Rediscovering The Church:

Rediscovering the Church Lynne Hybels, Bill Hybels, 1995 Rediscovering Church is the candid story of Willow Creek Community Church's phenomenal growth from 100 members meeting in a Palatine Illinois movie theater to its present Sunday morning attendance of 15 000 Bill Hybels and his wife Lynne tell about Willow Creek's beginnings its struggles the philosophy behind its success and the strategies that have made it a model for church growth The first half of the book written by Lynne Hybels explores the early years of Willow Creek and the personal accounts behind one of this century's most remarkable church stories It offers an honest look at the ways God has used both the strengths and weaknesses of His people creating a church of believers who have had tremendous impact for Christ in their community In the second half of Rediscovering Church Bill Hybels helps you apply the strengths of Willow Creek's ministry philosophy to your own congregation's mission From mission statements to developing leadership making sound financial decisions and handling growth Bill stresses that God wants to build His church to be an effective and committed community of faith that reaches out to a hurting world to be the body of Christ in real and tangible ways Rediscovering Church draws on the experiences of Willow Creek to show how one fellowship crystallized its mission and methodology its vision and values The Willow Creek story provides an example that churches and individuals alike can turn to for inspiration encouragement and a means of uncovering the pattern for their own unique mission and ministry

Rediscovering the Church Fathers Michael A. G. Haykin, 2011-03-02 While the church today looks quite different than it did two thousand years ago Christians share the same faith with the church fathers Although separated by time and culture we have much to learn from their lives and teaching This book is an organized and convenient introduction to how to read the church fathers from AD 100 to 500 Michael Haykin surveys the lives and teachings of seven of the Fathers looking at their role in such issues as baptism martyrdom and the relationship between church and state Ignatius Cyprian Basil of Caesarea and Ambrose and others were foundational in the growth and purity of early Christianity and their impact continues to shape the church today Evangelical readers interested in the historical roots of Christianity will find this to be a helpful introductory volume *Rediscover Church* Collin Hansen, Jonathan Leeman, 2021-07-28 A Christian without a church is a Christian in trouble Since a global pandemic abruptly closed places of worship many Christians have skipped church life even neglecting virtual services But this was a trend even before COVID 19 Polarizing issues including political and racial strife convinced some people to pull away from the church and one another Now it's time to recommit to gathering as brothers and sisters in Christ In Rediscover Church Collin Hansen and Jonathan Leeman discuss why church is essential for believers and God's mission Through biblical references and personal stories they show readers God's true intention for corporate gathering to spiritually strengthen members as individuals and the body of Christ In an age of church shopping and livestreamed services rediscover why the future of the church relies on believers gathering regularly as the family of God Published in partnership with the Gospel Coalition and

9Marks **Roadmap to Renewal** Douglas Ruffle,2017-06-28 Take a journey together with others from your local church a road trip that will help you rediscover your true mission This newly revised and updated edition of Roadmap to Renewal will serve as a vital resource enabling you to reconnect to your mission area Use the step by step process in a small group to come up with a Ministry Action Plan for your community of faith Know your community Know your mission Know your strengths and challenges Know where you are going Reach people with the good news of Jesus Christ *Churching* Rick Harrington,2025-02-25 Over forty million people have left the church in the past twenty five years in the United States This is not merely people walking away from the faith Many Christians have dechurched as well The local church is seen as an optional club and gathering with other Christians is a sort of side issue in the real business of following Jesus This short book seeks to push against the cultural tide It musters together an argument biblically historically and practically on behalf of the church The church does not sit on the periphery of the Christian life it belongs smack dab in the center The church is our means of grace to corporate worship Christian fellowship and the Great Commission Read and reimagine what the church could look like going forward Brief and winsome this resource draws on Scripture pastoral experience and wisdom from the global church to present a thoughtful and practical argument intended to help readers understand the call upon the Christian to commit and serve the church *Rediscover Church Study Guide* Jonathan Leeman,Collin Hansen,2021-12-07 Over the course of 9 lessons featuring guided study Bible passages and discussion questions this companion to the book Rediscover Church emphasizes the significance of face to face fellowship with the family of Christ **Rediscovering the New Testament Church** Anthony Jacob-Hood,2014-12-22 The vast majority of Western Christians assume that church as we know it is somehow patterned after New Testament norms with our services our pastors and priests and our Sunday morning sermons Rediscovering The New Testament Church gently challenges that assumption meticulously uncovering the New Testament description of what God calls church Have we perfected what God set in motion or did we fix what was never broken in the first place Rediscovering the Reformation Matthew Knell,2019-04-19 This book will approach the Reformation from the perspective on last year s Spring Harvest theme One in Christ and therefore look not at how or why the church split or whether the church should have split but from the perspective that the church cannot split because it is Christ s one body From this basis the book will explore themes of Christianity such as the church attitude to scripture and faith belief grace and works seeking wisdom from each of the incarnations of the church that resulted from the disagreements of the sixteenth century Rediscover Church (Simplified Chinese) Collin Hansen,Jonathan Leeman,2021-10-25 Churches are currently facing a host of difficult issues potential shut downs and restrictions due to COVID 19 political dissension among members racial division church abuse scandals and the list continues While some attendees have temporarily turned to virtual church services others are wondering if committing to a local church is worth the trouble Is it really that important to gather each week Written for anyone struggling to answer this question Collin Hansen and Jonathan

