

REDISCOVERING THE ORIGINAL CHRIST TEACHINGS

The background of the entire image is a vibrant, ethereal scene. In the center, a group of about seven people, depicted with long, curly hair and wearing dark, flowing robes, are standing in a circle with their hands joined. They are facing away from the viewer towards a brilliant, golden-yellow light source that appears to be emanating from the center of the circle. This light creates a strong glow, silhouetting the figures and casting a warm, golden light across the entire scene. Surrounding the central group and the light source are intricate, swirling patterns of golden and blue energy, resembling smoke, mist, or perhaps divine sparks. The overall color palette is dominated by deep blues, greens, and earthy browns, contrasted sharply by the intense golden light. The texture of the background looks like a combination of soft, painterly brushstrokes and more defined, swirling lines, giving it a mystical and dynamic feel.

Foster, 2022-01-25 Rediscovering Jesus is a book about taking a fresh new look at the claims of this amazing historical figure name Jesus Christ I say this in all humility but honestly I believe in my experience over the last 32 years of being a Christian and working with churches that the church has many misconceptions about who Jesus is When you do not have a proper understanding of the Bible as a Christian then your foundation will be faulty You cannot build a house to last for generations on a faulty foundation I have taken an apologetic approach to writing this book Apologetics can be defined as a defense of the Christian faith Apologetics is giving a rational presentation for and providing the intellectual basis of the truth claims of biblical Christianity I wanted to give the reader enough information where it's not too academic but academic enough that you could have a theological historical and philosophical understanding of the claims of Jesus I pray that this book will give you a revelation and understanding of the greatest man who ever lived Jesus Christ I believe that Jesus is fully God and fully man The purpose of this book is to show the evidence that you will know and consider that Jesus is truly the Son of God And that you may receive him as your Lord and Savior In this critical time in our history the only answer to true freedom and liberty is by Rediscovering Jesus the true Savior of the world **Rediscovering Jesus** Tony Foster, 2022-01-25

Rediscover Jesus Matthew Kelly, 2015 At a time when so many people are spiritually disillusioned and searching for ways to live love work and play that nurture the soul rather than destroy it Matthew Kelly once again delivers a powerful book that encourages us in our weariness challenges us in our comfort and invites us to rediscover the beautiful possibilities God places before us daily *Rediscover Jesus* is a profound invitation to seek deeply personal answers to our deeply personal questions Each page seems to effortlessly reach into every aspect our lives providing spiritual wisdom and practical insights that help us to know both Jesus and ourselves in a new way Some books find us at just the right time and those books change our lives forever *Rediscover Jesus* is one of those books How Well Do You Know Jesus I think about this often and I always come to the same realization I don t know Jesus anywhere near as well as I would like to know him The desire is there but life gets in the way There are times when I seem to be making great progress and other times when I wonder if I know him at all But I always arrive back at the same inspiring and haunting idea If there is one person that we should each get to know in a

