grammatical sense of scripture By doing so He successfully combines biblical prophecy with oath bound covenants Abrahamic and Davidic to unlock this book s predominant symbolic language Peters

correctly identifies Jesus not St John as the real source of this prophecy He clarifies the main subject of the book as being not a Revelation of future events but rather an Apocalypse a personal appearing He further demonstrates through the symbols used that the Day of the Lord or 2nd Advent like the 1st Advent will unfold in distinct stages and over a discernible period of time Therefore although this study is today over 100 years old the reader is instantly confronted through this Testimony by Jesus the predicted Son of Man righteously administering the judgements of God and proclaiming His physical return to establish His Kingdom on earth The prophetic future series of events laid out strikes the reader as eerily similar to today s dangerous and chaotic world