Leeman help readers rediscover why the church is essential Rediscover Church starts from the ground up examining topics such as the mission of the church the importance of preaching and teaching church membership church discipline and how to love members who are different This book is a timely reminder that the church is more than just a livestream it is an essential fellowship of God s people furthering God s mission **Roadmap to Renewal** Douglas W. Ruffle,2009

Rediscovering God's Church Derek Prince,2006 The church is God s family a place of love acceptance joy learning and purpose a refuge from the stresses of the world and an oasis where you are strengthened in your walk with the Lord Be infused with a new sense of power and expectation as you learn what it means to be a vital member of the body of Christ Help fulfill God s vision for the church by becoming a dynamic ambassador of His message to a lost world Book jacket

Rediscovering Church Ian Mayer,2025-02-12 What if we could recapture the dynamic transformative power of the early Church in today s world Acts 2 42 47 provides us with a remarkable blueprint of a thriving Christian community one marked by devoted discipleship authentic fellowship radical generosity and daily transformation Rediscovering Church will help close the gap between the church we see and the church we dream of Drawing from the timeless wisdom of the New Testament and filled with real world examples this practical guide will equip you with the tools and strategies you need to cultivate communities marked by authentic relationships transformative teaching passionate worship and sacrificial care You ll discover how to Create environments where genuine discipleship happens naturally Build meaningful fellowship that goes beyond surface level relationships Develop prayer cultures that expect and experience God s power Structure leadership that empowers rather than controls Plan gatherings that foster authentic community Implement programs that serve real needs Foster generosity that transforms lives and much more than you can ask or imagine The future of the Church depends not on our programs or buildings but on our ability to create authentic communities where people encounter Christ and are transformed by His love Let s rediscover together how to build communities that change lives and impact the world

Crosses and Pillars Bryan Northcutt,2022-12-07 This book reintroduces ecclesiastical history in a concise manner that speaks both to the laymen and academic informing them concerning the events and theology that the church struggled with and emerged victorious over the past two millennia It is an objective study of ecclesiastical history that led the author to a more robust understanding of theology which challenges some of the novel differences in the numerous Protestant denominations of today **Rediscovering Pastoral Ministry** John MacArthur,Richard Mayhue,Masters College Faculty Staff,Robert L. Thomas,1995 The threefold aim of this book is to validate the biblical absolutes for pastoral ministry to elaborate the biblical qualifications for church pastors and to delineate the biblical priorities for pastoral ministry Will prove invaluable for both seasoned pastors and individuals just beginning their ministry **Rediscovering Church** John Young,2015-03-31 After graduating from seminary John quit his job as a Baptist minister and took off on a road trip to learn what makes a church successful Rediscovering Church is a journey that traces his experiences of growing up in church

working as a minister and then hitting the road to learn from some of the nation's most interesting churches. The story follows him becoming a white minister in a black church, getting kicked out of and banned from a church, and even going to an AA meeting. In an age where there are thousands of Christian celebrities explaining how to lead your church to success, this story shines a light on the beautiful diversity of churches and the mosaic of personalities that lead them. Each chapter dives into the cultures and issues of a different congregation, including a traditional church, emerging church, African American church, exponential growth church, mega church, and a house church.

