## **Rediscovering Prayer:**

Communicating with Allah Dr. Bassam Saeh, 2018-09-25 Hour after hour day after day and year after year the world works to keep us chasing its fancies and whims The process happens so gradually that we tend not to be aware that we are changing Just as the waves wear away at the boulders along the seashore with the passing of the days and the years so also does life by virtue of the passage of time familiarity repetition and habit wear away at the spiritual strength equilibrium and inward purity we have achieved through prayer our direct line to God Nevertheless we can return back to that state by rediscovering prayer and restore ourselves by removing whatever viruses have crept in bringing distortion and maladies Word for word authenticated narratives based on multiple sources and passed down by numerous narrators have given us the original template for Salah prayer as it was uttered and performed by the Prophet peace be upon him himself who simply said Pray as you have seen me pray **Rediscovering New Testament Prayer** John Koenig, 2004-04-09 John Koenig presents a rich variety of prayer practices that reflect the real prayer experience of Christ and his followers Recapturing the earliest believers extraordinary encounters with the Holy Koenig offers prayer as instruction for the mind renewal of the spirit and help in effecting positive change in one's life Rediscovering Prayer John Laurence CASTEEL, 1964 *All in Sync* Robert Wuthnow, 2003-05-05 Robert Wuthnow shows how music and art are revitalizing churches and religious life across the nation in this first ever consideration of the relationship between religion and the arts All in Sync draws on more than four hundred in depth interviews with church members clergy and directors of leading arts organizations and a new national survey to document a strong positive relationship between participation in the arts and interest in spiritual growth Wuthnow argues that contemporary spirituality is increasingly encouraged by the arts because of its emphasis on transcendent experience and personal reflection This kind of spirituality contrary to what many observers have imagined is compatible with active involvement in churches and serious devotion to Christian practices The absorbing narrative relates the story of a woman who overcame a severe personal crisis and went on to head a spiritual direction center where participants use the arts to gain clarity about their own spiritual journeys Readers visit contemporary worship services in Chicago Philadelphia and Boston and listen to leaders and participants explain how music and art have contributed to the success of these services All in Sync also illustrates how music and art are integral parts of some Episcopal African American and Orthodox worship services and how people of faith are using their artistic talents to serve others Besides examining the role of the arts in personal spirituality and in congregational life Wuthnow discusses how clergy and lay leaders are rethinking the role of the imagination especially in connection with traditional theological virtues He also shows how churches and arts organizations sometimes find themselves at odds over controversial moral questions and competing claims about spirituality Accessible relevant and innovative this book is essential for anyone searching for a better understanding of the dynamic relationships among religion spirituality and American culture *Rediscovering the Divine* Consiglio,
