Crosses and Pillars Bryan Northcutt,2022-12-07 This book reintroduces ecclesiastical history in a concise manner that speaks both to the laymen and academic informing them concerning the events and theology that the church struggled with and emerged victorious over the past two millennia It is an objective study of ecclesiastical history that led the author to a more robust understanding of theology which challenges some of the novel differences in the numerous Protestant denominations of today      Rediscovering Pastoral Ministry John MacArthur,Richard Mayhue,Masters College Faculty Staff,Robert L. Thomas,1995 The threefold aim of this book is to validate the biblical absolutes for pastoral ministry to elaborate the biblical qualifications for church pastors and to delineate the biblical priorities for pastoral ministry Will prove invaluable for both seasoned pastors and individuals just beginning their ministry      **Rediscovering Church** John Young,2015-03-31 After graduating from seminary John quit his job as a Baptist minister and took off on a road trip to learn what makes a church successful Rediscovering Church is a journey that traces his experiences of growing up in church

working as a minister and then hitting the road to learn from some of the nation's most interesting churches. The story follows him becoming a white minister in a black church, getting kicked out of and banned from a church, and even going to an AA meeting. In an age where there are thousands of Christian celebrities explaining how to lead your church to success, this story shines a light on the beautiful diversity of churches and the mosaic of personalities that lead them. Each chapter dives into the cultures and issues of a different congregation, including a traditional church, emerging church, African American church, exponential growth church, mega church, and a house church.

**The Gospel for the Church** Erick Hurt, 2020-09. This book is written for anyone who wants to follow the instruction of Jesus Christ to go and make disciples of all nations. It is written for church leaders, teachers, and all who want to know what it means to be a disciple of Jesus Christ and how to make a disciple of Jesus Christ. A lukewarm church, Revelation 3:16, is a church that has abandoned the message of the cross. The cross is no longer the central part of sermons and teachings, which has left Jesus on the outside with the door closed, knocking and waiting. The cross is the message of power, Romans 1:16, 1 Corinthians 1:18, and if it's lost its place of first importance, 1 Corinthians 15:3, in the church, the very foundation of the church is compromised. If we invite others to fill its place with good speakers and good programs, we close the church's door to the One who purchased her with His precious blood. He who overcomes the world through believing that Jesus is the Son of God, I will grant to him the privilege to sit beside Me on My throne, as I also overcame and sat down beside My Father on His throne, Revelation 3:21. AMP. In Revelation 3:21, the promise to the overcoming church is connected to the power of the gospel. Jesus died on the cross and overcame death through resurrection power, then ascended to the Father, was accepted and seated on His throne. Our overcoming of the world, the flesh, and the devil is tied to the ongoing hearing of this message. Oh friend, may the church worldwide return wholeheartedly to the message of the cross that we might see many people die to sin and rise with Jesus to new life. This study is an invitation to open the door to Jesus through returning to the message of the cross that we might experience wonderful and intimate fellowship with Him.

Rediscovering Jesus Tony Foster, 2022-01-25. Rediscovering Jesus is a book about taking a fresh new look at the claims of this amazing historical figure, Jesus Christ. I say this in all humility, but honestly, I believe in my experience over the last 32 years of being a Christian and working with churches that the church has many misconceptions about who Jesus is. When you do not have a proper understanding of the Bible as a Christian, then your foundation will be faulty. You cannot build a house to last for generations on a faulty foundation. I have taken an apologetic approach to writing this book. Apologetics can be defined as a defense of the Christian faith. Apologetics is giving a rational presentation for and providing the intellectual basis of the truth claims of biblical Christianity. I wanted to give the reader enough information where it's not too academic but academic enough that you could have a theological, historical, and philosophical understanding of the claims of Jesus. I pray that this book will give you a revelation and understanding of the greatest man who ever lived, Jesus Christ. I believe that Jesus is fully God and fully man. The purpose of this book is to show

the evidence that you will know and consider that Jesus is truly the Son of God And that you may receive him as your Lord and Savior In this critical time in our history the only answer to true freedom and liberty is by Rediscovering Jesus the true Savior of the world     Rediscovering Worship Wendy J. Porter, 2015-06-16 Many opinions contend in the church today for what constitutes true worship of God and how best it can be practiced This collection of essays carries on a conversation between biblical scholars and church music practitioners It begins with three studies investigating what we can learn about worship in the Old Testament followed by essays on the teaching about worship in the Gospels Epistles and the book of Revelation in the New Testament The church music practitioners featured in the book respond to each of these essays The final essay by Wendy Porter takes a historical journey of theological reflection on Christian worship from the days of the early church tracing worship developments in the Western church through the centuries to today This is an important book for anyone who wants to think theologically about how and why Christians worship God     *Missional Church* Daniel L. Guder, 1998-02-09 What would a theology of the Church look like that took seriously the fact that North America is now itself a mission field This question lies at the foundation of this volume written by an ecumenical team of six noted missiologists Lois Barrett Inagrace T Dietterich Darrell L Guder George R Hunsberger Alan J Roxburgh and Craig Van Gelder The result of a three year research project undertaken by The Gospel and Our Culture Network this book issues a firm challenge for the church to recover its missional call right here in North America while also offering the tools to help it do so The authors examine North America s secular culture and the church s loss of dominance in today s society They then present a biblically based theology that takes seriously the church s missional vocation and draw out the consequences of this theology for the structure and institutions of the church     *The Story That Chooses Us* George R. Hunsberger, 2015-04-09 Over the course of several decades missiologist George Hunsberger has written numerous essays on crucial themes for the church s recovery of its missional identity and practice The Story That Chooses Us brings these essays together for the first time The book as a whole presents a composite sense of the missional identity and faithful witness to which the church is called in contemporary Western society Hunsberger engages with well known missiologist Lesslie Newbigin throughout his work as he carefully discerns biblical and theological roots for a contemporary vision of missional theology The recurring themes in Hunsberger s essays provide both theological mooring and practical guidance for churches following Christ on the missional path