The Gospel for the Church Erick Hurt, 2020-09. This book is written for anyone who wants to follow the instruction of Jesus Christ to go and make disciples of all nations. It is written for church leaders, teachers, and all who want to know what it means to be a disciple of Jesus Christ and how to make a disciple of Jesus Christ. A lukewarm church, Revelation 3:16, is a church that has abandoned the message of the cross. The cross is no longer the central part of sermons and teachings, which has left Jesus on the outside with the door closed, knocking and waiting. The cross is the message of power, Romans 1:16, 1 Corinthians 1:18, and if it's lost its place of first importance, 1 Corinthians 15:3, in the church, the very foundation of the church is compromised. If we invite others to fill its place with good speakers and good programs, we close the church's door to the One who purchased her with His precious blood. He who overcomes the world through believing that Jesus is the Son of God, I will grant to him the privilege to sit beside Me on My throne, as I also overcame and sat down beside My Father on His throne, Revelation 3:21. AMP. In Revelation 3:21, the promise to the overcoming church is connected to the power of the gospel. Jesus died on the cross and overcame death through resurrection power, then ascended to the Father, was accepted and seated on His throne. Our overcoming of the world, the flesh, and the devil is tied to the ongoing hearing of this message. Oh friend, may the church worldwide return wholeheartedly to the message of the cross that we might see many people die to sin and rise with Jesus to new life. This study is an invitation to open the door to Jesus through returning to the message of the cross that we might experience wonderful and intimate fellowship with Him.

Rediscovering Jesus Tony Foster, 2022-01-25. Rediscovering Jesus is a book about taking a fresh new look at the claims of this amazing historical figure, Jesus Christ. I say this in all humility, but honestly, I believe in my experience over the last 32 years of being a Christian and working with churches that the church has many misconceptions about who Jesus is. When you do not have a proper understanding of the Bible as a Christian, then your foundation will be faulty. You cannot build a house to last for generations on a faulty foundation. I have taken an apologetic approach to writing this book. Apologetics can be defined as a defense of the Christian faith. Apologetics is giving a rational presentation for and providing the intellectual basis of the truth claims of biblical Christianity. I wanted to give the reader enough information where it's not too academic but academic enough that you could have a theological, historical, and philosophical understanding of the claims of Jesus. I pray that this book will give you a revelation and understanding of the greatest man who ever lived, Jesus Christ. I believe that Jesus is fully God and fully man. The purpose of this book is to show

the evidence that you will know and consider that Jesus is truly the Son of God And that you may receive him as your Lord and Savior In this critical time in our history the only answer to true freedom and liberty is by Rediscovering Jesus the true Savior of the world *Rediscovering Worship* Wendy J. Porter, 2015-06-16 Many opinions contend in the church today for what constitutes true worship of God and how best it can be practiced This collection of essays carries on a conversation between biblical scholars and church music practitioners It begins with three studies investigating what we can learn about worship in the Old Testament followed by essays on the teaching about worship in the Gospels Epistles and the book of Revelation in the New Testament The church music practitioners featured in the book respond to each of these essays The final essay by Wendy Porter takes a historical journey of theological reflection on Christian worship from the days of the early church tracing worship developments in the Western church through the centuries to today This is an important book for anyone who wants to think theologically about how and why Christians worship God **Missional Church** Daniel L. Guder, 1998-02-09 What would a theology of the Church look like that took seriously the fact that North America is now itself a mission field This question lies at the foundation of this volume written by an ecumenical team of six noted missiologists Lois Barrett Inagrace T Dietterich Darrell L Guder George R Hunsberger Alan J Roxburgh and Craig Van Gelder The result of a three year research project undertaken by The Gospel and Our Culture Network this book issues a firm challenge for the church to recover its missional call right here in North America while also offering the tools to help it do so The authors examine North America s secular culture and the church s loss of dominance in today s society They then present a biblically based theology that takes seriously the church s missional vocation and draw out the consequences of this theology for the structure and institutions of the church *The Story That Chooses Us* George R. Hunsberger, 2015-04-09 Over the course of several decades missiologist George Hunsberger has written numerous essays on crucial themes for the church s recovery of its missional identity and practice The Story That Chooses Us brings these essays together for the first time The book as a whole presents a composite sense of the missional identity and faithful witness to which the church is called in contemporary Western society Hunsberger engages with well known missiologist Lesslie Newbigin throughout his work as he carefully discerns biblical and theological roots for a contemporary vision of missional theology The recurring themes in Hunsberger s essays provide both theological mooring and practical guidance for churches following Christ on the missional path

Rediscovering The Church Introduction

In the digital age, access to information has become easier than ever before. The ability to download Rediscovering The Church has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Rediscovering The Church has opened up a world of possibilities. Downloading Rediscovering The Church provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to

valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Rediscovering The Church has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Rediscovering The Church. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Rediscovering The Church. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Rediscovering The Church, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Rediscovering The Church has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