deeply personal way it is Jesus the carpenter from Nazareth the itinerant preacher the Son of God the King of Kings and the Lord of Lords the Lamb of God the new Adam the Messiah the Alpha and the Omega the Chosen One the Light of the World the God Man who wants good things for us more than we want them for ourselves the healer of our souls **Rediscovering Jesus in Our Places** Elia Shabani Mligo,2020-05-28 The question of contextual theology and its relevance to Africa in this time of globalization whereby there are rampant uncontrolled changes in cultures technologies economic policies and even people s religious lives is very urgent How is contextual theology relevant in the ever changing contexts of the church in Africa Indeed there are a number of challenges which contextual theology faces within the church in Africa which need to be addressed contextually Some such challenges include poverty rampant violence homosexuality alcoholism the resurgence of prosperity gospel materialistic prophets and incurable illnesses like Ebola HIV and AIDS and the current coronavirus COVID 19 However which context in Africa Context in Africa as in other parts of the world is always in flux it is complex and fluid There is no permanent context The experience of Jesus in such a changing context needs to be rediscovered depending on what transpires in each particular place at a particular time This book addresses some of the overarching challenges that face contextual theology and how such challenges should be addressed by the church in Africa in contemporary ever changing context for it to be relevant in Africa It also highlights the need to move from liberation and inculturation theologies to reconstruction theology in dealing with the challenges of the current church Hence the book is important to students and scholars engaging in practical systematic biblical and contextual theologies in all their branches **Rediscover Jesus** Kelly Matthew,2015-08-17 How well do you know Jesus I think about this often and I always come to the same realization I don t know Jesus anywhere near as well as I would like to know him The desire is there but life gets in the way There are times when I seem to be making great progress and other times when I wonder if I know him at all But I always arrive back at the same inspiring and haunting idea If there is one person that we should each get to know in a deeply personal way it is Jesus the carpenter from Nazareth the itinerant preacher the Son of God the King of Kings and the Lord of Lords the Lamb of God the new Adam the Messiah the Alpha and the Omega the Chosen One the Light of the World the God Man who wants good things for us more than we want them for ourselves the healer of our souls The best time to rediscover Jesus is right now You are holding this book in your hand at this very moment for a reason I don t know what God has in store for you but I am excited for you *Quest* ,1913 Complete in Christ Nigel M. de S. Cameron,1997 Rediscovering the Original Jesus Movement Greg Denham,2024 Today the world is being shaken The recent pandemic has proven to be an accelerator and a revealer of the beliefs that inform people s lives all over the world There is a fast moving trajectory of consequences that come from those beliefs be they good bad or ugly Because we are living in a world that is more global and interdependent than ever before the stakes are only getting higher As author Kent Hughes describes Like the Starship Enterprise when it kicks into warp speed even going to warp ten so that whole galaxies fly by like fence posts an alternate reality is suddenly

upon our doorstep 1 What does this alternate reality look like Credentialed medical doctors are poisoning and mutilating physically healthy children the Biblical definition of marriage has been stolen and redefined men are told they can become women and women are told they can become men godless drag queen shows are sanctioned by once trusted local public schools gravely impacting the most vulnerable among us As Dorothy said in the Wizard of Oz We re not in Kansas anymore But the good news is that from chaos can come clarity about the purposes plan and power of God in the lives of Jesus Christ followers And I m convinced that the key to finding clarity in this critical hour is to rediscover the context of the ground floor of the Jesus revolution of first century Jerusalem And that s what this book is all about It is a call to Christians everywhere that the way forward is the way back Being refreshed by the Gospel context will provide for us clarity about not only God s will and His unstoppable plan but His intended course and power for our lives It will even course correct the mistakes in church history that have influenced a trajectory of the church that was never intended by Jesus The Christian Life: The Centrality of Jesus Christ and His Teachings Daniel Payne,2025-03-04 In an era where distractions are plenty we find ourselves in an existential crisis with the influx of culture wars infiltrating the Church It seems that the essence of Christianity the teachings of Jesus is being lost amidst the chaos So let s take a pause and journey back to the heart of Christianity Let s rediscover Jesus and his timeless wisdom making Him the foundation of our faith once more Our everyday life is increasingly shaped by the norms and standards of the current culture Ethical relativism and the allure of instant solutions have permeated all corners of society including the Church Consequently these cultural elements have begun to overshadow the core tenets of our faith stirring up a tumultuous storm of culture wars within the Church Often these battles distract us from what should be our true focal point the fundamental teachings of Jesus Christ *Another Christ* Andrew D. Mayes,2024-08-30 This is a riveting book with bite an exploration with edginess Compelling and arresting images confront us with a fresh view of Jesus and of ourselves as we rediscover our vocation to be Another Christ for troubled times Recent research into the first century setting of the gospel and the author s years in the Holy Land cast unexpected light on both the identity of Jesus and our present calling while Francis of Assisi reveals how this can be creatively lived out We have a choice If we keep before our eyes images of Christ that are comforting soothing familiar traditional then our Christian life may turn out to be prosaic pedestrian and predictable a preservative to maintain the status quo But if we allow our discipleship today to be unsettled and inspired by images of Christ that are dynamic risky outrageous brave passionate radical then we open ourselves to new possibilities we embark on a liberating adventure an odyssey of the soul a pilgrimage a voyage into untested waters What will we choose Do we dare to take the unpredictable path And which route will respond most courageously to the needs of today s wounded world Another Christ Andrew Mayes,2014-10-16 Growth in Christlikeness is a goal for all Christians and especially for those in leadership But the images of Christ that have become the institutional norm refer to a model of pastoral ministry that seems to allow no scope for innovation or eccentricity In this riveting book Andrew Mayes

explores how the first century setting of Jesus reveals his identity as builder hermit rebel mystic reveller jester iconoclast revealer and enigma liberator traveller and mentor brother and trail blazer The aim of Another Christ is to encourage us to see how these images can inform the practice and spirituality of leadership today and to this end each chapter ends with a set of penetrating questions and ideas for further reading

Ruining Christmas--Rediscovering Jesus Carl N.

Toney,2021-08-31 Did you know that the Christmas story almost wasn't told But Matthew and Luke saved Christmas Have you wondered if Christmas is really a pagan holiday Did marketers invent Santa Claus And what does a Christmas tree have to do with anti slavery We'll learn which traditions come from the Bible and where other traditions derive Have you ever considered who Jesus was named after Or why Jesus's genealogy is traced to Joseph if he's not Jesus's biological father We'll answer questions like these surrounding Jesus's legacy Maybe you've asked what was the Bethlehem star Or have you heard that there wasn't an inn or innkeeper With these kinds of inquiries we'll look at the circumstances surrounding Jesus's birth Do we know if the magi were kings astrologers or magicians Or could you name the oldest person that met baby Jesus By interacting with these people who met Jesus on that first Christmas we'll join the cast of characters around the manger As we explore the stories and traditions of Christmas together we'll ruin some past misconceptions but in the process I promise that we'll rediscover Jesus

Hijacking Jesus Jason Jimenez,2023-09-12 Progressives have fabricated a new Jesus so different from the real Savior that their faith can hardly be called Christianity Progressive Christian leaders have abandoned the resurrected Savior of historical Christianity radically reinterpreting Him as a Jewish mystic or a man of God devoid of divine claims and miracles In the postmodern era remaking Jesus has become a deadly temptation The modern Jesus of progressives supposedly friendlier and more accepting than the Savior we know from the Gospels is gaining popularity and acceptance among self identified Christians But they don't realize that progressive Christianity rejects the biblical revelation of Jesus Christ the Word made flesh Hijacking Jesus addresses perennial questions about the nature of Christ and his teaching testing the historical and theological accuracy of progressive Christians Their Jesus is simply no match for the reliability of the four Gospels which are the most credible historical sources for Jesus's life teachings miracles death and resurrection Christians can accept no substitute for the witness of the Gospels and the theological doctrines of the church that Jesus Christ is Lord and Savior

Following Jesus Blake Ferriss,2019-05-15 Jesus spoke to the people once more and said I am the light of the world If you follow me you won't have to walk in darkness because you will have the light that leads to life John 8:12 NLT Following Jesus An Approach to Christian Spirituality provides a basis for understanding how the Lordship of Christ is the essential criterion for determining how Christianity functions as a relational experience with God With that relational experience for the believer in Christ being the product of supernatural experience with the Holy Spirit The book functions as an organizing tool to be used for a conscientious inquiry into how a Christian worldview operates in four relational categories of experience With these relational categories act as a basis for understanding how our choices affect our lives and our

futures both now and in life and eternally and how it is that God loves us and will give our lives the meaning and purpose that we all long for **Killing Jesus** Stephen Mansfield,2013-05-07 TORTURE INFANTICIDE BRUTALITY MURDER The World Would Never Be the Same The execution of Jesus was a crime born of the streets the barracks the enclaves of the privileged and the smoke filled back rooms of religious and political power brokers Its meaning lives in these places still It is the most fiercely debated murder of all time Its symbol is worn by billions of people worldwide Its spiritual meaning is invoked daily in time honored rituals In Killing Jesus New York Times best selling author Stephen Mansfield masterfully recounts the corrupt trial and grisly execution of Jesus more than two thousand years ago Approaching the story at its most human level Mansfield uses both secular sources and biblical accounts to bring fresh perspective to the human drama political intrigue and criminal network behind the killing of the world s most famous man
